CLUB NOTES

Quite a disastrous start to the new season — very different from last year, when we began with a fantastic burst of glory. Such is football: one week (or one season) right on the crest of the wave, the next down in the depths.

However, let us not be despondent. The season has only just begun, and at the time these notes are being produced we have only lost the first game, and that in unfortunate circumstances. No doubt such misfortunes will spur the lads to greater efforts. After all, a slow beginning could produce a grand finale, rather than a disappointing falling away.

Regarding the game at Bury, Swindon made a wonderful opening for an excellent goal in the first minute. The Swindon supporters (yes, there were quite a few, even so far north) were overjoyed. We were well on top, playing good football and seemed set for a great game. Everything changed so quickly in the space of a few minutes. An equalizing goal, our goalkeeper injured, and the team reduced to ten men.

TWO MINUTES FROM GROUND

Thus from being right on top, we slumped almost to rock bottom. The effect on the team was very obvious. For a little while the incidents seemed to take all the fight out of the lads. Before they could recover their breath (so to speak), Bury had taken every advantage of the position and scored three more quick goals. The interval was used to work out some form of plan, and to restore confidence to the team. In the second half our lads quite held their own, and were very unfortunate to concede two more goals (especially as one was an own goal).

As we said earlier, such is football and the luck of the game. In the past such happenings have often been in our favour.

The match does, however, raise once again the question of substitutes. On this occasion it was the goalkeeper (a key position), one which more than any other demands an expert. Whilst generally we are not in favour of substitution, we do feel that in the case of the goalkeeper the rule could be altered for a replacement up to half-time, but only in the case of serious injury.

The game at Bury was, in the main, completely spoiled from the spectators' point of view. In the first half, one team was very much on top, and in the second half it was merely defensive tactics to help to keep down the score. Obviously, not a very entertaining match to watch.

The Reserve game at the County Ground was rather disappointing, but we trust supporters will bear with us. The Combination is the training ground for our young players. To enable them to develop, they must play against better opposition than themselves. We feel there is much potential in the Reserve team which must be brought out. With the exception of one player — centre-half T. Hallett — all our lads were under twenty years of age, several being barely eighteen. We

CLUB NOTES—continued

sincerely hope they will improve as the season progresses, and this can only be brought about by playing in good class football.

A word about the programme. Thank you very much for purchasing your copy. We trust all who required one was able to obtain a programme. At this time of the season it is very difficult indeed to assess the number required. We hope no-one is disappointed, and please remember to always make your purchase from the "official seller" in the white mackintosh.

We want to add a tribute once again to our very good friends, the St. John Ambulance Brigade. A large number of men and women give up so much of their time to help the community — a most commendable object. We wonder how many of us fully appreciate this wonderful voluntary service, given at all times and on so many occasions. We are indeed grateful for the tremendous help and kindness rendered by these people to our spectators. At this period of the season they are usually kept very busy, and see little or nothing of the game. Please assist them in every way possible — not just demand perfect attention.

Can we once again draw your attention to International Football Pools, in which Swindon has considerable interest. It is run purely to help sport in general, and we hope by the end of the season it will have become well established and show a profit to be divided among the sporting organisations sponsoring this Pool.

We hope any money thus obtained will help towards improving facilities for spectators. Unfortunately, money obtained from various competitions, etc., has had to be used for the running of the Club, and with the wage structure it seems to be more than ever necessary. We can only look forward to the day when the actual football will be able to support itself.

SUPPORTERS' CLUB NOTES

The late Mr. W. Ayres had been a very regular supporter of the Town F.C. for many years, and also assisted the Club in a very practical way, for he was a loyal and enthusiastic worker in our various undertakings. It is very difficult to replace people of his calibre.

We extend our very sincere sympathy to the members of his family, whose loss is so much greater even than ours.

Those of us who attended the Combination match with Leyton Orient suffered severe shocks as the periodical announcements from Bury were made, but, in view of the extenuating circumstances of which we were informed, we can only commiserate with the team in meeting with such misfortune in the opening match and we trust that Norman Oakley will make a good recovery from his injury.

Those who attended the match with Crystal Palace must have been well pleased with the performance of his successor, T. Hicks, of whom all supporters have formed high opinions following his work in Combination and Youth matches.

The Leyton Orient Combination match was marred for many spectators (apart from the disappointing display by the team) by the irresponsible conduct of a spectator, who spent much of the time inside the fence, moving around behind the goalkeepers. It was surprising that the referee did not complain, but it is to be hoped that he will not be permitted to act similarly again.

Many of our members are now renewing their membership, and we cordially invite all to do so, without delay, and ask other supporters if they would care to take the plunge and join our Club.

SUPPORTERS' CLUB NOTES—continued

For several seasons, the annual fee has been a modest sum of sixpence, but it has now been decided to revert to the former fee of one shilling, common to many Supporters' Clubs, although it is higher in some places.

The membership badges, which are attractive to younger members, may be obtained for 1/6.

Enrolments may be made at our Office before any match, when possibly some may be interested in various articles which we have for sale — car streamers, etc.

In reply to a number of enquiries, the Handbook is in course of preparation, and announcements will be made when it is available.

The Annual General Meeting of this Club will be held on Monday, 7th September, the time and place to be announced in the local Press.

We hope that there will be a good attendance, particularly in view of the very ambitious project to which we referred in our previous notes. It may very well be found later to be desirable that the constitution of the Club should be changed to provide for new undertakings, and certainly more workers and people with experience in running a variety of social activities will be welcomed by the Committee.

As we go to Press we learn that Mr. W. J. Mitchell, Chairman of the Club for a number of seasons, does not intend to seek re-election.

He has worked wholeheartedly and enthusiastically during his period of office, and we trust still to have the benefit of his services and experience as a member of the Committee.
