CLUB NOTES

Another hard-earned and well-won "away" point, unfortunately at the expense of another injury, and that again a pulled muscle. Great is the pity that at this period in the season we have incurred two muscle injuries—first Arnold Darcy, and now Owen Dawson.

Up to recently, the team has been remarkably free from injuries, due no doubt to the youthful age of most members, and the rigorous training. Strange that both injuries occurred in the early stages of the game.

The draw at Southend makes a total of eleven away draws, with three wins. Quite an excellent record, with the goals for numbering twenty-three, and those against twenty-eight. Undoubtedly, our form away from home this season has been really outstanding.

CLUB NOTES - continued

With the season extended until almost the end of May, many clubs are deeply concerned about payment, and retention of players. All clubs are also very busy endeavouring to complete fixtures, not only those of the first team, but also the reserve and third teams. We in Swindon are rather more fortunate than most clubs, but even after today's game, we have nine more senior games, six Combination matches and six third team fixtures. At least another twenty-one teams to be fielded, apart from any extra friendly matches. Obviously, in view of the first figure, the latter games must be strictly limited.

Today's gate promises to be very large. Need we remind supporters of the game last Good Friday, and effect the result had on the gate the following day? We hope and trust we shall not repeat the performance.

Our opponents today are enjoying a very good season. Last year they finished in fourth position and, at present, occupy second place. Obviously, a hard game is expected.

SUPPORTERS' CLUB NOTES

Supporters will have been pleased to read that Terry Wollen is now making satisfactory progress following his serious injury. We all trust that he will make a complete recovery.

He has received many messages from his well-wishers—too many for him to be able to reply to them individually—and has therefore requested us, on his behalf, to say how much he has appreciated them.

The collection today will be devoted to the Toc H Fund for meeting the expenditure of relaying commentaries on the matches at the County Ground to local hospitals and homes. These are very much appreciated by those supporters who are unfortunate enough to have to miss matches, through spells in hospitals, and we are confident that the appeal will meet with its usual generous response.

It has been possible to extend the scheme occasionally recently, so that commentaries have been received on "away" matches, and also to relay commentaries on home matches to hospitals in the towns of the visiting teams.

We also give preliminary notice that subject to the requisite permissions being forthcoming, the collection at the Bourne-mouth match on 27th April will be given to the Swindon Schools' Football Association which has suffered severe financial losses this season, owing to the weather.

Swindon Town F.C. has much for which to thank the Schools' Association, and many Supporters have suggested to our Committee that something should be done to give assistance. We should make it clear that no approach has been made to us by the Association. We shall issue further reminders later.

SUPPORTERS' CLUB NOTES - continued

We give preliminary notice also that another Dance will be held at Messrs. McIlroys, on 31st May, from 8 p.m. to 1 a.m. Admission 5/-. The bands engaged are Harry Smith's and "The Dukes".

It might be that this will be a Celebration Event, and tickets should be obtained early from our Social Secretaries, Mr. and Mrs. W. Ranger, at our Headquarters or at 52 Medgbury Road, Swindon.

During the course of the evening a further cheque from our competition profits will be presented to the Directors of the Football Club.

A minor donation of £410 has just been made to the Flood-lighting Fund, representing the balance of the profits from the Summer Competition of 1962.

There will be no weekly Summer Competition this year, as our Competition Secretaries have now been working without any respite since August, 1961.

It has, however, been decided to run a Derby Draw, and tickets will soon be available.

The writer made the trip to Southend last Saturday. Although the successes there in recent seasons could not be repeated, it must be emphasised that, following Owen Dawson's injury so early, the team performed most heroically to gain a point, and were reduced to ten players, virtually for the whole of the game. Where all played so heroically it is probably invidious to mention anyone in particular, yet one feels impelled to refer to the magnificent saves by M. Turner (who himself had to receive the trainer's attention twice) and to M. Summerbee, who proved a very capable emergency full back.

Southend supporters gave their team terrific vocal encouragement, and feel even now that they have a chance of promotion.

More news tomorrow.
