Club Notes

This afternoon we play our second home game in eight weeks. Since defeating Crystal Palace on 23rd December 1961, we have played only one other home match, namely Watford on the 20th January, 1962.

We certainly have been starved as regards Division 3 football. We only hope we can now continue in the normal routine.

The win at Hull on Saturday was most encouraging and very welcome. Two more points and no goals against, a great help to our league position.

The gate was most disappointing, and we received as our share the minimum amount allowed by the League, namely £100. The loss of income, during the past eight weeks, could cause many difficulties for the club. Our main source of revenue is, of course, first-team home games, normally once every two weeks. Therefore one game has to provide sufficient monies to pay all outgoings

for two weeks. A full review of the club's expenditure over the past six months has just been completed and the following table shows the average payments which must be paid each week, irrespective of any income.

	£	s.	d.
Salaries and Wages	503	5	9
Rent and Rates	87	4	0
Repairs	50	11	0
Mortgage Interest	14	9	0
Heating and Lighting	12	0	0
Insurance	9	0	0

A total of £676 9s. 9d., which must be provided each week throughout the year. If we add the following items during the playing season:

	£	s.	d.
Kit and Laundry	26	10	0
Travelling (Players, Scouts, etc.)	40	0	0
Match Expenses	86	7	0

we get an additional total of £152 17s. 0d., and a grand total of £829 6s. 9d. per week.

CLUB NOTES—continued

Many other payments have to be made in the year, but they are chiefly single payments, whereas the ones quoted above are weekly items. It is obvious therefore, that football does not pay for itself. Without the Supporters' Club weekly competition and other fund raising schemes, the present set-up could not continue.

With all this in mind we welcome the work of the Football League in formulating a new constitution.

Whether we agree with all or only some of the proposals, we realise that great efforts have been made to make football more attractive and maintain interest. The introduction of a full-scale League Cup Competition and the back-dating of the F.A. Cup Competition would undoubtedly help in that direction, and of course the "four up and four down" in all leagues. It will be interesting to see how the clubs with voting powers react to these suggestions.

OXFORD COMMITTEE FOR FAMINE RELIEF

Terrible hunger exists in East Africa. Every available penny is being sent to buy and distribute maize, palm oil, milk powder and other vital foodstuffs. Through the kindness of Swindon Town F.C., an appeal will be made on behalf of Oxfam, which supports organisations on the spot best able to deal with disasters when they arise through political upheavals, flood, famine, or earthquake, as in Agadir. In addition to supplying clothing, food and medicines, Oxfam aids short and long term projects enabling the hungry to fend for themselves.

Richard Dimpleby spoke of the small boy found crying at school. His distracted mother had spanked him because he had asked for BREAD and "it wasn't his day to eat." During the ten-minute interval more than 100 people will die painfully of hunger. But for the luck of the draw, a wife, child, parent or brother of yours might have been among them. PLEASE help us to save the lives of unfortunate people like these by giving generously.
