## NEWS & VIEWS & NEWS & VIEWS

So once again we entertain a non-league club in the F.A. Cup Competition.

Founded in 1892, Bromley was always in the fore-front of Amateur Football winning the, Amateur Cup on several occasions, the most important of which was in 1949, when they defeated Romford in the first Amateur Cup Final to be played at Wembley.

The Club has a splendid stadium at Hayes Lane with excellent amenities, and floodlighting, a fine drainage system, which is responsible, for what is described as a perfect pitch.

We have never played Bromley in any competition, but (here I write from memory, as I cannot trace any verification). Bromley visited Swindon in the early twenties, to play Swindon Victoria, then a fine amateur team at Wootton Bassett (home ground of the Vics.) It must have been in the Amateur Cup, and I rather think it was after the Vics appearance in the Cup Final.

One name seems to stand out. Frank Osbourne, who later joined Fulham and then Tottenham and gained full International Caps with both clubs.

I feel sure many of the supporters (and two of the Directors), will remember that marvellous Vics team, which played through all the rounds to lose in the Final 2 - 4 in 1921. Played at Middlesborough. Winners Bishop Auckland.

Up to a few years ago, several of that team lived in Swindon, but I'm afraid most of them have died. There were some great players among them - Right Back - Billy Saunders, whose son still helps Swindon Town! George Poole and Wally Jones, tough hard tackling players who hailed from the Rodbourne Area. Reg Cooper, who later rendered years of service to Swindon Town. Dour strong left-half Billy Summers. H. Rees, who until a few years ago lived in Hunt Street, where his widow still resides). Billy Davison; a real gentleman, captain and very neat ball player. Archie Chivers, outside-left good fast ball player.

One name synonymous with the Vics was of course - Mr. Bill Scott, a wonderful secretary. In fact he was really "Mr. Vics himself". He worked for many years in the administration of Amateur Football in Wiltshire. I'm sure our own Mr. Arthur Dore had many associations with him.

I have strayed from our visitors, but I'm sure some supporters will remember the Swindon Victoria of 1921, and maybe the visit of Bromley. However getting back to our visitors. As I said at the beginning, they had a fine record in Amateur Football, but now like most clubs of similar nature, they have gone over to the professional status, if only in a part-time capacity. In 1973, they were members of the Rothmans sponsored Isthmian League, but by the end of the season were fourth from bottom in Division 1 and neither did they win any bonus points.

However this season they have made a good start, which is obvious by the fact they have reached the First Round of the F.A. Cup Competition. As with our opponents of last year, they will no doubt provide stiff opposition.

One other connection we have with Bromley is Roy Agar, who was for a period their manager. Remember him and Jerry Dear and John Richards playing many games for Swindon, while attached to the Royal Army Pay Corp at Devizes?

Players who have played for England since 1945. G. R. Brown, Stan Charlton (Orient & Arsenal) E. Fright, R. Heckman (Millwall & Orient) A. H. Hopper, C. L. Martin, D. Studley, Charlie Fuller.

# Talk of the Town

By the Chairman

Once again we start on the trail of the F.A. Cup and once again we have been favoured with a non-league club. We are still smarting from our exit from this competition last year at the hands of Tooting and Mitcham and I am sure that the lesson will have been learnt.

On Saturday last we all left the County Ground very down-hearted after losing a very frustrating game. To lose at any time is a test of character, and to lose at home is the hardest test of all. We all have the answers to how and why we lost and many are the suggestions put forward to solve the problems. The same teams that pass through those phases are often the teams that have shared the glories of past performances. Danny and his staff have been working hard to iron out our problems and I hope that you will get behind the lads today and give the encouragement that means so much on the day.

Our local paper carried the story that we at Swindon were pushing for Friday night and Sunday football. While it is true that these suggestions have been discussed at Group meetings of the West of England Clubs, it is only in the discussion stage and it would be interesting to hear the views of our supporters on this subject. Evening matches are obviously a disadvantage to our country supporters who have to travel and Sunday football will also have its problems. At our Forum being held in the Rendezvous Club on Monday December 6th, this could be one of the interesting subjects for discussion.

Continental sport is played and enjoyed by millions of people on Sunday afternoons and by millions of people who have also attended their various forms of religious worship in the mornings. We, the Board of Directors at Swindon are not the instigators of this push for Sunday and Friday football, but we are ready to discuss the possibilities and will be pleased to hear your views on the subject.

On Saturday last before the game at the County Ground I received a cheque to the value of £112.00p presented to me by Miss. Linda Day and Mr. Ken Smith on behalf of Carterton and Burford Supporters Committee who collected this amount by organising a dance in Carterton and donating the proceeds to our Club to be used

in helping to buy up to date video tape equipment which Frank Burrows has set his mind on in an effort to film our games and use the film for instructional purposes. To this end the sponsored run was held at the County Ground and also another dance is being held in the Affair Club in Swindon on Tuesday 14th December - dancing from 9.00 p.m. to 2.00 a.m.

