CLUB NOTES

WE hope that you had a very Merry Xmas day and are still enjoying your holiday. This afternoon's fixture, with Swindon, also allows us the opportunity of wishing you a very Happy, Prosperous and Healthy New Year.

Professional footballers did not have the opportunity to relax as they had to cram two games into two days, and couldn't have a real "bash" at the turkey and trimmings.

We would like to pay tribute to Mr. David Clark, who after 45 years magnificent service on the Board has now retired to become the President of Charlton Athletic Football club.

Mr. Clark, a very good footballer in his younger days, he played for Spurs, came here to supervise the building at The Valley, 45 years ago, and stayed on as a member of the Board.

The office of President has been specially created to recognise Mr. Clark's devoted service to the Club and is not an office in perpetuity.

Swindon, holders of the League Cup are today's visitors. We have a score of five nil to settle with them because we travelled to their home ground on August 30, and gave away five goals.

Newly promoted, they are doing very well, and are one of the most attractive sides in the Division. Don Rogers, the winger, is perhaps the best known player, especially to TV viewers. He scored against Arsenal to clinch the League Cup last season.

Now that we have regained the knack of scoring, and as we cannot be accused of playing a defensive game, the afternoon appears to be set for an attractive match.

We had intended giving you a brief report of the Cardiff match, but had to go to Press a little earlier as the printers had to have their "break".

BIGGEST WIN

In our latest home encounter we took on Norwich, managed by Ron Saunders and came out winners by 3—0, our biggest victory of the season. On the morning before the game we were informed by John Keirs that he had fallen a victim to the 'flu bug. Jack Burkett was pressed into service in his place and did quite well.

Not only was John out, but in training Mike Kenning twisted an ankle, and Keith Peacock was injured, too. Luciano Masiello replaced Keith on the wing and for his first game in first team soccer certainly worked hard.

Norwich City had the early chances, but by good positioning and a little luck we managed to keep them out. We started coming at Ron Saunderson's lads, but not until three minutes from half time did we strike.

We won a corner, Harry Gregory took it, Ray Treacy headed the ball goalwards, but his effort was blocked only to come out to Alan Campbell, who slotted it in.

It's always comforting to go in at the interval one-up, and it certainly cheered our lads.

DETERMINED

Norwich came out for the second half determined to get an equaliser. But they squandered their chances. We were two up in the 68th minute. Neil O'Donnell, was limbering up on the side line ready to come on as substitute (keeper Kevin Keelan had been injured in a clash with Treacy in the first half, it was found later that he had broken a bone in his left forearm), when Peter Reeves received the ball out on the right.

Peter crossed the ball and Gordon Riddick slipped his shadow, Duncan Forbes, the Canaries skipper, to head the ball past the injured keeper. Keelan had volunteered

CLUB NOTES (continued)

to stay on, but had to come off after this. Payne, a full back took over from him between the posts.

We were now well on top. Four minutes later Masiello crossed the ball to Graham Moore standing on the edge of the box. The Welsh international stood back and hit a real screamer past Payne.

The score in our favour would have been even bigger if we had taken our chances. Team: Wright; Booth, Kinsey; Campbell, Burkett, Reeves; Gregory, Treacy, Riddick, Moore, Masiello.

PAUL A DAD

Congratulations to Paul Went, who became a father the other week. He was training at Beckenham, when he heard the news and, of course, was quick off the mark to see his wife and Paul junior. Another footballer in the family?

Paul is making rapid progress. Until he went down with the 'flu, like Alan Campbell, Peter Reeves and John Keirs, he was taking part in practice games and was odds on to get a match in one of our sides about this time. He's got to get match fit to challenge for his place in the first team again.

Next Saturday we travel to Aston Villa for the Cup, and if there is a replay it will take place on Tuesday, at 7.45 p.m.

Aston Villa, managed by the ebullient Tommy Docherty, one of the real characters in soccer, have a great Cup record, but this season aren't doing so well in the league. We could at least force a replay and hope for a good draw in the next round.

Our next home League fixture is against Hull, on January 17.

We hope that many supporters will make the comparatively easy trip to Villa Park to cheer us. We certainly appreciated the encouragement we received in the second half of the Norwich match.

The Man in the Middle . . .

DENNIS TURNER (Rugeley, Staffs.)

DENNIS TURNER, one of the youngest referees on the Football League list, has never regretted starting out at a very early age. He was only 16 when he first took up the whistle after being persuaded to help out when there was a shortage of officials in his junior league.

"I don't think I missed anything by not playing until I was older," he says. "In fact I gained a lot. I'm only 34 now and, if I can do well as a League referee, there's the possibility of enjoying 13 seasons at this level."

