news Eviews

Rarely do we comment on previous games, but we are sure the events of last week were most disappointing, in fact almost disheartening. Swindon had a large following at Fulham, and they could be justifiably proud of their team. Every player gave just everything he had, and one wonders how it was possible to lose such a game. One rather fortunate goal, a deflection, then chances galore which just failed to produce goals. I know goal opportunities must be taken, but this was one of those nights when the ball would not go into the net for Swindon. It was a fast, exciting game throughout the ninety minutes, no unpleasant incidents, gamesmanship or time-wasting. Splendid entertainment for the spectators but, unfortunately for Swindon, an exit from the League Cup. Then to Saturday and the visit to Birmingham (a team desperate for points). Whilst we did not play very well in the first half, our display in the second period certainly warranted a draw. Birmingham scored soon after half-time, possibly with the help of the wind, and the fact that Frank Burrows sustained a strained muscle in the first-half and was unable to jump as high as usual to head the ball. After that, Swindon fought back and produced several fine attacking movements, which resulted in quite a good goal by Peter Noble. From then on the play flowed from end to end with Birmingham urged on by their crowd. endeavouring to put on the pressure which finally produced a last-minute winning goal, again somewhat fortunate, and in the opinion of many the result of a harsh decision on the edge of the penalty area. A great disappointment to the Swindon party. Such is football. We know supporters are disappointed, but remember, the most upset of all are the players. They certainly trudged their weary bodies from the field on Saturday, with almost despondency. However, we live to fight another day. and as on many previous occasions we shall come back.

This afternoon we entertain our friends and neighbours Bristol City, who also

are experiencing a poor period. Our memory goes back to a game played ten years ago - on Tuesday, 6th September, 1960 at Bristol. Result: Bristol City 1, Swindon 1. It was probably the finest display of football by any Swindon team. The ball travelled from man to man with delightful ground passes. We are sure a great number of our supporters remember that match. We quote from the Club programme of the following week, which makes most interesting reading: "Swindon had a large following at Bristol, and we are sure all our supporters considered the journey well worth while. Only one disappointment - the goal against in almost the last second of the game. Our team played superb football, perhaps too much (if that is possible). It was a real pleasure to watch, and fully appreciated and enjoyed by everyone present. All that is required now, is the ability to score more goals per game. Surely if the team continues to play this style of football goals are bound to come. Perhaps a little more "punch" is needed to finish off the moves. Nevertheless may we enjoy for a long time this brand of football. The Swindon team was: Burton; Woollen, Trollope; Morgan, Owen (captain), Woodruff: Summerbee, Hunt, Layne, Jackson, Darcy.

In spite of this fine display, we finished the season in 16th place, with 43 points from 46 games. The very wet winter, and the consequent heavy grounds, affected our very young team. Support was magnificent, but evidently in those palmy days a striker was needed.

Mr. F. Ford had taken over as manager of Bristol City in March of that year, and it is interesting to note that at least five of the Swindon team are still playing in top class football and three in minor leagues.

Our opponents today, by virtue of their victory over Leicester City, play Fulham in the quarter-final of the League Cup. We wish them the best of luck in this game, which we in Swindon will obviously follow with great interest.

Potted History of Bristol City

Formed in 1894 as Bristol South End, the Club became professional and was renamed Bristol City in 1897, joining the Football League in 1901. Won promotion to Division 1 five seasons later, securing 66 points from 38 games. The following season the City were runners-up to Newcastle United for the League Championship, a feat they never repeated. After five seasons the Club were relegated and have never since played in Division 1. They hold the unenviable distinction of the longest consecutive period of League football without regaining Division 1 status.

In 1909, Bristol City reached the Cup Final, and were beaten by Manchester United by one goal to nil at Crystal Palace; at Stamford Bridge in 1919 they were the losing semi-finalists to Huddersfield Town by 2 goals to 1.

