WE enter the Easter programme in the midst of a very good run which compares with the winning form we showed during our best period earlier in the season.

With two home games, against Swindon Town today and Preston tomorrow, we have a chance of improving our League position even more, although the big test is likely to come on Easter Tuesday when we visit Norwich.

In the last four weeks we have taken seven of the eight points at stake and have achieved doubles over Watford and Sheffield Wednesday. This has been done with a young team and we are looking for this kind of standard to be maintained next season.

If I were to pick out one player for special mention, it must be Ray Cashley who has proved himself a most capable goalkeeper since his return to the side six matches ago.

He started off with a clean sheet against Charlton and, although being beaten twice at Fulham, he made some amazing saves. In his next three games he again kept the opposing forwards out and he conceded only his third goal at Hull last Saturday.

I wouldn't like to select one save as his best during that time. But in the last match here against Sheffield Wednesday he saved a penalty taken by Tommy Craig. No penalty save is easy, but Ray excelled with his dive and was at full-length when he tipped the ball away.

Three reflex saves at Hull in the period shortly before half-time made the difference between defeat and a draw, as far as I was concerned.

He even stopped one shot with his head when he dived bravely forward. One feature about his game which is not

often mentioned is his long-distance kicking. I recall one kick from his hands at Hull that almost produced a goal chance in the second half.

Our second-half fight-back at Hull shows the character of the team at the moment. Trevor Tainton equalised with a particularly well-taken goal and I think a draw was a fair result.

I shall have more to say about the Under 23 international in my programme column tomorrow, but I'm wondering whether the 1-0 win of the East German side has yet been reported in their own country.

The chairman and I were invited by the local football writers, Roger Malone, Peter Godsiff, Herbert Gillam, Graham Russell and Robin Perry to a lunchtime reception and buffet at Harvey's on the day of the match. The occasion was to welcome members of the German press covering the match. But there weren't any!

We were all quite mystified by their absence—especially as the club had laid on three special telephones for them as well. I don't know the set-up of the German press coverage, but I bet the players themselves were a bit sore at not having their great win fully reported in their own country.

By the way, we didn't let the absence of the German press upset our lunch which went ahead as planned.

Apprentice professional Vivian Fear was rushed to hospital a couple of weeks ago with appendicitis. An emergency operation was successfully performed and he is now recovering at home.

He will not be able to play again for the rest of the season. His elder brother, **Keith**, captained the reserves for the first time in the 0-0 draw at Chelsea a fortnight ago.

Trialist **John Ware**, the midfield player signed on a month's loan from Southern League Ashford, has now returned to his former club.

Ashford is becoming quite a haven for Bristol City players. Former youth team player **Neil Howell** is now with them. He has been joined by two other younger players, **Kevin Griffin** and **Greg Myatt**, who are on loan.

Greg, incidentally, returned to Ashton Gate after a six-week stay at his Plymouth home because he lost his appetite for football. But he came back and has been signed as a professional for the remainder of the season.

So far in 34 Football Combination games this season 35 different players have worn Bristol City shirts. Last Saturday for the home game against Birmingham, 15-year-old apprentice **COLIN LEE** made his reserve-team debut.

CLUB NEWS IN BRIEF

Les Wilson also had his first outing in the reserves—playing at right-back—after recovering from a groin injury which sidelined him for three weeks.

Receipts from the Under 23 international last week totalled £8,500 from the 20,000 attendance. As host club we were allowed to deduct 15 per cent of the gross 'gate' which meant £1,275.

Almost 10,500 of the specially-prepared souvenir programmes were sold, giving a profit of about £600 for the club, so it was a satisfactory night all round.

The Gloucestershire Professional Cup Final will now take place at Ashton Gate on Tuesday, May 9th at 7.30 p.m.

The game was put back a week because Bristol Rovers had a congestion of fixtures owing to the power dispute. The referee will be **Don Biddle** of Bristol, a Football League official.

MAY WE INTRODUCE

Swindon Town

SWINDON TOWN team group. Back row (left to right): Roger Smart, Peter Downsborough, Roy Jones (now Mansfield), Don Rogers. Middle row: Chris Jones (now Walsall), John Trollope, Frank Burrows, Arthur Horsfield, Joe Butler. Front row: Rod Thomas, Steve Peplow, Dave Mackay, Peter Noble.

