JIM'S VIEWPOINT

MANAGER'S REPORT

After what seemed to have been a shorter than ever close season, we start out today on what could well be one of the most important seasons in the Club's history.

After the bitter disappointment of relegation, it is vital that the players and the Club as a whole lifts itself up off the floor and makes every possible effort to redeem the situation. As many of you will already be aware the composition of the First Team Squad has changed dramatically from that of last season, I think there are at least nine new faces. In my view this was vital, because some of the players who had been at the Club for the last four or five years had got so used to loosing that they seemed to accept it as a way of life and when that is the case it is important that changes are made, and it is most interesting that all the new signings have confidence that Pompey will be a successful Club again.

The players have responded tremendously well to the pre-season training and I will be very surprised if we are not one of the fittest teams in the Football League. There is a general feeling of optimism throughout the Club shared I am sure by many of our supporters who saw the Chelsea game, but as we all know it is the League matches which are important this season. It is not going to be easy but providing the team can get off to a good start, we are all hopeful that success will come.

Welcome to Fratton Park . . .

SWINDON TOWN

Back Row (left to right): John McLaughlin, Chris Kamara, Steve Aizlewood, Colin Prophett, Jimmy Allan, Roy Carter, Kevin Roberts, Russell Lewis, Andy Ford, Chic Bates, Chris Guthrie.

Front Row (left to right): David Cunningham, Kenny Stroud, Brian Hughes, Bobby Smith (Manager), Ian Miller, Ray McHale (Captain), Gus Gilligan.

STEVE AIZLEWOOD (defender). Steve started with home town Newport County in 1969 and made 191 appearances for them before joining Swindon in March 1976. Had made 71 League appearances for Swindon to the end of last season and is a former Welsh Under-23 International.

JIMMY ALLAN (goalkeeper). Born in Inverness he was signed from Brora Rangers in October, 1970 as an apprentice and on full forms nine months later. Although he made his debut in September 1971, it was not until 1976/1977 that he became established in the side. Had made 158 League appearances at the end of last season.

PHIL BATES (forward). Known as Chic he comes from West Bromwich but spent seven years as a part-time Southern League player before signing for Shrewsbury in 1974. Made 160 League appearances for Shrewsbury being top scorer for two seasons before signing for Swindon in January, 1978. Made a further eleven appearances for Swindon last season.

ROY CARTER (midfield). Roy who comes from Torpoint, Cornwall, played part-time Western League football with Falmouth before joining Hereford in the summer of 1975. He quickly established himself in the side there and played in the team that won promotion to the second division in 1975/1976. Signed for Swindon in December 1977 having made 64 League appearances for Hereford and had made 18 more for Swindon by the season's end.

DAVID CUNNINGHAM (forward). Dave, from Kircaldy, played 44 games for Brechin City in the Scottish League and moved to Southend in 1973.

After 56 League appearances and a period on loan to Hartlepool he moved to Swindon in the 1977 close season and made 16 League appearances last season. Although short in stature he does not lack determination and can play in midfield or on the wing.

ANDY FORD (defender). Andy comes from Minehead and started his career with Bournemouth although he did not reach their League team. A move to Southend in 1972 led to a place in the club's League side and he made 135 such appearances before moving to Swindon at the start of last season. He made 33 appearances last season mostly at left-back where he has taken over from the long serving John Trollope, but he has also played in midfield as a Central Defender.

GUS GILLIGAN (forward). One of the Clubs younger players he comes from Abingdon and has been a regular scorer with the Youth and Reserve teams. Played twice in the League team last season.

CHRIS GUTHRIE (forward). Chris made only five League appearances for his home town Club, Newcastle, but he became a regular member of the Southend side following his transfer in 1972/1973. After 107 appearances and twice being leading scorer he moved to Sheffield United in the summer of 1975 but never settled and was transferred to Swindon 58 games later in the summer of 1977. Chris made 38 appearances for Swindon last season and plays a traditional centre-forward role.

