news Eviews

We have a very long association with tonight's visitors dating back to our Southern League days prior to World War I. Watford began life very early, round about 1860, and were originally nicknamed "The Brewers". They were first named Hertfordshire Rangers. Amalgamation with another local team, Watford Rovers, in 1891 produced Watford Football Club, and this club gained acceptance to the Southern League. A few years later contravention of regulations caused their exit, but four years afterwards, thanks to the energy and enthusiasm of Watford Urban Council, reinstatement was achieved, and like ourselves Watford became founder members of the new League Division 3 in 1920. All went well until 1958, when the two Third Divisions were reorganised into Division 3 and Division 4. Watford finished in 16th position in Division 3 (South), and so became members of Division 4. Two seasons later they gained promotion to Division 3 (back where they belonged). As supporters know in season 1968-69 Watford gained promotion to Division 2 along with Swindon, both clubs being level on points but Watford having the superior goal average.

Last season Watford had a very bad spell in League games, having to fight very hard to be sure of remaining in Division 2.

Swindon drew 0—0 at Watford on the 15th November, 1969 but the return game played on Saturday, 28th March, 1970, was a very desperate affair. Both sides were rather tense, but for totally different reasons – Watford anxious to avoid relegation, and Swindon with a chance of promotion.

The result was a one goal to nil victory for Swindon. The only goal scored was one of the finest seen on the County Ground for many seasons, and one which supporters will remember for a long time.

John Trollope made one of his now familiar runs down the left wing, called for the ball, and received a long pass from Owen Dawson well inside his own half. John sped right past the visitors' defence and scored with a fine shot. A grand goal.

Cup competition, defeating Division 1 clubs Stoke City and Liverpool. They were finally defeated in the semi-final by Chelsea on Tottenham's ground. Our Reserve team is playing splendid football. Several of our younger players have found their form, which augurs extremely well for the future. They lost most unfortunately at Crystal Palace 2-3, then won 2-1 at Norwich, and followed this by a resounding win

The team is composed of a number of experienced players plus six younger ones who respond well to the promptings of the older players. We look forward to seeing some most entertaining Reserve games this season.

Finally, we meet Watford again a

at home 3-0 against Bournemouth.

week tonight in the 2nd Round of the League Cup. Both games are vitally important.

John Williams

Born in Tottenham, John is a product of the Juniors, having originally been signed as an apprentice. He became a professional in September 1964. John was one of the two players who made 100% appearances in 1969/70, and to date has played in 232 first team fixtures.

John Pearce

Stewart Scullion

Born in Bo'ness in Scotland, Stewart joined Watford in February 1966, having previously had League experience with Charlton Athletic. He has made 213 first team appearances and scored 28 goals, and none perhaps more important than his equaliser at Norwich which ensured Second Division football for the Club for 1970/71.

Terry Garbett

Terry became a Watford player in August 1966 when he was signed from Middlesbrough. Injury restricted his first team appearances last season to 36, and so far he has made 177 appearances in the first team, scoring 50 goals.

Stewart Lowery

Stewart became a professional with the Club in January 1970 following several games as an amateur. His previous club was Bishop Auckland and he was born at Thornaby-on-Tees.

Dixie Hale

Dixie's first English League club was Swansea and he then played for Barrow and Workington prior to going to Watford in July 1967. He was capped on several occasions for the League of Ireland, and has made 110 first team appearances for the "Hornets".

Ray Lugg

A newcomer to the Club last season, Ray came south from Middlesbrough in November and made 27 first team appearances and scored 5 goals.

Tom Walley

Born in Caernarvon, Tom signed first of all for Arsenal and transferred to Watford in March 1967. Last season he made 48 first team appearances, and to date has worn the first XI shirt on 163 occasions. He has represented his country as skipper of the Welsh Under-23 side, and with Mike Walker was one of the reserves for the Home Championships last season.

Bill Jennings

Bill has been with the Club for some time as an amateur but some very impressive Reserve team appearances led to him signing professional forms in April 1970. He was chosen on several occasions for the England Amateur Youth Team during last season.

John Farley

John comes from Stockton, and formerly played for that club before being persuaded to sign professional forms in July 1969. He made 22 appearances in the Reserve side last year and will soon surely be knocking on the first team door.

Ron Wigg

Ron was signed from Ipswich at the beginning of June 1970 for a record fee for the Club, and it is hoped that he will provide the additional punch in the attack which was missing last season.

Charlie Woods

Born at Whitehaven in Cumberland, Charlie was developed by Newcastle United in junior football before making his League debut appearance with them in the 1960/61 season. He went to Bournemouth in November 1962 and had spells with Crystal Palace and Ipswich before signing for Watford in June 1970.

This was one cross that Peter Noble was unable to convert, being just beaten to the ball by McKechnie, the Hull City goalkeeper.

Supporters club notes

In terms of money a sum of £18,000 each year for 42 years has to be found to repay the loan on the new stand. Some of this will come from the increased accommodation. The Supporters' Club must do its share towards the balance. Several ways are already in being. The Supporters' Club Weekly Competition is the backbone of the fund raising. A reasonable profit is made each year from the selling of souvenirs - badges, pennants, scarves, Supporters' Club Handbook and so forth. There is guite a varied selection, and you will all find something in the kiosk attached to the Social Club. The Weekly Competition is promoted by Phil Hart, who has been doing this highly important job for some years. But to be successful more agents are wanted, especially in the country areas where, I am sure, there are many supporters who wouldn't mind helping. The commission of 2/6 in the £1 also helps towards the expense of coming to Swindon for the matches. Last year, for instance, our top agent earned over £100 in the season. Enough to cover a Mediterranean holiday for two. So contact Mr. Phil Hart, 65 Pavenhill, Purton, telephone Purton 601. Even better, call around at the Supporters' Club H.Q.'s before or after every Saturday match (including Reserve games) where you will find Phil in attendance, ready and eager to enrol as many as possible. Don't forget that next season

Don't forget that next season
Swindon Town will again be in the
Anglo-Italian Inter-League Cup
Competition. The Supporters' Club
are aiming to arrange a short
holiday in Italy (8-9 days) to cover
the matches in Italy. We hope that

as many as possible of those who made our day charter flights last season will come for the longer period. Fill in the coupon below, and get yourself provisionally booked.