AFTER winning the Football League Cup, two Anglo-Italian Cups and promotion to the Second Division three seasons ago, Swindon Town are in the process of rebuilding under the player-managership of Dave Mackay, successor to Fred Ford at the County Ground.

Although several old-established favourites remain the cornerstones of the side, several youngsters have been drafted in during the past few months.

Swindon, a mid-table side this season, have failed to find consistent scoring form. **Don Rogers** has netted only six goals and **Peter Noble** the same number. **Arthur Horsfield** is the leading marksman with 10 goals, but Swindon have scored only 34 goals in 33 matches so far.

In the first match between City and Swindon earlier in the season a **Peter Spiring** goal brought a 1-0 win.

Here are details of players expected to be in the side today:

DON ROGERS (outside-left)

Born Paulton. He was signed by Swindon when only 15 and quickly

came to the fore. Gained many England Youth international caps and subsequently played in the England under 23 international team. Represented the Football League. Top score with 20 goals last season.

PETER NOBLE (inside-forward)

Born Sunderland. Signed from Newcastle for £7,000 in January 1968 for whom he played for four years. Prefers to play an attacking role. Passed his century of League appearances last season and a regular for four years.

ARTHUR HORSFIELD (centre forward)

Born Newcastle. Signed for £17,000 from Newcastle United three seasons ago. Previously played for Middlesbrough whom he joined as a youth international. Top goal scorer two seasons ago with 18 goals.

JOE BUTLER (midfield)

Born Newcastle. Joined Swindon from Newcastle United in August 1965 where he graduated to the senior ranks through the club's junior team. A tenacious player whose speed and ability amply make up for his lack of inches. Ever present last two seasons.

JOHN TROLLOPE (left-back)

Born Swindon. A local player who joined the Swindon ground staff from school. He was selected for the first team at the beginning of the 1960-61 season when he was just 16-years-old, and was ever present during that season and has played over 500 games.

FRANK BURROWS (centre-half)

Born Larkhall, Scotland. Joined the club from Scunthorpe United for £13,000 for whom he played for three seasons. Formerly with Raith Rovers. A strong defender who has made his mark in the first team. Since his arrival has made more than 150 appearances.

PETER DOWNSBOROUGH

(goalkeeper)

Born Halifax. Signed in August 1965 from Halifax Town where he was a product of local football. Regular member of promotion winning side of season 1968-69 and played in the League Cup Final. Has made more than 250 appearances for Swindon.

ROD THOMAS (right-back)

Born Glyncoirwg. A former youth player with the club. He was signed from Gloucester City in July 1964. Has gained Welsh Under 23 caps and full Welsh caps. Played in the League Cup Final. Has just returned after a long absence through illness.

ROGER SMART (midfield)

Swindon-born, joined the club from the local schoolboys side. Started at 17 as a centre-forward but has since dropped back. He was a member of the successful side of late '60's but lost his place as a regular last season and is just back in the side.

RAY BUNKELL (midfield)

Born at Tottenham, he played regularly in the Spurs Football Combination side until the end of last season when he was granted a free transfer. Aged 22, he was interviewed by several clubs—

● FRANK BURROWS

including Bristol City—before deciding to join Swindon. A former England youth international, he is now establishing himself as a regular in the Swindon side.

TERRY HUBBARD (forward)

Made his first senior appearance as substitute against Queen's Park Rangers last season. Newport-born, he joined the club as an apprentice before being taken on as a full-time professional in 1969. Has made several League appearances this season as Swindon re-build for the future.

I'm in charge

CLIVE THOMAS (Treorchy)

Clive Thomas from the Rhondda started refereeing at the age of 16 after playing for Norwich City for a short time. Promoted to the Football League line from the Welsh League in 1964 and became a Football League referee in 1966. He is also a member of the F.I.F.A. list.

