**OUR VISITORS**

The Swindon Club is very proud of their long and glorious history culminating in promotion to Division II of the Football League last year. For a long period they competed in Division III always hoping for success and when it came proved what patience and youth building can accomplish in time. Ably managed by Mr. Bert Head they have developed several young players who are arousing more than average interest of several League Clubs. Keeping such prominent players is always a problem especially with the glamour of the more fashionable and successful clubs very much in the limelight.

We still remember our defeats at home and at Swindon last season and every effort will certainly be made today to even up at least one score. However, there is no doubt but what a good game is assured and we wish Ron Tindall a successful home debut – he will appreciate your support.

### **SPOTLIGHT ON THE STARS**

#### **BRIAN DOUGLAS** (Blackburn Rovers)

General inspiration of the attack. A wonderful ball player, with a flair for an opening which gets him among the goals regularly. Was England's first choice for Outside-right for several seasons. He went to Chile and played in all the World Cup games. Started as an Inside-left and now back in the position he has revitalized for the Blackburn attack. Strong and high jumper despite his lack of inches, is a real entertainer and one of the best in the game. Many sports writers tip him for yet another spell in England's attack this season.

## TRESPASSERS

From time to time appeals have been made to spectators – especially boys – *NOT* to encroach on the playing field. Apart from the undignified spectacle it produces, there is always the possibility of a hot headed spectator becoming involved in an ungentlemanly incident with one of the officials or a player.

Once again we make an urgent appeal for your help in this matter and thus avoid unnecessary trouble and police action.
