CLUB NOTES

Taking Wednesday's game first, the result 0—0 was all that could be desired. It was a splendid match, thrilling from first to last, fast moving from end to end. Again the team received the plaudits of the Manchester City crowd and deserved to share the points. With luck we could have won, but we are still the only unbeaten team in Division II.

Swindon travelled north on Friday with high hopes for the game at Leeds United. This is one of the outstanding clubs in the north, and has a magnificent ground and organisation, including a splendid office block. An ex-manager of our club, Maurice Lindley, is on the coaching staff. Since the appointment of Mr. Revie as manager, Leeds have shown great improvement, and ended last season on a high note. They began this year where they left off.

The clash with our young team and its record was eagerly anticipated, as shown by the attendance (33,000), their highest gate since leaving Division I. It proves Swindon are rapidly becoming a great attraction away from home. What a boost for our lads, as no doubt most of our supporters know they earn a bonus based on attendance figures, and the best of luck to them.

Despite some reports in the National Press and the result (0—0), the game was most interesting, and Swindon brought

much praise from some of the critics. Leeds, no doubt, enjoyed a greater share of the game; they missed many chances of scoring (these must be accepted if games are to be won), and our defence played exceptionally well. After all, that is why they are there — that is their job. While it is wrong to single out players, especially as our team is so well balanced, mention must be made of Mike Turner (goalkeeper) and Ken Macpherson (the quiet iron man).

We prefer generally to give our own opinion on matches, but we feel we must quote from a national paper on this occasion:

“Swindon, with the strain of the 100% record to maintain, played as though they had decided this was a good time to get rid of the tag while remaining unbeaten.

They concentrated on defence without reducing it to a shambles of hurly burly. In fact, the smooth and always scrupulously clean way these youngsters play their football should be a **model for every team in the country**”.

That, surely is the best any critic could say of a team newly promoted to a higher league.

As usual, a number of other clubs were present at the game, but most managers and scouts realise by now that as far as Swindon is concerned their mission is really a “wild goose chase”.

Today we have the honour of entertaining one of the greatest clubs in football — Sunderland, with its great tradition. What a flood of memories that name conjures up in the minds of all true followers of the game!

The writer of these notes can just remember when Swindon visited Sunderland in the F.A. Challenge Cup prior to the 1914-18 war. We think the score was 3—1 for the home team,

CLUB NOTES—CONTINUED

but we can recall going to the cinema (silent films in those days), and seeing a flash of the game, and, if our memory is correct, Billy Tout scoring from a penalty kick.

We certainly had a penalty ace in those days. I wonder what comment he would make on our present taker of such kicks.

The gate today will be very large, and we do appeal to everyone to pack as closely as possible to enable everyone to see the game. At the Manchester match a number of would-be spectators were locked out, although there were distinct pockets where there was ample room. Please help by doing your share and let us make use of all available space.

Again we appeal to those who occupy the seats around the ground. Please do not move from your seats at any time during the game, and, above all, wait until the final whistle blows. Any movement not only interferes with the view of spectators, but also affects the players.

We **must not** on any occasion have a repetition of what happened against Manchester City, when spectators ran on to the pitch during the game. This can lead to:

(a) abandonment of the game; (b) closure of the ground.

We have had a great write-up regarding the team; let us now have a comment on the behaviour of the crowd.

Finally, **do not** cross the playing pitch at the end of the game.

After the Manchester game you were excellent. Please can we continue in the same way each game? Thank you!

We are indebted to our supporters at the Devizes and District Conservative Club who offered to donate the ball for our match today. We know we have many friends in that district, and we are grateful for this kind gesture. Thank you, gentlemen!

OUR VISITORS

It is with real pleasure we welcome our visitors from the north-east for our game today. The proud name of Sunderland has long been in the forefront of English football and we are proud to receive them as our visitors today for what we believe is the Club's first visit to the County Ground.

We give the following pen pictures of the Sunderland players from whom today's team will be selected.

JOHNNY CROSSAN (Inside Left)

5' 8". 11 st. 5 lbs. Has settled in nicely to English Football after 4 years Continental experience. Northern Ireland International with a very promising future in football.

GEORGE MULHALL (Outside Left)

5' 8". 11 st. 7 lbs. Played for Aberdeen for 9 seasons and played for the Scottish League in 1956 after only 30 first team appearances spread over 5 seasons. Since then he has played twice for the Scottish League and gained a full Cap against Ireland.

MONTGOMERY, J. (Goalkeeper)

5' 11". 11 st. 2 lbs. A local boy who is a Youth International. Brilliant display on getting into the first team late last season.

NELSON, C. (Right Back)

5' 9". 11 st. 10 lbs. A local player who joined the club after asking for a trial. Quick in recovery with a sound temperament. He is a most reliable defender.

ASHURST, L. (Left Back)

5' 9". 11 st. 4 lbs. Under 23 International. This Liverpool-born player has a reputation for sound, determined play.

