Club Notes

Still the urgency for gaining points continues, with the luck not just going with us. In our last three away games, we have been beaten by the odd goal in three. One less goal against, or one more goal for would have meant at least a point. Without wishing to comment on the games, there was no doubt about our superiority in the second-half at Barnsley and the winning goal at Walsall came from a penalty.

In the remainder of the season we have a number of hard games (to quote the players "they are all hard") against opponents occupying high positions in the league. We are sure our lads will give "everything they have", and continue to endeavour to play good football. Despite the many

disappointments this year, a large number of spectators have remarked upon the standard of play, and the enjoyment they have derived from the games.

The Reserve side accomplished a splendid performance by winning at Coventry on Wednesday. It is most encouraging to see this team winning away from home. May it soon be the turn of the Senior side.

For the next few weeks the County Ground is going to be a very busy place, with the ground in almost continual use. In addition to Division 3 and Combination games, there are Representative, Friendly, Hellenic and Wessex League matches. Local Cup Finals have also to be arranged. There is something almost every day, even for the most enthusiastic football supporter.

CLUB NOTES—continued

Unfortunately the arrangements regarding our Youth Team, and the tournament in Holland at Easter, have broken down. A slight misunderstanding regarding correspondence, between ourselves, the F.A., and the persons sponsoring the games occurred. When this was put right, events had moved so quickly that our team could no longer go on the proposed trip. It is indeed a pity, because apart from the enjoy-

ment of such an outing, our young lads would have gained much from the experience of playing against foreign teams on the continent.

This afternoon we welcome old friends from Newport, still doing well under the direction of our "old" player Billy Lucas.

We trust everyone will enjoy an afternoon's enjoyment of good football, and Swindon — two points please.

Notes

We have recently been asked to clarify certain matters regarding our weekly competition, and, as some of the questions raised may be of general interest, it seems worthwhile to mention them here.

The Competition is run to comply with the provisions of The Small Lotteries and Gaming Act, 1956, which permits a maximum revenue of £750 for each Competition, and to secure this, our aim was to register 15,000 members, each paying one shilling weekly.

In order to provide each of the 15,000 members with three numbers, each representing a different team, 46 teams in all are used, and these 46 numbers provide, in all, 15,180 combinations.

This number may be calculated as follows:-

$$\begin{array}{r} 44 \times 45 \times 46 \quad 91080 \\ \hline 1 \times 2 \times 3 \quad 6 \\ \hline \end{array} = \frac{91080}{6} = 15180$$

It follows, therefore, that, even if we had issued tickets to the full limit, there would be, each week, 180 combinations not issued, which might possibly contain a prizewinner.

This season, we have reached a weekly sale of 13,120, so that the possibility of unissued winning tickets is even greater, especially where there are a large number of winning combinations.

This accounts for the information given occasionally that prizewinners have received larger amounts than they probably expected, owing to some winning tickets not having been issued.

Here, it should be noted that the Club does not benefit from this, as the total prize money remains fixed, as laid down by the rules of the Competition.

We hope that the foregoing may have answered some problems, and would say here how much we have admired the work put into the Competition since its inception by Messrs. F. N. Deane and T. W. Stenning. Their organisation has been first-class, but it has entailed extra work for them through giving the minimum amount of trouble to the agents and other workers. The Club, and Swindon Football generally are greatly indebted to them.

Holder's of Lucky Programmes on 11th March were: Nos. 299 and 3051—Not claimed.
