## CLUB NOTES

Once again we entertain Shrewsbury Town, this time in the second round of the Football Association Cup. They have also to visit the County Ground yet once more, for a Division 3 League game, appropriately due to be played on the very last day of 1960. Without considering replays, that will mean six meetings between the two clubs in four months.

Unfortunately, for the second time this season, it was not possible for any football to be played on our ground. One wonders if the weather will ever improve. In fact, will the rain ever stop?

It is most unfortunate with our young team we should this year experience such a season, the worst for many years.

Everything possible has been done to improve the playing pitch. Consultants have been called in for advice on every subject. Experts on ground upkeep and playing fields machinery have visited the ground.

Men in charge of sports grounds have been brought in regarding drainage, and surveyors with complete knowledge of the geological structure of the area have been consulted on the actual pitch.

Drains have been opened up to ensure they are functioning properly and new ones added.

### CLUB NOTES—continued

The question of plastic covering has also been considered. The cost would be in the region of £1,000, and it is easily damaged. Another factor too, is the County Ground is situated on a ridge of clay, and even if the surface water is kept away from the pitch, water collected in the neighbourhood would drain down to the clay subsoil.

However, no stone will be left unturned to improve the playing surface. The facts are however—far more matches are being played on the County Ground than ever before, the position of the ground on a clay belt, and the exceptional weather. At present it is one great fight against the vagaries of nature.

May the weather be kind during the next few weeks.

## OUR VISITORS

Today we welcome the Directors, Officials and Players of Shrewsbury Town F.C. to the County Ground.

Details of the probable team are:—

- M. GIBSON (Goalkeeper).** Born at Derby, he joined the club from Nuneaton. Gained his place in the first team this season when Shrewsbury played at Swindon in the Football League Cup.
- G. SKEECH (Left Back).** Joined the Club from Runcorn the Cheshire League Club in Nov. 1954. Has now made the left back position his own and takes a well earned benefit this season.
- A. HARLEY (Left Half).** A Chester-born lad, was previously on the ground staff before signing professional. Converted from a winger to wing half and is now fulfilling the early promise shown.
- J. WALLACE (Right Half).** The only Scottish player on the books who was found playing at a nearby Army Camp and was signed professional after being demobbed. A very fine ball player, at home either at wing half or centre half.
- G. WALTERS (Right Back).** A Wolverhampton-born lad, was signed from a Wolverhampton Works side in 1957 and has been a near ever-present for the first team since signing professional.
- D. POUNTNEY (Centre Half).** A Salop-born lad who last season became a full-time professional after being part-time. At home at either inside forward or in the half back line. Strong and forceful player.
- J. McLAUGHLIN (Outside Left).** A close season signing from Birmingham City. A fast and clever winger from whom much is expected in the future.

### **OUR VISITORS**—continued

**G. BAKER (Centre-Forward).** A close season signing from Plymouth Argyle. A quick and tricky player who is at home in any of the forward positions. A Welsh Under 23 International.

**M. STARKEY (Inside Right).** A Nottingham born lad who was signed from Blackpool in 1959. Proved a sound acquisition for he was joint second highest scorer last season with 20 goals.

**G. A. ROWLEY.** Joined Shrewsbury as Player-Manager in June, 1958. Needs only 27 goals this season to top Dixie Dean's record of 389 goals in Football League games.

**N. HOBSON (Outside Right).** A local boy who previously played as an amateur with Oswestry. He was formerly a full back but his conversion to the right wing was so successful, he has now made the position his own.

## SUPPORTERS' CLUB NOTES

The late Mr. Frederick Payne was a founder member of this Club and served on the Committee for many years. He was an enthusiastic and conscientious worker, until illness prevented his attendance at the County Ground. We extend our condolences to his relatives.

A further sum of £1,200 is being handed over to the Directors of Swindon Town F.C., out of our Competition profits. £200 of this had been earmarked to the special Floodlight Fund, but we understand that the Directors will also devote a further £250 out of the general donation, for the same purpose.

Competition membership is still growing steadily. On 12th November the number had reached 13,120. We still look forward to covering the maximum 15,000 permitted.

The profit on the date mentioned was £316 but it would exceed £400 weekly if we could achieve the maximum membership.

Seldom have the correspondence columns of our local press produced such acrimony as recently. "Thoroughbred Swindonians" have joined forces against "Proud Hammersmithians" regarding allocations of houses. Jazz and non-jazz enthusiasts have gripped each other's throats, the young have jeered at the elderly (and vice-versa) and Beatniks have been at loggerheads with the rest.

This is very distressing for they all have a part to play in the life of the community. Is there some common ground where they might meet amicably and forget their differences? Yes, we suggest the County Ground, where this season we have a team which is worth common support—whether of "Thoroughbred Swindonians" or of newcomers, and one of which young and old may be proud.

There was, however, one subject on which correspondents held a common view, so, if supporters come to the County Ground by Corporation bus, it is suggested that they should leave home as soon—after breakfast—as possible!

The tickets for the Christmas Draw are on sale and seem to be going well. Generally speaking, they will be offered first to those who participate regularly in the weekly competition.

We know that at this time of the year there are numerous draw tickets on sale, but we feel that Supporters will wish to support us in their customary generous manner.

The prizes are very attractive and we take this opportunity to express our thanks to the donors.

We wish the team the best of luck this afternoon, with an outright win. We have nothing against Shrewsbury but have seen quite enough of them for one season!

Holders of lucky programmes on 12th November were:—177, not claimed. 3556, Mr. C. Tubb, West Tockenham, Swindon.

## THE DUKE OF EDINBURGH'S ROYAL REGIMENT

We welcome again today the Band and Drums of our County Regiment, The Duke of Edinburgh's Royal Regiment (Berkshire and Wiltshire). They will give a marching display before the game and again at half-time.

The Regiment has been visiting Swindon frequently during the last few weeks with the object of gaining recruits. With the finishing of National Service the Officers and men are keen to get as many local men into the Regiment as possible.

What better life can be imagined? Conditions and pay are now competitive with those in industry and in addition there is the prospect of visits to many places in the world that would otherwise be out of the scope of the average man in the street.

There is a variety of employment in the Regiment. Soldiers are employed as drivers, mortar-men, anti-tank gunners, machine gunners, clerks, storemen, carpenters and in other interesting jobs.

Anyone who joins before Christmas will be home for the holidays. Seven days leave (21st December - 28th December) will be granted from the Training Centre at EXETER with free travel to and from SWINDON. Promotion prospects are very good at present.

The Regiment has a static display outside the ground of weapons and vehicles.