The following shows the see-saw between Division 2 and Division 3. 3rd in Division 2. 1920/21 Relegated to Division 3 1921/22 (South) Champions Division 3 1922/23 (South) 1923/24 Relegated. Champions Division 3 1926/27 (South) 1932/33 Relegated from Division 2. Promoted to Division 2 with 1954/55 equal record number of points (70) from 46 games. Relegated to Division 3. 1959/60 Promoted to Division 2. 1964/65

In the first season back in Division 2, promotion was missed by a narrow margin, but this has been followed by four rather lean years.

Record attendance: v Preston North End (F.A. Cup) 16th February, 1935 – 46,335.

Record receipts: v Wolverhampton (League) 28th December, 1965 – £7,302; v Bristol Rovers (F.A. Cup) 27th January, 1968 – £9,953. The Club's longest-serving player was John Atyeo who made 645 League and F.A. Cup appearances between the years 1951 and 1966, during which time he scored 350 goals. John was capped six times by England, scoring in every game.

Team managers since the war: Bob Denison, Pat Beasley, Peter Doherty, Fred Ford, Alan Dicks.

Most capped player: W. Wedlock, twenty-six times for England.

Twin strikers in action

Peter Noble just failed to score after beating Whigham, the Middlesbrough 'keeper, to a high ball.

Whigham looks dejected as Horsfield scores Swindon's third goal in the twelfth minute against Middlesbrough.

Roger Kirkpatrick

Started refereeing in 1949 in schoolboy football, progressing to the Leicestershire Senior League and then to the Southern League before being appointed to the Football League Line in 1964. He became a Football League Referee in 1966.

One of the more important matches he has officiated in was an International match between Finland and Denmark in 1970.

Mr. Kirkpatrick, a sales director, is married with two sons aged 17 and 15 years. He is very keen on physical fitness and plays a lot of squash, golf and five-a-side football. Mr. Kirkpatrick is of the opinion that all referees should place at least one Saturday of their season to Schoolboy football.

Supporters club notes

Anglo-Italian Inter-League Clubs Competition, 1970/71 season. Proposed Supporters' Club visit to Italy for two away games.

Supporters will recall that it is proposed, if possible, to organise a short holiday visit to Italy at the end of this season, to enable supporters to support the Town in their defence of the Cup won in the above Competition last May. To this end, a suitable application for provisional bookings was printed in earlier programmes this season. At this present time, the number of provisional bookings stand at almost 100, which is very gratifying. Amongst the names sent in - from Swindon, from Melksham to Wantage and Gloucester to Salisbury - are a large number of those who went to one or more of the single flights organised to Rome, Turin and Naples last season. A number of enquiries were made with the applications. At this stage, rather than use up the stamped addressed envelopes supplied by applicants, I have summarised the answers for them and

1 Only bona fide supporters of Swindon Town can be carried under present air charter Rules, which will be strictly complied with. These comprise:

for anyone else interested.

- (a) Supporters' Club members with not less than 6 months membership.

 Members enrolling after 1st December next could be ineligible.
- (b) Season ticket holders, provided their season tickets were valid for more than six months before departure.
- (c) Members of the immediate families of the above, i.e. wives and children living at home.
- 2 The date of the trip cannot be decided until the dates of the matches in Italy have been fixed, or until we know which two teams Swindon Town have been drawn to play. This will decide where the party can stay in Italy. The object is to select a suitable resort, as far as possible, equidistant from the two matches.

Whilst these dates are as yet unknown, it would seem possible that the week after the F.A. Cup Final (to be played on the 8th May) could be a rough guide at this time.

- 3 Cost. Again, this is problematical and depends on flight and hotel costs. As far as hotels are concerned, enquiries made personally in Italy last month would indicate that full board would be about 35/- to 45/- per person per day, depending on the class of hotel and type of room required (i.e., with or without private bath or shower, W.C. etc.).
 - Travel to and from the matches and the tickets to the matches would be additional, but together should be about £2 10s. 0d. each match, or less if the games are not too far apart.
- 4 If time should be against organising the above extended trip, there is no doubt that day trips on the lines of last season could be substituted.
- 5 Please watch these Notes for future announcements.

I would like to correct an error in our last Programme Notes. The St. John's Ambulance Brigade second collection is at the Leicester City match on 13th March and not the Oxford United game.
