SERIAL No. 6

Voice of Watford

This afternoon we extend a cordial welcome to our friends from Wiltshire. In recent seasons Swindon F.C. has had a most exciting record including, of course, promotion to Division 2 under the management of Mr. Bert Head. They managed to remain with that company for a couple of years but today are again in Division 3 trying once more to find their way back. Under the management of Danny Williams, formerly with Rotherham, they are doing very well.

Swindon have played only three home games and drawn all three. Away from home they have won three out of six matches and taken a point from one other. Neither team today will willingly concede victory to the other as both are lying very handy to challenge the leaders. Immediately following their League Cup game with Darlington, Danny Williams signed that club's Jimmy Lawton to strengthen his forward line. We must certainly treat today's opponents with respect.

We had no previous opportunity to comment upon our performance against Rotherham but all reports gave our boys full marks for a hard-fought game. We realised this would be a tough proposition, for Rotherham are a good side this season, but had some of our scoring chances been taken we might have surprised everyone. However, most supporters will breathe a sigh of relief that we are out of it because we have too many injuries at present to indulge in giant-killing acts. Mind you this sentiment will not apply to the F.A. Cup which we shall stay in for as long as possible—although we really do not expect Wembley and promotion.

After last Saturday's win against Oldham we found ourselves up with the leaders. Big Cliff was much more like his old self and really made this result look easier than in fact it was. When a club has not scored a goal away from home there exists an air of urgency which can upset form. We saw enough of Stuart Brace to appreciate that when he settles down with the rest of the team he may well become Ken Furphy's answer in this position.

Ken Furphy was in good form at the Top Rank this week when he nailed the lie about one player asking for a transfer, reported in one Sunday paper. This brought comfort to his audience even though the lad concerned has pushed Ken out of his full-back position in the team! Ken also took the opportunity of stating publicly that he fully intends to stay with Watford and fulfil his contract. He believes there is a greater challenge for him here than with clubs who can cover mistakes by digging deeper into the purse. He knows we have no purse! As we said last week he could not work harder than he is doing at the present time.

The Chairman, Jim Bonser, had given a party to all Watford pools and bingo agents to thank them for the continuing good work they are doing week by week. A every happy occasion this was!

Let us carry on this good work today by cheering the Hornets on to victory. COME ON WATFORD!

MAN IN THE MIDDLE

Referee 20 years. Graduated through the local leagues, the Yorkshire League and the Football League. Now a member of the F.I.F.A. panel of referees.

Officiated in many F.A. cup ties including the semi-final tie between Nottingham Forest and Aston Villa. In charge of The Charity Cup Final, Everton v Manchester United; Football League Cup Final, Birmingham v West Bromwich; and F.A. Youth Cup Final, Chelsea v Preston.

WATFORD FOOTBALL SOCIAL CLUB

The Watford Football Social Club is beginning to take shape. All supporters will be delighted to hear that the much-needed new social set-up is well under way. An opportunity at last for you, the public, to take a real interest in the Football Club, other than just watching the game on Saturday afternoons.

At a meeting held recently committees were formed to promote social activities, incorporating indoor event competitions and a new face-lift for away travel facilities.

You will have read of Mr. Leon Blewitt's appointment as General Manager and although at the moment some slight difficulty, which will shortly be overcome, is delaying the opening of the social quarters, our away travel committee is raring to offer you their services. The following persons will give you information and help at any time: Messrs. Bill Gough, Doug Miles and Mike Slade ably assisted by Miss Diane Cartwright who is already well known by our younger followers for her efforts in organising coaches to all away matches.

We are not out to show a profit from these ventures, but just to make a real effort to give our players the support they deserve. Let's get back to the days when it was not uncommon to see at least a dozen coaches of our supporters at our opponents' grounds.

The local Press and this programme will keep you up-to-date with all future events.

