CLUB NOTES

Well, at last, the good news. Our first away victory of the season, and one probably quite unexpected by our supporters. Millwall is always a difficult side to defeat on its peculiarly tight, compact ground, The Den. It has never been a very happy hunting ground for Swindon; we generally manage to encounter fogs when we visit that area.

Although this was our first away win, we have been very near to it on several occasions, and our record on opponents' ground is quite a good one: Played 11, Won 1, Drawn 6, Lost 4, Goals scored 14, Against 19.

Incidentally, we have played eleven matches away and only eight at home. This makes our total of twenty-one points quite a good one. The Third Division is very close indeed. Swindon rank in seventh position, but five other clubs have the same number of points. The two points gained at Millwall were most valuable. Two defeats can send a team tumbling down the League table. Reading,

CLUB NOTES - continued

with three points less than Swindon, is eight places below us. It seems easier to move down than up.

Southend will prove worthy opponents today, as they are one place above us, having gained one more point from the same number of matches played. There is a difference, however, insomuch as they have played ten games at home and nine away, but beware! — they have won four of those nine played on opponents' grounds and scored 15 goals.

Supporters will remember many stirring games with Southend, especially when John Richards was a member of the team. He always played well against them and generally figured in the list of scorers. In 1950 Swindon won there in the First Round of the Cup by three goals to nil. The game was played on the Wednesday as fog caused the match to be postponed on the previous Saturday. Jimmy Bain and Roy Onslow were the scorers.

Does this augur well for our cup-tie at Yeovil? Many of our supporters will no doubt be disappointed if they are unable to obtain a ticket, but we have only a limited number.

Referring back to this afternoon's game. Southend is now managed by Mr. Fenton, many years at West Ham, and one director is that outstanding cricket personality, Mr. Trevor Bailey.

CUP TIE TICKETS

The game at Yeovil is an all-ticket match with a maximum of 15,000. We receive one-quarter of all the tickets printed, and by the time you read this, probably most of our allocation will have been sold. If you were unlucky, we sympathise with you, but ask you to realise that inevitably a lot of our supporters who would like to watch the Cup match will be unable to obtain tickets. We believe that the arrangements made for distribution were the best possible under the circumstances.

Season ticket holders, who are guaranteed a ticket for the Yeovil game, are reminded that they must claim them today, otherwise they will be disposed of to other applicants. When claiming the ticket, Season ticket holders will be asked to produce their Season tickets.

An allocation of Ground Tickets for the Cup game has been reserved for shareholders. These will be issued on a one ticket per person basis, so long as the allocation lasts. These must also be claimed today at the Club Office.

SUPPORTERS' CLUB NOTES

Southend United F.C. ranks among our oldest friends and most regular visitors to the County Ground. If memory serves aright, Swindon and Southend are the only clubs with unbroken membership of Division III of the Football League, since its formation in 1920, out of the old Southern League.

At the time of writing, Southend United appears to be the only club in the Football League not to have drawn a match this season. This seems rather an unusual playing record at this stage of the season.

Owing to increases in the duties of Committee Members, and particularly in connection with the growing sales of programmes, it was decided at a recent meeting to endeavour to find some suitable young people to assist with our work.

Any youthful supporters, of at least sixteen years of age, who might be interested in helping us, are invited to write to our Honorary Secretary, at 33 Collett Avenue, Swindon, or to get in touch with him at our Headquarters, before any match.

It is hoped that, by this means, we shall be able to find six young people to work with us regularly. The intention is to co-opt them as auxiliary members of the Committee, and then, should they so desire, to give them the opportunity to become full members, as and when vacancies arise.

At the same meeting it was reported that the Loyal Order of Moose sought an opportunity to take a match collection in connection with the Appeal for funds for the Old People's Christmas Party, and this will be done on 1st December, when Notts County visit Swindon.

SUPPORTERS' CLUB NOTES - continued

Our Honorary Secretary confessed, last Saturday, that he had never yet seen the Town win an away match. One wonders if the Directors of Swindon will make him a better offer to stay at home than he is likely to receive from Yeovil to travel!

The latest appeal in this Programme for Membership renewals was quite productive, and we are therefore repeating the publication of the form, for any who may still desire to join. This should reach our Membership Secretary not later than Thursday, 22nd November. In the event of the Town still being interested in the F.A. Cup after the Second Round, supporters whose names are on our books on the date mentioned will qualify for a ticket at any "All Ticket" Match at the County Ground.

To: The Hon. Membership Secretary,
Swindon Town F.C. Supporters' Club,
91 Kingshill Road,
Swindon.

Please enrol me as a member of the Club for season 1962/63. I enclose sixpence membership fee (*with 1/3 in addition for Badge).
