saltergate news round

Tonight we bring down the curtain on another season with Swindon Town supplying the opposition in a match which, although having no bearing on the honours or on relegation, should provide good entertainment.

When we went to Swindon way back in September the result was in favour of Swindon by the odd-goal of three. There was a time when it looked as if Swindon would be contenders for promotion, but they had a bad spell and their hopes were dashed.

We really went to town in our last home match when Gillingham were the visitors. The result 5-2 in our favour was a true reflection on how the game went. The restoration of Rodney Fern into the attack and the recall of Rick Green had a lot to do with the success.

Last Friday we went to Birkenhead and did well to hold Tranmere Rovers to a 1-1 draw through a goal by Steve Cammack. With a bit more luck we would have obtained both points.

We wish to thank you all for your support this season. The results have not been nearly as good as we would have liked, but progress has been made.

The good things have been the advancement of quite a number of our youngsters. Several of them have shown quite clearly that they are going to be strong contenders for regular places next season.

On the other hand we have had some setbacks through injuries. The loss of such experienced players as Wilf Smith and Len Badger were two blows which we could well have done without and Ricky Heppolette has had a most unfortunate season through injuries.

However, if we can obtain a couple or so new players before the new season we could be a power to be reckoned with during the 1978-79 season.

meet Our visitors

Swindon come to us today looking for a double following their 2-1 victory at the County Ground earlier this season. Last season, in fact, saw them complete the double over us with a 1-0 win here at Saltergate and a 3-0 victory at Swindon.

Last season saw Swindon start with a bang, holding down a place in the top six until November-time, when their promotion challenge suddenly and inexplicably began to fall away. So demoralised were they by the end of the season that during the months of April and May 10 games went by without a single win bonus coming their way. Nevertheless, their early form had seen them well enough off for points and the season closed with them in 11th place on 45 points.

The highlight of their season was undoubtedly their FA Cup run which saw them paired in Round 4 with mighty Everton. The first match ended in a 2-2 draw, with midfielder Kenny Stroud scoring that marvellous 30-yard goal that was captured by the TV cameras, and the subsequent 2-1 defeat in the replay left Swindon far from disgraced and a lot better off financially.

Manager Danny Williams, recently appointed as the club's general manager, has had a busy season in the transfer market with five major deals having been completed. Newcomers are Chris Guthrie (£25,000 from Sheffield United), Chris Kamara (£17,500 from Portsmouth) and Phil Bates (£30,000 from Shrewsbury), whilst leaving the club were Dave Syrett (£25,000 to Mansfield) and Trevor Anderson (£20,000 to Peterborough). To date, Guthrie and Kamara have 11 and 10 respectively, but current leading scorer is highly-rated winger David Moss who is on the 16 goal mark. Former Spireite Ray McHale is also in double-figures with 10 goals to his credit.

Swindon's home displays this season have been second to none but it is again their relatively poor form away from home to which their inability to command a top League position can be traced. Certainly there is a public at Swindon willing to support a town side challenging for the top honours. Indeed, their support at present is already well above the average for the Division with gates around

the 7,500 mark, and an indication of the club's potential is the 11,054 top gate for the visit of then promotion contenders Tranmere back in January.

As well as a highly successful lottery, Swindon run one of the most original money-raising schemes in the Football League. For £20 a head supporters can travel on the team coach to the opponents' ground, have lunch with the official party, enjoy a good stand seat and team-room facilities at the match and finally journey home with the team, having a packed meal en route.
