CLUB NOTES

Exactly one month has elapsed since our last home game and programme. To many of us it seems like beginning a new season or, shall we say, a new era.

The three away games in succession came at a most unfortunate time for the Club. However, we approach the last quarter of the season with a quiet confidence. Of the twelve remaining games, six are at home and six away, and what attractive matches we hope they will prove to be against teams whose names and traditions stand high in the football world.

We begin with today's visitors, Coventry City—the "Sky-Blues", as they are known by all over England — and their wonderful following. Large numbers of their supporters will, no doubt, be present at today's game. We welcome them most sincerely, and hope all present will witness an enjoyable game. It is sure to be keen and very fast.

Our next home game, a fortnight today, is against Northampton Town, at present very much in the running for pro-

motion. On the 20th March we entertain Plymouth Argyle, real old friends and rivals. On the 3rd April, Middlesbrough visit the County Ground, to be followed a fortnight later during the Easter Holiday by Rotherham United on Good Friday, and Preston North End on Easter Saturday.

Undoubtedly, a most attractive list of fixtures with which to end the season.

On Monday, representatives of Swindon Town F.C. attended a meeting of clubs in Division II to discuss the proposed new pattern of football as suggested by the League Management Committee. Whilst the Press were not admitted, and no official statement was issued, we think we are quite in order in saying that our club voted in favour of the new pattern. We tried to look at the proposal from the point of view of the good of football in general. We feel the reorganisation of the leagues with four up and four down would create much greater interest amongst the public.

The meeting was extremely well attended, and much progress was made, as many ideas and proposals were aired and discussed: defensive football, extension of the season, summer football, the Football League Cup, referees' markings, the maximum wage, and several other important items.

A very worthwhile gathering of the clubs' representatives.

The Club Development Fund Competition continues to make good progress, and it is pleasing to see the prizes being

shared among a larger number of people. Week Number 16 produced 15 "full houses", and there are, of course, 10 lucky number prizes of £10 each. Next week a special star prize will be given in addition to the usual ones. This will be a holiday abroad for two persons, worth somewhere in the region of fifty pounds.

Apart from the hope of winning a prize, the perusal numbers in the Press creates quite an interest. Certainly "Bingo" is with us at the moment.

At the time of writing we do not know the result of Swindon Boys match at Leicester. We hope it will be favourable, and we could at least see a replay on the County Ground. They have indeed progressed splendidly to be one of the last eight teams in the whole country, after what was thought by many to be an indifferent start. The advancement to the quarter-final has not been easy, as several rounds resulted in replays, and one, that against Slough, needed a second replay.

A great tribute to the hard work of the body of teachers who spend so much time on schoolboy football.

In a previous programme we referred to the World Cup, due to be played in 1966. The facts given aroused great interest, and we promised further details regarding venues, and purchase of tickets. So far such information has not been forthcoming, but complete coverage will be given at a later date.

SUPPORTERS' CLUB NOTES

We can now give further details regarding our Annual Dinner and Dance, to which we made passing reference in previous notes.

It will be held at Messrs. McIlroys' Ballroom on Wednesday, 31st March, from 7 p.m. to 1 a.m.

Tickets for Dinner and Dance will be 19/6d. and for the Dance only (to commence at approximately 9 p.m.) 4/6d. These will shortly be available from our Social Secretaries, Mr. and Mrs. W. P. Ranger, of 52 Medgbury Road, or from members of the committee.

Ken Exton and his Orchestra have been engaged for the evening, and we hope for a good attendance of members.

Mr. and Mrs. Ranger have arranged a coach for members wishing to travel to the match with Cardiff City on 27th February. The evening will be spent at the Social Club of the Maesteg Branch of the Cardiff City Supporters' Club.

The coach fare will be 15/- and an evening meal is being arranged at 5/-.

There are still a few vacant seats at the time of writing, and any supporters who may be interested are invited to get in touch with Mr. and Mrs. Ranger at our Headquarters after today's match. Early application is advisable. No doubt members of our Club will be pleased to meet the members of another club socially. These opportunities do not often arise, although many more clubs are now developing their social activities on a greater scale than in the past.

SUPPORTERS' CLUB NOTES—continued

We have also mentioned that our Committee are considering the possibility of participating in the Swindon Football Sunday League. Trials have been held, and the next will be at the Shrivenham Road Ground on Sunday, 7th March, at 10.30 a.m. Any young members of the Club who may be interested are invited to attend.

All who have the well-being of the Football Club at heart will be feeling more and more despondent with the probability of the return to the Third Division looming darkly ahead.

Letters to the Press do not cut much ice, as all contain different solutions to remedy the decline, although most writers are unanimous in their opinions of the cause of it.

The writer who said that possibly the Club was fortunate to have obtained promotion in the first place was probably more accurate than anyone, but one feels that had it been possible to have kept the promotion team together, with suitable strengthening of reserve talent, there would have been every chance of maintaining a respectable position in the Second Division, with, in addition, the provision of the type of entertainment which spectators so much desire.

We have heard the view expressed that a number of the players, in spite of their youth, have now seen the best of their days, having regard to the early ages at which they were introduced into the team, and the lengths of their playing careers already. If this is so, all supporters will be pleased if some means of rejuvenation may be found!

All supporters will wish the players the best of luck in their efforts, although it must be admitted that the fate of the Club now depends largely on possible failures of other teams.

Whilst in the Forces he made over 30 appearances for the British Army XI at left back and was a member of their successful Touring Party of the Far East in 1962. Dear Sir,

In view of the very high number of corner kicks which the "Town" have been awarded lately, the result of which have been stalemate, would it not be a good idea if they tried out a few variations on the normal type. Many First Division sides use the quick, short pass type which two players move quickly on to and open up the defence, also the long corner kick, which is met by the winger on the opposite side of the goalmouth. This, of course, depends on the player chosen for this purpose positioning himself clear of the crowded goalmouth. Trusting these two ideas might help to break up the succession of matches in which much good play has been wasted for the want of a winning goal.

Yours sincerely,

E. C. BAYLISS.