A welcome return to the 1978-79 Season to all our helpers, Challenge Ticket agents, Programme and Golden Goal sellers, Stilemen and Ground Stewards. Good luck and a good season to all.

To the Challenge Ticket agents I would like to point out a slight modification of tickets from week one. Bingo is reduced to two Full Houses only, with an addition of three card Pontoon. It is hoped this will assist sales in conjunction with the return of our own League Football. Good luck to all.

continued from page 4

CHRIS KAMARA (midfield). Chris comes from Middlesbrough but made his League debut for Portsmouth in September 1975 as one of a number of young players given a first team chance by that Club due to financial problems. Those problems forced Portsmouth to sell Chris to Swindon just before last season after 56 League games and he has since played 40 more for Swindon. A few of these have been as deputy centre-forward, but he is at his best attacking from midfield.

RUSSELL LEWIS (defender). Russell comes from Blaengwynfi and was signed from Welsh League football in the early part of the 1976/1977 season. A young player who had made six League appearances to the end of last season in central defensive roles.

RAY McHALE (midfield). Ray comes from Sheffield and made his League debut for Chesterfield in season 1971/1972. After 123 League games he signed for Halifax where he was top scorer in one season although a midfield player. He did not miss a single match before signing for Swindon in September 1976 after 86 games. Ray made 81 League appearances for Swindon to the end of last season and usually plays as the link man in midfield although he likes to get forward and has a hard shot that made him the regular penalty taker last term.

JOHN McLAUGHLIN (defender). John, a Londoner, made his debut for Colchester in season 1971/1972, but after winning England youth honours and 66 League games he moved to Swindon in December 1973. Had made 177 League appearances for Swindon to the end of last season mostly at right back, but he also had quite a lot of experience in midfield.

COLIN PROPHETT (defender). Colin comes from Crewe and his first professional club was Sheffield Wednesday for whom he made 113 League appearances. In 1973 he moved to Norwich but only stayed until September 1974. He made 34 first division appearances, before his move to Swindon

for whom he had played 154 games at the end of last season. Club Captain for the past two seasons and a fixture at centre-back during that time.

KEVIN ROBERTS (goalkeeper). Kevin is from Bristol and was a part-time player until he signed for Swindon from Welton Rovers in March 1977. Made two first team appearances last season.

KENNY STROUD (midfield). Ken is a Londoner but has been with the Club since he was an apprentice and is now one of the longest serving players at the Club. Although signed as a professional in 1970 and made his League debut in 1971/1972 it was not until 1974/1975 that he gained a regular place in the team. Ken had made 154 League appearances to the end of last season, mostly in midfield but he enjoys playing as a central defender when the need arises.

JOHN TROLLOPE (defender). John Trollope is locally born and has been with the Club since he was an apprentice making 737 League appearances to the end of last season, nearly all at left-back. Last season he passed the old record for one club domestic appearances in this country, retired from the first team to take up the job of Youth Manager, was voted player of the year by the readers of the local newspaper and was awarded the M.B.E. He remains in training as cover and could still beat Jimmy Dickinson's League appearance record for a single club player.

BRIAN WILLIAMS (midfield). Brian is from Manchester and played 148 games for Bury until present Swindon Manager Bobby Smith sold him to Q.P.R. during the 1977 close season. He made 22 First Division appearances for Q.P.R. last season before signing for Swindon in June, 1978.

IAN MILLER (forward). Ian comes from Perth but he first played League football for Bury, making nine full appearances and a number as substitute. He moved to Nottm. Forest but did not make the first team until a further move to Doncaster Rovers in August 1975. He became a regular first team player there before his transfer to Swindon who had been interested in signing him for a number of months in the 1978 close season.

AROUND THE PARK

Welcome to Fratton Park for the start of our 80th competitive season which we all hope will be a successful one.

It has been an eventful summer as many of you will have seen in the local press. The team have undergone and enjoyed a tremendous training programme. Four new players and a chief scout have joined our staff and the Park itself has been painted and brightened up. Frogmore Road has been resurfaced and repaved as many of you will have noticed.

