## **MANAGER'S NOTES**

Once again Port Vale have had no luck in the F.A. Cup Draw — away from home again — it's becoming monotonous — we seem to be fated to make progress the hard way. It will be our third visit to Bristol Rovers this season, having met them in the League Cup and then in the League, now in the F.A. Cup. Having lost and drawn there let's hope the third time is lucky and we bring off a win. Incidentally we have had notification from Bristol that tickets for our Cup Tie with Bristol Rovers are available on application to the Secretary, Bristol Rovers F.C., Eastville, Bristol. The prices are as follows :— North Stand—7/6, Children 4/- ; South Stand—6/6, Children 3/6.

To-day against Swindon Town we must stop the rot that has set in our League effort. Not a win from our last six matches and only three points out of a possible twelve is definitely not good enough. In some of the past few matches we have been perhaps unlucky in the respect that we have had most of the play and dropped points but in others, for instance the Brighton game at home, there has been no excuse, it was just bad play and lack of 100% effort. The time has come for an all-out effort because a few wins on the trot can still put us among the leaders and to-day's game must be the start of that ascension.

The injuries position has been causing a lot of concern but to-day I am pleased to say it has resolved itself somewhat in that we have both Arthur Longbottom and Stan Edwards on the field of play once more.

Every effort is being made to strengthen our playing staff and approaches have been made for players of the ability and personality we feel is necessary, but at the time of writing we have met with no success, this I can assure you has been very disappointing to us but we shall keep trying !

SWINDON TOWN came into being as a professional club in 1894. They were one of the original members of the Southern League and played a prominent part in that competition until the formation of the Third Division by the Football League.

The "Robins" have been members of the Third Division ever since and have had to seek re-election on three occasions. On the credit side they have been semi-finalists of the F.A. Sup in 1910 and 1912 ; and quarter finalists twice.

Swindon finished in fourth position in the Third Division South on four occasions, the last being in 1957 - 58 when they secured 57 points. 1958 - 59 found them in fifteenth position in the new Third Division with 45 points. The following season Swindon finished just below us on goal average. They secured 46 points, scoring 69 goals against 78.

In 1960 - 61 they fielded one of the youngest sides in league football. On occasions there were five 17-year-olds in the team, and the club got off to a promising start. Their hopes gradually faded however, between October and February, during which only one league game was won, but eventually the position eased and their final placing in the league table was the same as the previous season, i.e. 16th with 43 points.

## OUR VISITORS (continued)

Last season was a good one for the Club finished in ninth position with 49 points. Only a preponderance of drawn games, fifteen, prevented them from occupying a higher place — one of the drawn matches was at Vale Park where each side scored once.

The Club's best goal-scoring season was 1926 - 27 when they Scored 100 goals in 42 matches, and 47 of them were scored by D. Morris who was then top scorer in the Division.

The Club has provided several International players in its time, notably in latter years, N. Uprichard, who played for Ireland.

## PEN PICTURES OF PLAYERS

for Season 1962/63

### **MIKE TURNER — Goalkeeper**

Just demobbed from the R.A.F. he joined the Club whilst still in the Services from Dorchester Town. Took over in goal following the injury to O'Hara last season and is expected to make strong bids for the first team position this season.

### **TERRY WOLLEN — Right Back**

Another local boy who made his debut for the First Team when 16 years old. He played the majority of first team games during Season 1960 - 61 and last season.

### **JOHN TROLLOPE — Left Back**

A local boy who joined the Swindon ground staff from school. Was selected for the First Team at the beginning of the Season 1960 - 61, when he was 16 years old and was ever present during that season and last season.

### **KEITH MORGAN — Right Half**

A strong, attacking wing-half, who joined Swindon as a youth player from Westbury. Played in every first team game during 1960 - 61 and missed only three games last year through injury.

### **KEN McPHERSON — Centre Half**

Signed from Newport County in August, 1961, he is a player with a reputation for hard work. Originally a centre forward he has proved he has ability to take over in defence.

### **BOB WOODRUFFE — Wing Half**

Another local born player who came to the town direct from the Swindon Schoolboys' team. Has played at centre forward and inside forward in the senior side and his performances have made him a target for several transfer offers.

### **MIKE SUMMERBEE — Outside Right**

Born in Cheltenham, he is another product of the Swindon Youth policy. Formerly played at Centre Forward, but has now made the Outside Right berth his own. Another of the players wanted by several clubs.
