# NEWS and VIEWS

This afternoon we welcome Scunthorpe United, who gained election to Division III (North) in 1950. Eight years later, at the end of season 1957-58, they won promotion to Division II with a total of 66 points from 46 matches. They remained in this Division until 1964.

Managers have included Mr. L. Jones, ex-Arsenal and Wales, Mr. R. Suart (now assistant-manager at Chelsea), Mr. T. McShane (ex-Plymouth Argyle and Swindon Town player), Dick Duckworth and Freddie Godwin who is now in America.

Scunthorpe United are now managed by Ron Ashman, who supporters will remember as a very fine player and sportsman with Norwich City. He has played on the County Ground on numerous occasions.

At the moment they occupy 25th position in the League with the following record: Played 19, Won 3, Drawn 5, Lost 11; Goals for 23, against 35; Points 13.

Against them in season 1966-67 we won 2—1 at the County Ground on 22nd April, 1967 with goals from Smart and Penman. The teams were: Swindon Town: Downsborough; Thomas, Trollope; Morgan, Nurse, Harland; Rogers, Penman, Terry, Smart, Walker. Scunthorpe United: Clemence; Hemstead, Barker; Webster, Burrows, Burkinshaw; Sloan, Barton, Rusling, Colquhoun, Coatsworth.

Many supporters will remember the game as Scunthorpe were a very young team who tired in the second half due to the pace, and were not quite hard enough in the tackle. On that day Scunthorpe United's goalkeeper was Ray Clemence, who was destined for bigger things, and has since joined Liverpool for a large fee.

## NEWS AND VIEWS—continued

The return game at Scunthorpe was on 12th May, 1967, and resulted in a win for the Town by 2—1.

We hope for two points today after two away games at Tranmere and Southport have produced just one point. Reading between the lines it could easily have been **four**, which we needed as the League is very open at the moment.

Just **four** points and the Town could be second in the table.

Many criticisms have been made concerning our away record: Won 0, Drawn 5; Goals for 11, against 17.

Our good friend **Clive King** in the **Football Pink** gives two reasons:

- (a) The ball has not run at all kindly for them at crucial times.
- (b) There have been occasions when they lacked the necessary **urgency** to pull it off.

It seems that we lack the killer instinct and that pluck and determination are needed away from home.

Another problem facing the management is the Reserve team. Many people seem to think an old-head (experienced player) is needed, but surely a Reserve team is for bringing along young players.

At the moment they are rather young and inexperienced. It always used to be expressed by several local players that they never got a chance at the County Ground. Well today any useful young player has the opportunity now of playing on some of the top grounds in the country, i.e., Highbury, White Hart Lane, Stamford Bridge, Upton Park, Filbert Street and St. Andrew's.

The "A" team, who play in the Hellenic League, Premier Division, are in sixth position with the following record: Played 14, Won 8, Drawn 1, Lost 5; Goals for 34, against 21;

## NEWS AND VIEWS—continued

Points 17. Last week they played Didcot Town (the holders) in the Hellenic League Challenge Cup and won 3—2 at Didcot after twice being in arrears. Scorers were Desmeules (2) and Freeman. Well played lads!

The Junior team who play in the Borough League, Division 1, hold top position, but unfortunately were beaten last week by Westbourne Y.C. 3—1. Bad luck lads, it's tough at the top.

We notice the writer of one of the Sunday papers states: "MONEY IS NO PROBLEM" at Swindon. All sounds very assuring. We wish we could agree with him. He then seems to imply (as always) that players must be bought, because of our "away form".

We hear so much of that word. Let us make a clinical dissection of records. Our near neighbours Oxford United, at the moment occupy third position in the League table due to the following statistics:

Home						Away					
P	W	D	L	F	A	W	D	L	F	A	P
19	9	0	1	26	11	0	4	5	7	15	22

Compare that with our figures:

Home						Away					
P	W	D	L	F	A	W	D	L	F	A	P
19	6	2	1	22	6	0	5	5	11	17	19

Oxford has gained eighteen points at home to our fourteen, but they have played an extra game, and one fewer away.

Now let us compare the overall goal averages.

Oxford United: Goals for 33, against 26.

Swindon Town: Goals for 33, against 23.

Ours is much better than Oxford United's yet their position is third, and Swindon Town's is twelfth.

Work that out! Now you know why your pools do not come up.