The football League computer has been a little kinder to us this season, than of most, giving us a home start versus Bradford City next Saturday and three out of our last four matches at home in April and May next year. We visit York and Hartlepool in the last week of August and look forward to a repeat scoreline of our last visit to Bootham Crescent, York, 4-1 back in December 1976. The referee for the match in Yorkshire in 10 days time is John Wrennall, the controversial chap who we had at Shrewsbury last season.

In September we have four visitors to Fratton, all from long distances. We shall be meeting Crewe and newly elected Wigan for the first time.

On Boxing Day we are away again, at Plough Lane, Wimbledon, and that too will be a match for the history books. We finish 1978 playing at Edgeley Park, home of Stockport County and 1979 starts us off with Newport County at Fratton on January 1st. The return match in South Wales is on Easter Monday.

March is a month for travelling far. We have three trips to Yorkshire and one to County Durham.

We play Reading at Elm Park on Good Friday evening and finish the season at home to Barnsley on May 5th.

We look forward to an entertaining and enjoyable season and the loyal support at all our games that we have received in past seasons.

Assistant Editor

HALF-TIME QUIZ

- 1: As a third division side, Swindon Town remarkably won the Football League Cup in March 1969. But who did they beat and what was the final score?
- 2: Anfield Park is the ground of which British club?
- 3: Only three Football League clubs wear black and white vertically striped shirts — which ones?
- 4: When the Cottagers play the Latics, what two English league clubs are playing each other?
- 5: Our visitors Swindon today have also won another major cup honour. What was it and which year was it won?
- 6: The Football League Cup began in 1960 — but which was the first season all 92 clubs entered?

League Cup Chat

Today starts Round One of the Football League Cup and similar to the F.A. Cup, starts with the lower division sides battling with each other for the possibility of meeting a division one or two side in Round Two. For rounding up purposes however, the bottom eight clubs from Division Two start in the first round and this season five of them have been drawn to play clubs from our own division.

MILLWALL visit ALDERSHOT, BRISTOL ROVERS play HEREFORD UNITED, NOTTS COUNTY are at home to SCUNTHORPE, PRESTON NORTH END play HUDDERSFIELD at Deepdale and CAMBRIDGE UNITED are home to NORTHAMPTON, which was a fourth division fixture just three seasons ago.

As usual there are some interesting 'derby' matches. DONCASTER play neighbours SHEFFIELD WED. at Belle Vue, TORQUAY travel further west to Home Park, PLYMOUTH and SOUTHBEND entertain WIMBLEDON at 7.45 p.m. this evening.

Promoted clubs from fourth to third, namely WATFORD and BRENTFORD meet at Vicarage Road, SWANSEA travel east along the M4 to Welsh rivals NEWPORT COUNTY and WIGAN ATH. make their League Cup debut at Prenton Park, Tranmere.

Other regionalised matches include — in the south — BOURNEMOUTH home to EXETER, READING versus GILLINGHAM at Elm Park, and COLCHESTER take on CHARLTON ATH. In the Midlands WALSALL play HALIFAX and 1977 Debenham Cup winners CHESTER meet finalists PORT VALE at Vale Park.

Three Yorkshire clubs are at home, BARNSELY against CHESTERFIELD, ROTHERHAM versus HARTLEPOOL and next week's opponents BRADFORD CITY play LINCOLN.

Elsewhere the Stags play the Quakers, MANSFIELD versus DARLINGTON, and the Mariners entertain the Minster Men, GRIMSBY against YORK. Seaside BLACKPOOL journey north to Cumbria to play CARLISLE, and BURY, missing out on promotion last season, will be out to beat third division champions WREXHAM in North Wales.

And to our own tie with SWINDON. It is certainly overdue, with regard to last season's meetings, for the result to be in our favour and let us hope we win by a clear margin this afternoon to carry us through the second leg and for another home draw in the Second Round.

Answers to Quiz

- 1: Arsenal 3-1.