Some of the more important matches he has officiated in are: 1968 Inter Cities Fairs Cup—Hibernian v. Leeds United; 1969 Inter Cities Fairs Cup—Arsenal v. Glentoran and Coleraine v. R.S.C. Anderlecht; 1970 Under 23 International—England v. Scotland; 1970 Welsh Cup Final—Cardiff City v. Chester; 1971 Scotland v. England at Hampden.

Mr. Thomas, general secretary of the Boys' Clubs of Wales, is married with two daughters. His hobbies are basketball and table tennis.

YOUTH KNOCK-OUT COMPETITION

At the end of the season—probably in the second week in May—a youth tournament is being arranged for Ashton Gate under the auspices of the Somerset and Gloucestershire Football Associations.

Bristol City will sponsor the competition, which should become an annual event, open to Leagues in both counties willing to enter a team of Under 17-year-olds.

Matches will be of 20 minutes each way and, in the event of a draw, a sudden death penalty competition would decide the result. The competition will be run on a knock-out basis.

A Management Committee has been formed — completely independent of Bristol City — to run the competition. The club has devised the idea to foster a closer relationship with amateur clubs and leagues.

Doug Cummins, the chairman of the Somerset F.A., was elected chairman with Chris Willcox, the G.F.A. chairman as his deputy. Another meeting was held at Ashton Gate last night to take the arrangements a step further.

Answers on page 15

Down Memory Lane

SIX weeks or so ago, I received from an ardent supporter of Bristol City, a most interesting letter in which he recalled the early days of the Robins and also Swindon Town. His name Mr. John Hawkins of Portishead and here are extracts of what he wrote:

"Which club, Bristol City or Swindon Town have the prior claim to be known as 'the Robins?' On my yearly pilgrimage to Swindon it always irks me to see 'The Robins' prominent on their programme and they have the cheek to play 'Red Red Robin' as their anthem.

"Certainly for the fifty years or so that I've followed the City I have always thought and spoken of them as 'The Robins'. Possibly this 'Babes' business was derived from the cry of 'Come on my babbies' which from time to time one still hears at Ashton Gate.

"It would be interesting to know if Swindon ever played in any other colours than red or red and white. In any case, they didn't join the Football League until 1920—they do say imitation is the sincerest form of flattery."

I have every reason to believe that Mr. Hawkins's letter will arouse much interest and that I shall be hearing from City fans, particularly the elderly supporters of the club for I don't know the answer myself.

ORIGINAL MEMBERS

From one of my record books—the Football Encyclopaedia—I have been able to find facts concerning the City and Swindon. The Wiltshire club is the oldest as it was founded in 1881 and adopted professionalism in 1894.

Swindon were one of the original members of the Southern League joining three years before the City who changed their name at the time.

It is stated that the first-ever match played by the City—then known as Bristol South-End was on September 1st 1894 when they received Swindon Town who were billed as 'The Champions of the West'. The admission fee was 3d, enclosure 3d extra.

The City remained in the Southern League for four seasons—being runners-up three times. They first competed in the Football League—then known as the English League—in 1901 and finished in sixth position, so made a promising start.

by **Bill Pinnell**
"The Traveller"
of the Green Un

Swindon won the Southern League championship in 1911 and again three seasons later. During the period between 1907-14 they never finished lower than fifth in the table. It was not until 1920 that Swindon became members of the Football League.

Like the City they have had some good runs in the F.A. Cup competition in which they first competed in 1907. Three years later, Swindon reached the semi-final in which they were beaten by Newcastle United.

Many outstanding players of the good old days have worn Swindon's colours and among them was first and foremost **Harold Fleming**. A well known critic once described him as: "An artist with the ball, a weaver of patterns, with a subtle swerve and a great goal getter, always attractive and ever dangerous. Capped for England nine times he remained true to his first club and his name will always be coupled with Swindon Town".

Another of the Wiltshire club's outstanding players was **Grenville Morris**, also an inside-forward, who played for Wales on 21 occasions.

And a third of those outstanding players was centre-half **Fred Hawley** who was transferred to Bristol City for a very substantial fee after he had also played for Sheffield United and Birmingham before moving to Swindon Town.

Hawley, I believe, played for the City's first team in the last 10 League games of that successful promotion season of 1922-23 and did exceptionally well at centre-half.