The new social committee is full of enthusiasm for this new scheme and we are confident that when we are fully operational you will assist us by patronising all of our efforts. You will then be surprised at the enjoyment that you and your family will obtain by forging a closer link with the Football Club.

A temporary office has been set up in the extension to the Pools Office, which can be found at the back of the Pools Office in the ground, near the Vicarage Road entrance. A poster will assist in recognising it. Call in and meet members of the new committees there, either before or after the match.

R. SHADBOLT,
Hon. Secretary.

SWINDON TOWN

John Trollope, left back. Born Swindon. A local boy who joined the Swindon ground staff from school. Was selected for the first team at the beginning of the season 1960/61 when he was 16 years old, and was ever present during that season and season 1961/62. Maximum appearances in the league side during 1962/63/64/65.

Gordon Atherton, wing half. Born Horwich. Signed from Bury for a substantial fee December 1964. He is a strong relentless half back.

Keith Morgan, right half. Born Trowbridge. A strong attacking wing half, who joined Swindon as a youth player from Westbury. Made maximum appearances during 1962/63/64.

Roger Smart, wing half. Born Swindon. Another local-born player who joined the Club direct from the Swindon Schoolboys' team. At 17 he made the centre-forward berth in the reserve team his own, later converted to a wing half.

Owen Dawson, full back. Born Hatfield. Signed from Portsmouth, June 1962. Was a former Youth International.

Wilfred Shergold, forward. Born Swindon. Another product of the Swindon youth policy. He is fast and can play in almost any position in the forward line.

Donald Rogers, forward. Born Paulton. A much-sought-after player. An England youth player who it seems is destined for further honours.

Joe Butler. A recent signing from Newcastle United. Small but tenacious. Following two appearances in the reserves, has established himself in first team.

Keith East, inside forward. Born Southampton. Signed from Portsmouth in the close season 1964. A strong, forceful player. He scored 20 goals in 26 games for the Club's reserve team which gained promotion to Division 1 of the Football Combination last season.

Dennis Brown, inside forward. Born Reading. Joined the Club from Chelsea for a very substantial fee in November, 1964. A fast raiding inside forward, he made several appearances at centre forward last season.

Ken Skeen, inside forward. Born Cheltenham. He played originally as an amateur with the Club but subsequently joined Trowbridge Town and re-joined Swindon as a professional in September, 1964.

Peter Downsbrough, goalkeeper. Signed at the commencement of the season from Halifax Town where he was a product of local football. A fearless, agile player who has done much to strengthen the Town's defence.

Mel Nurse, centre half. A recent signing from Middlesbrough. He needs little introduction to football followers. A strong, forceful player. He has many Welsh International caps to his credit. His ability and experience has done much to strengthen the Town's defence.

Jimmy Lawton. When Swindon met Darlington in the Football League Cup last week, Lawton was one of the outstanding players in the Darlington team, scoring one of the goals which beat Swindon. As a result of his play Manager Danny Williams signed him the following day and he makes his second appearance for the team.

SUPPORTERS' VIEWPOINT

53 Park Lane,
Harefield,
Middx.

Dear Sir,

During the several years of giving my support to Watford F.C. I still have one little "grouse."

We now have what can be classed as a really good programme for 6d. It gives us up-to-date details of all matches played, etc., but one thing baffles me. Why have a half-time indicator, when half the time one cannot see the correct score for lack of a few nails or screws to hold the numbers in place?

Yours, etc.,
W. Crook.

Thank you Mr. Crook for your letter.

This matter is in the hands of our advertising agents, who will be replacing the boards.

We do know that younger supporters remove these numbers and we request them to stop doing so.

POOLS AND DEVELOPMENT COMPETITIONS

Tickets in the above competitions up to the week beginning December 20, will be eligible to take part in a Free Draw for four Honda mopeds.

This is entirely a **FREE DRAW** and the money prizes will be paid as usual. All tickets bearing code letters AA—MM and NN—ZZ will qualify.

The more tickets you buy the greater chance you will have of winning one of these wonderful machines.