IRWIN, C. (Right Back)

6' 1". 13 st. 10 lbs. The youngest player ever to play for Sunderland in the 1st team. A Youth International making a great name for himself in the game.

ANDERSON, S. (Right Half)

5' 9". 11 st. 12 lbs. An Under 23 International and reserve on many occasions for the full England XI and now a full International who was in the England Party that went to South America in the World Cup Tournament.

OUR VISITORS—CONTINUED

HURLEY, C. (Centre Half)

6' 1". 13 st. 10 lbs. This Eire-born International has been the envy of many clubs. Dominating in the air, very clever on the ground, now hitting his best form.

McNAB, J. (Left Half)

5' 9". 11 st. 7 lbs. A product of the Youth team, this young Scot, noted for his terrier-like tackling, should go far in the game.

HERD, G. (Inside Right)

5' 8". 11 st. 2 lbs. This clever, brainy Scottish International really is a treat to watch. Fast, clever, he is yet a terrific worker.

CLOUGH, B. (Centre Forward)

5' 10". 11 st. 12 lbs. The ex-Middlesbrough player has settled down wonderfully well at Roker Park, and has already hit his best form without reaching the heights to which he is capable. A hard hitter of a ball and an excellent distributor.

FOGARTY, A. (Inside Left)

5' 7". 11 st. A big heart with a small frame. A tremendous worker and another Eire International.

HARVEY, M. (Right Half)

5' 9". 11 st. 12 lbs. A clever footballer who has already played for Ireland.

McPHEAT, W. (Inside Left)

6'. 13 st. Started on the ground staff. From Caldercruix in Scotland.

CLARKE, N. (Outside Left)

5' 11". 11 st. 4 lbs. Bought from Ballymena last season for a very small fee. This 19 year old Irish international has skill to take him a long way in the game. Made a very creditable debut in the local Derby game v. Middlesbrough at the beginning of this season.

ROOKS, R. (Centre Half)

5' 11". 13 st. 4 lbs. Graduated from the Sunderland Junior Teams. A very capable deputy for Hurley, strong and reliable. A local boy.

DAVISON, J. (Outside Right)

5' 11". 11 st. 8 lbs. An ex-Sunderland Schoolboy and County player who has been with the Club since leaving school; has recently turned full-time professional. Big, fast and a magnificent crosser of a ball. He should go far in the game.

SUPPORTERS' CLUB NOTES

Today we are privileged to entertain one of the most famous clubs in the country — in other days known as “the team of all the talents”. Probably the distance involved will prevent many of Sunderland's supporters from travelling, but we look forward to meeting any who may be able to make the journey.

Judging from interviews reported recently in a well-known daily paper, it seems likely that our visitors will be supported by a number of “North-Easterners” already living in Swindon, and these gentlemen have, no doubt, been surprised at the good start made by the Town in the Second Division, whatever may happen today.

We would remind our supporters that today's collection is to be devoted to Keith Morgan's Benefit Fund. The skipper deserves a bumper return, and we have no doubt that all will respond with the generosity which is always shown on these occasions.

The collection at the Manchester City match produced a sum of over £150 for Bob Woodruff's Benefit Fund.

Our supporters were in a very happy frame of mind when that half-time collection was taken. May it be so again today!

We are writing these notes on the eve of our Annual General Meeting, and shall include a report of the proceedings in the next programme.

It is unusual for this meeting to be attended by many of our members apart from the Committee.

This, in many ways, is to be regretted, for there are, no doubt, many of our members who would be able to provide fresh ideas and enthusiasm for our work.

We need hardly say that we shall welcome any who, during the season, may wish to come forward to help.

SUPPORTERS' CLUB NOTES—CONTINUED

By this time many will have seen the posters advertising the Supporters' Club Gala Performance of Bertram Mills' Circus on Monday, 30th September, at 7.45 p.m.

As previously announced, we have booked the whole of the seating accommodation in the "Big Top" for this performance, at which we shall welcome, as guests, deprived and handicapped children from Homes, Orphanages and similar Institutions in the neighbourhood.

Tickets for the remainder of the seating accommodation may be obtained from Competition Agents, Committee members or from our Social Secretaries, Mr. and Mrs. W. Ranger, of 52 Medbury Road, Swindon.

The prices at this special performance will be somewhat lower than normal. As we have previously mentioned, we have undertaken this venture to provide a memorable social occasion, and not with the primary object of making a profit.

At the same time, we hope not to sustain a loss, and hope therefore that the effort will be well supported.

As an additional attraction, a draw has been organised and it is hoped that Coco the clown will conduct the proceedings to dispose of the prizes.

We are informed that a similar performance of the Circus, organised by Norwich City Supporters' Club, proved very popular there. We trust that the Robins will emulate the example set by the Canaries.

One final reminder to those who have not yet renewed membership for the season — do not delay. We are anxious to be able to report a record number of members this season.