On Tuesday last we played Plymouth Argyle Youth Team at Plymouth and came away with a 2 - 2 draw. This was a Youth Cup Match which was postponed from a week ago, because of the weather. It was a very creditable performance by our lads, who fought back after conceding two early goals. In spite of a coach journey of several hours prior to the game, the fitness of the team was a credit to Jack Smith and once the lads shook off the effects of the travelling, they settled down to play some fine attacking football. The replay is next Tuesday evening on the County Ground - kick off at 7.30 p.m. This is an opportunity for our supporters to see our young lads in action. The Youth Cup Competition age group is under 18 years. Several of our Youth Team play in the reserve team and this experience is a great help to them. Our clubs are open before and after the game so why not make it an evening with our young friends.

Doug Buswell has organised a Christmas Draw with cash prizes of £100, £50, and £10 with ten prizes at £5. This is a change from the usual draw prize of Christmas Hampers and drinks etc., the draw tickets are selling at 5p. a ticket or in a book of five tickets.

Have you arranged your Christmas Party yet? because if not, we can help, both in the Rendezvous Club and the Supporters Social Club.

### **MALCOLM BROADWAY (Goalkeeper)**

Malcolm's superb performance in goal this season recently earned him a representative game for the Isthmian League XI. A one-time Charlton junior, 26 year old Malcolm is a driving instructor.

**ALAN HAWKINS (Defender)** Alan played for both Charlton Athletic and Exeter City in his early footballing days and, before signing for Bromley, served Sutton and Kingstonians. He is a telephone engineer by trade.

**PHIL EMBLEM (Defender)** Phil gained experience with Wimbledon and Cray Wanderers before linking with Bromley. Married with three children, he works as a builder and decorator.

**DICKIE CLARK (Defender)** Aged 19, Dickie is the youngest member of the Bromley side. A former Millwall junior, he is currently employed by a firm of insurance brokers.

**EDDIE READ (Defender)** Another member of the Bromley team to play for the Isthmian League representative side this season, Eddie joined Bromley from Carshalton. He works as a commodity broker.

**COLIN BLABER (Defender)** 29 year old Colin is one of the more experienced members of the squad, previously playing for Carshalton, Gravesend, Crawley and Tooting. A distribution manager by profession, Colin and his wife are expecting their first child any time.

**PAUL MAW (Midfield)** Twenty one year old Paul joined Bromley from a local junior club, Penhill Standard. During the week he is a quantity surveyor.

**DEREK BROWN (Midfield)** Derek, a former Charlton and West Ham junior, is captain of the Bromley team, though he is at 21 one of the younger members of the side. Derek is employed as a crane operator.

**PAUL McCARTHY (Forward)** A marketing representative, Paul was another Bromley player who began as a Crystal Palace junior. He moved to Cray Wanderers before joining Bromley. Paul was married on the eve of their 9 - 3 victory over Waltham in the fourth qualifying round of the Cup.

**JOHN DUFFY (Forward)** A one-time Millwall junior, John spent some while with Carshalton before moving on to Bromley. John is one of the unfortunate band of unemployed at the moment, busily looking for work as a steeplejack.

# ROMANCE OF THE CUP

by Tony Pullein

---

The first round of the F.A. Cup is probably the most romantic for it brings together some of the game's tiniest amateur clubs with famous names which have known the ultimate joy of success at Wembley.

Chesham United don't often get this far but their reward this year is a money-spinning local derby at Brentford. And, who knows, a shock victory?

Non-League sides generally came out badly in the draw. Apart from Chesham, Wealdstone (at Reading), Hillingdon (at Torquay), Minehead (at Swansea), Bromley (at Swindon), Altrincham (at Rotherham), Boston (at Barnsley), Northwick (at Rochdale), Morecambe (at Lincoln) and Gateshead (at Wrexham) all travel to League grounds.

The only non-League clubs with home ties against League clubs are Leatherhead (v Northampton), Kettering (v Oxford), Winterton or Droylsden (v Grimsby), Scarborough (v Darlington), Dudley (v York) and Stafford (v Halifax).

There are one or two potential giant-killers in that lot, too!

The Stafford-Halifax tie produces one of those strange coincidences of the draw — this is the third season in succession they have met! In 1974/75, when Stafford created a competition record for a non-League by defeating three League clubs, Stafford beat Halifax 2-1 in the first round.

Last season, in round two, Halifax won 3-1.

Now they travel yet again to this uninviting Northern Premier League ground.

Northampton Town, who have been struggling in Division Three, cannot feel comfortable about their visit to Leatherhead whose recent F.A. Cup record is quite astonishing. Two seasons ago Brighton numbered among Leatherhead's victims as they proceeded to the fourth round. They then went into a 2-0 lead at Leicester before eventually falling 2-3.

Last season Leatherhead knocked out Cambridge United before failing against fellow non-Leaguers Tooting & Mitcham in the second round.

Scarborough, who have strong ambitions to get into the Football League, reached the third round when they were finally beaten 2-1 by Crystal Palace. But they're experienced Cup fighters this Scarborough side with three Wembley appearances to their credit in the past four seasons. They beat Wigan 2-1 in the 1973 F.A. Challenge Trophy final, then lost 0-4 to Matlock in the 1975 event. Last season they returned to Wembley to beat Stafford Rangers 3-2.

Five former F.A. Cup winners are participating in today's first round ties — Bury, Bradford City, Huddersfield, Preston and Sheffield Wednesday — and the cosmopolitan make-up of the competitors is further coloured by the appearance of four former Football League clubs (or descendants of League clubs) in Barrow, Gateshead, Northwick Victoria and Wigan Athletic.
