Alan Ross, the Carlisle 'keeper, with seven other Carlisle defenders thwart a Tigers' attack; Pearson, Deere, Lord, Wagstaff and Devries are on hand for any mistakes.

Our Visitors

Featuring . . . Swindon Town

Our visitors today, Swindon Town, have had a very difficult and testing season. It is now almost certain that they have been unable to avoid relegation which has faced them for most of the season. If they are to 'go-down' we can only offer them our commiserations, and hope they will soon return to the Second Division.

Nevertheless our matches against Swindon Town have always been closely contested — if one takes a final scoreline as any guide to the game itself. At Boothferry Park we have met Swindon Town nine times, and in only two of those games has there been more than a single goal winning margin for either side.

We have had two 0-0 and two 1-1 draws, a 1-0 win and only one goal again separated the sides when we took the points in a 3-2 win in season '72/73. Our only home defeat at the hands of the 'Robins' so far came in Season '61/62 when the visitors won by the only goal of the match. Our first 2-0 win was recorded in Season '70/71 and this scoreline was repeated in our favour the following season.

Including this season we have made ten visits to the County Ground where we have yet to record our first win. Though the results have been in favour of the home side who can claim six wins and four draws, again the final margins have been fairly close. Three of our defeats at Swindon have been by a single goal, and three by a two-goal margin. The four drawn games have all had a 1-1 scoreline. The latest of these 1-1 draws came earlier this season.

We should have played Swindon Town at Swindon tomorrow, but as our club and Swindon failed to qualify for the 4th Round of the F.A. Cup this season, the match was played on 26th January.

Swindon Town hold a unique place in our club history. It was against them that we had our first match abandoned at Boothferry Park. This took place on 19th January, 1963, when at half-time with a 0-0 scoreline, the Referee called a halt to the game when the pitch became unplayable due to sudden but heavy icy conditions. The match was replayed on 18th May, 1963 and resulted in a 1-1 draw.

Our first encounter with Swindon Town at Boothferry Park came exactly 13 years ago today, 15th April, 1961. Our team for that match was Fisher, Davidson, Garvey, McMillan, Feasey, Bulless, Clarke, Collin-

son, Chilton, Price and Crickmore. The result was 0-0. The team was the same as had played a 1-1 draw at Swindon three days earlier and our goal in that initial meeting with Swindon was scored by Charlie Crickmore.

As we have said, Swindon Town could be destined for at least one more season in the 3rd Division, and may well reflect on their football fortunes since they became one of the original members of the 3rd Division in 1920. From 1921 until 1958 they operated in the 3rd Division (South) and in the 3rd Division from 1958 to 1963 when they had their first taste of 2nd Division football. Unfortunately this was to last for just two seasons, and from 1965 to 1969 Swindon once again held 3rd Division status. In 1969 they returned to the 2nd Division as runners-up to Watford who took the Championship on goal average.

One should not forget the moments of real glory that our visitors have enjoyed, in particular the epic Football League Cup Final victory over Arsenal in Season 1968/69. The 'Gunners' were firm favourites to take the trophy, but Swindon Town who had defeated Torquay United, Bradford City, Blackburn Rovers, Coventry City, Derby County and Burnley to reach Wembley, turned in a magnificent performance to win the League Cup by a 3-1 margin.

In 1960 Swindon Town also won the Anglo/Italian trophy defeating Napoli 3-0 in a torrid match which was abandoned after 79 minutes' play due to crowd disturbances, and the Cup was awarded to Swindon.

Whatever the future for our visitors we can be sure they will not leave the Second Division scene without a show of determination and effort. They will be hoping to capture a few more wins to prove they have what it takes to make a quick return to our Division, and the Tigers' 'scalp' would be a great morale booster for them. We of course would equally like to see the result in this penultimate home match of this season end in our favour.

Our record against Swindon Town is as follows:—

	P.	W.	D.	L.	F.	A.	Pts.
HOME ..	9	4	4	1	10	5	12
AWAY ..	10	—	4	6	7	16	4

As these notes have had to be arranged before the results of any mid-week matches are known we are obviously unable to comment on whether or not our teams have met with any success during the past week. If we did come out of our encounter against Bridlington Trinity successfully then we shall be engaged in the E.R.C.F.A. Cup Final to be played at Boothferry Park next Saturday, 20th April, at 3.00 p.m. On the following Monday we shall have Doncaster Rovers as our visitors for an evening game 7.00 p.m. kick-off.

