## Menu

Welcome again today to the Valley after two consecutive Saturdays with away fixtures.

We are now entering a most interesting stage of the season and entertain in the next few weeks Norwich, Millwall, Orient, Fulham and Portsmouth. These games should be full of interest and drama with the match against Millwall on Tuesday 25th April a fitting finale to the season.

Of equal interest is the Easter period when we entertain neighbours Orient on Friday 31st March (kick-off 11.15 a.m.) and next day have Norwich as visitors (kick-off 3 p.m.) Bookings from the East Anglian City are already very high so we should be in for an exciting Easter.

## Luton

Our last home game was against Luton and by winning 2-0 we recorded our third double of the season. Right from the kick-off the team took the initiative and played with great determination.

A particularly interesting aspect of the game for many supporters was the way, in the absence of the injured Dennis Bond, that Eamonn Rogers and Cyril Davies thrived on the additional work load and responsibility. Their style of play was contrasting but complementary and on the recurring theme of the youth of the Charlton team it is interesting to realise that Cyril is only twenty three years of age and Eamonn only twenty four.

Our form, particularly away from home, has been variable this season but this is, no doubt, a feature of any very young side in the maturing phase of its development.

Another very encouraging feature of the Luton game was the form of twenty-one year old captain Paul Went who continued his personal habit of scoring against Luton. Last season supporters will recall his games against Malcolm McDonald when he dominated the England Under-23 striker.

## Oxford

In conditions which were the worst any player could remember Oxford beat us by two slips to one slide. It is interesting to note that at the same time at near-by Abingdon a game was abandoned after six players had collapsed through extreme cold and exhaustion. The game illustrated the vagaries of the English climate as the kick-off was in sunshine on a firm pitch and at half time the pitch was under water with snow and sleet being blown down the pitch. In the circumstances all twenty two players are to be congratulated on attempting to provide a game in impossible conditions for ninety minutes.

## Another week gone!

The game with Wednesday which was postponed last Saturday will be played on Monday, 10th April.

## Swindon

We have pleasure in having as visitors to the Valley today the Directors, Players and Supporters of Swindon Town.

Manager Dave Mackay has built a legendary career in League football and is an outstanding example of the importance of character, determination and resilience in the make-up of any truly professional professional.

We look forward to an entertaining game with Swindon today.

### Injuries

Whilst our incredible injury record for the season is still with us it was heartening to see Peter Reeves and Bobby Curtis take part for a short time in a practice match at the Valley on Monday morning. Both players have spent many lonely and monotonous hours on the slow grind back to fitness after major operations.

Peter Reeves' fight back to fitness has been hampered by the growth of a cyst on his cartilage and this was removed on Wednesday.

Bobby Curtis did enough to show that his right foot is as lethal as ever which prompted the comment from Theo that Bobby could open a safe with his right leg!

Peter Hunt is making excellent progress following his cartilage operation, Dennis Bond's shoulder injury has responded well to Charlie Hall's treatment and Alan Ellis has had to have some fresh stitches inserted in his leg.

It was good to see apprentice Alan Wood back at the Valley after an operation at Guys Hospital.

### Wedding Bells

Congratulations to Sue, who runs the Centre Spot Shop and also helps the pools committee, on her forthcoming marriage which she has most thoughtfully arranged to co-incide with an away match!

### Young People's Competition

Organised by the Metropolitan Police in conjunction with the Royal Canadian Mounted Police and B.O.A.C.

Previously held in 1969 this competition is again along the same lines.

Four winners, 1 junior boy—1 junior girl (8-11 age group) and 1 senior boy—1 senior girl (11-15 age group) receive a 2 week holiday in Canada—FREE—plus £20 to spend.

Other prizes and awards for other finalists and local winners.

Competition open to all boys and girls who are over 8 yrs. and under 16 yrs. old on 1st March 1972, who live in the Metropolitan Police District.

Details available at your local Police Station or your school.

### Mid Week League Cup

The initial games in the Mid Week League Cup are played on a League basis and we had a good start to the Cup competition by beating Aldershot 2-1 away. The goals were scored by John Arnold and Dick Plumb.

The game was most exciting as Aldershot scored with their first attack of the game and Dick Plumb scored the winning goal only a few minutes from time. Our team was an attractive blend of youth and experience with Dietmar Bruck, Dennis Bond and Dick Plumb alongside several of our apprentices.

# Profile

By PETER BURROWES

"One of the best players outside the First Division". That is the accolade that most managers would give to Swindon's flying winger Don Rogers.

In the present day transfer market Rogers would fetch a £200,000 fee but the 27-year-old Somerset born star has no wish, it seems, to play for anyone but Swindon Town.

He joined the Club as a 16-year-old in January 1961, signed as a professional in November 1962, and has been a regular member of the first team for most of the time since.

Rogers is a firm favourite with crowds wherever he plays and he is one of the few "old fashioned" wingers left in the game.

When he gets the ball he uses his tremendous speed and skill to make for goal and his lethal shooting makes him a constant menace to the best of defences.

He has scored many memorable goals for Swindon but none more important or exciting than the two in the League Cup Final, which Town won in 1969-70.

On a gruelling Wembley pitch he thrilled the crowd with his devastating runs.

Rogers, who is hoping to become a father for the first time this month, played for England at youth and under 23 level and many football fans are surprised that he has not received more international honours.

He also played for the Football League against the Scottish League in 1970.

During his career with Swindon Rogers has won a League Cup

Don Rogers

Winners medal, an Anglo Italian Cup Winners medal, in 1970, and was in the Swindon teams that won promotion from the Third to the Second Division in 1962-63 and 1969-70.

Naturally Rogers loves scoring goals and his biggest dislike in the game is being pulled back by his shirt after beating an opponent.

His favourite ground is Hillsborough and the most difficult full back he has played against is Leeds United's Paul Reaney.

A keen table tennis and cricket player in his spare time, Rogers would like to play in the first Division—with Swindon.

If that colourful character Dave Mackay, now boss of the Wiltshire club is successful, Rogers may one day get his wish.