There can be few keener officials around today. Always seeking to improve his standard, Mr. Turner received a boost last season when he was appointed senior linesman for a European Cup tie between Valetta (Malta) and Reipas Lahti (Finland).

Mr. Turner, married with two daughters, lives in Rugeley, Staffs. A qualified mining engineer, he is now a safety engineer at Lea Hall Colliery, the biggest and most modern colliery in the country.

He progressed to his present position through the Staffordshire County League and the West Midlands Regional League, becoming a Football League linesman in 1966. This is his second season in the middle.

Mr. Turner is a member of the Cannock Referees Society. "We have only 28 members but two of us are on the League list," he told us. "That's an exceptionally high average for some societies have over 100 members and none on the League."

Should a replay be necessary versus Aston Villa in the F.A. Cup 3rd Round, the match will take place at The Valley on Tuesday, 6th January, 1970, K.O. 7.45 p.m.

Stand tickets (12/-) will be on sale as follows:—

Sunday, 4th January, 1970, 10 a.m.—12 noon—Season Ticket holders (one per book) at Office. Applications will be considered from Season Ticket holders up to noon 6th January, 1970.

Sunday, 4th January, 1970, 12 noon—1 p.m.—Social Club Members (one per member) at Social Club—Availability will be limited.

Any unsold tickets will be sold at Turnstile 29 (Harvey Gardens) on evening of Match from 6.30 p.m.

Swindon Town

The Story of Swindon Town is practically the story of football south of the Thames. Founded in 1881 by a clergyman, the Rev. W. Pitt, as an amateur club, it was quickly accepted as the best in Wiltshire, and the Wilts Cup was nearly always held by Swindon Town; in fact, one season the final was contested between the first and the second teams of the one club.

In time it broadened its attitude, began to engage professionals in 1894 and was accepted as one of the original members of the Southern League Div. 1, in which it had, with Millwall and Southampton, continuous membership from the inception in 1894 to 1920 when, with its fellow clubs, it became a founder-member of Division 3 (S) of the Football League.

During this period it had varied fortunes. It finished its first season at the foot of the table and so became a wholly professional side with a wage bill of £10 a week. In 1900 it reached fourth position, but its financial resources were so inadequate that it had to part with many good players, several of whom went to Nottingham Forest. In 1902 it was a bad last and the "Railwaymen" were in sore straits. Thanks, however, to the hard work of such men as Sam Allen, a devoted club-man, difficulties were overcome for a time.

Season 1907-8 began its most memorable period. Swindon Town entered the F.A. Cup for the first time, reached the third round and three years later got to the semi-final to be beaten by Newcastle United, the ultimate winners, at Tottenham.

Two years later it again reached the semi-final, losing to Barnsley in a replay. Between 1907 and 1914 they won the Southern League Championship twice and were never lower than fifth in the final tables.

Since Swindon Town has been in the Football League it has been obliged to seek re-election in the years 1933, 1956 and 1957 and five times reaching fourth place before finally gaining promotion to Division II at the conclusion of Season 1962/63 when it finished in second position in Division III. Following an outstanding start in 1963/64 when it set up a record for a newly promoted Club, being undefeated for 9 games, the Town finished well down in the League. The following season saw them relegated to Division III after only two seasons in the higher sphere.

The Club again gained promotion to Division II at the conclusion of Season 1968/69, being runners up to Watford. During the same Season they beat Arsenal 3-1 at Wembley to win the Football League Cup Competition.

Its F.A. Cup record as a Football League Club shows that it has reached the fourth round of the Competition nine times, the fifth round four times and the sixth round once, this being in 1925.

Originally the Swindon team played in green shirts on the Croft, but they moved to the County Ground in 1896 and they have occupied it since then without interruption, even in war-time. Its capacity is said to be 30,000, but the highest pre-war attendance was 24,730 at the Cup-tie with Burnley in 1929; this was easily surpassed at the League game with Watford in March 1969 when the record 28,898 was established. Naturally, with so long a history of professional players, many outstanding men have been connected with the Club. Perhaps the best known was Harold Fleming, always an attractive and dangerous inside forward, capped nine times for England. Then must come Grenville Morris, capped for Wales twenty-one times, and John Walker, the international back for Scotland, capped nine times. Others of renown were the backs, Harry Kay, J. Hogan, S. Lamb and F. Richardson. In more recent years the names of Billy Lucas capped for Wales, Norman Upchurch for Ireland, Mike Summerbee for England and Ernie Hunt who gained an 'Under 23 cap', spring more readily to mind. At the present time we have in the team R. Thomas who has been capped for Wales and Don Rogers who has played for the England 'Under 23' side.