May we also remind our supporters of the North Midlands League Cup Final, 2nd Leg, which is due to be played here at 7.00 p.m. on Monday, 29th April.

To arrange: Hull City v Sunderland
Sheffield United v Hull City
Huddersfield v Hull City
Cup Final Hull City v Newcastle U.
" " Newcastle U. v Hull City

Scheduled for three matches during the past week, our Junior XI have had a one-on — one-off week. They visited Doncaster Rovers last Monday evening in a quickly re-arranged match, but the match versus Sunderland Juniors due to have been played last Thursday had to be postponed.

We can only hope the League home game against Doncaster Rovers last Saturday was played. Another re-arrangement has been forced on the Junior XI. Due to play at Huddersfield on Thursday, 18th April, this match has been postponed as the Huddersfield side are involved in an F.A. Youth Cup match. However, we have managed to bring in a match at Bradford City on that night and we shall have to re-arrange the Huddersfield Town game.

With all this swopping and changing going on it's little wonder the boys board the team-coach and ask 'where is it today?' Nevertheless, wherever 'it' — the match — may be, they seem to relish the match involvement, and if team spirit won awards then our boys would sweep the board.

All home matches to be played on the Hull Corporation Transport Ground, Hull Road, Cottingham unless otherwise advised.

HULL CITY — THE STORY POST-WAR

Compiled by Keith Martin

PART 16 — SEASON 1961-62

Managerial changes highlight the summer of 1961 in readiness for the 1961-62 season ... Bob Brocklebank resigns in May and two months later Hull City name Cliff Britton as their new manager ... John McSeveney and Ray Henderson are Mr. Britton's first signings but what he inherits basically is a playing staff slashed almost by half after the difficulties of 1960-61 ... Still the lean times are to continue: the Tigers straddle another mediocre campaign to finish in 10th position, on 48 points ... And worse, attendances drop alarmingly, from time to time plumbing the depths at a mere 3,000 ... We make very little headway in either Football League or F.A. Cup and manager Cliff Britton's long-term plans for development of the club's youth policy and disciplined character-building of the playing side appear precisely what they are: an ideal to be worked for through a struggling present time of non-success and non-support ... 1965-66 and promotion seems a long way off but the transition has begun.

Safety First

Boothferry Park is considered to be as safe as we can possibly make it. But if we feel we can add to or improve on the present safety precautions, we shall bring such improvements into force. We still seek your most earnest and close co-operation. **When leaving — or entering — this stadium do so carefully and patiently and be conscious of not only your own safety but also the safety of others.**

POOLS FAN?

TREBLE CHANCE ADDICT?

Have you been filling in a football coupon for months (or years) without even a minor dividend?

If so, here is the POOLS SYNDICATE with a BIG difference — because 20% of proceeds set aside to form a pool out of which payments will be made EACH WEEK, either to holders of tickets with the highest points total achieved by the perm not qualifying for a Pools Company dividend . . . or to augment minor dividends of the Pools Company.

★ WINNERS GUARANTEED EACH WEEK

The Pools entry is based on a 6,000 lines special BLOCK PERMUTATION covering 48 matches (full details on ticket).

ALL THE FUN OF A MULTI-CHANCE POOLS ENTRY WITHOUT THE BOTHER OF A COUPON . . . for only **5p**

Each coded ticket covers a specified multi-chance section of the above perm. Tickets are in books of 15 — no counterfoils to complete — generous expense allowance to collectors.

We are looking for helpers in this attractive new scheme who feel they could dispose of one book of 15 tickets each week (or more), and if you are prepared to help (or would like further information) please complete the coupon below.

JOIN THE SYNDICATE WITH GUARANTEED WINNERS — you can be a winner with a "near miss" or even a "not-so-near miss".

Please complete this coupon and send WITHOUT STAMP to this special address:
