There is no one more exasperated than myself over the performance of our team at Chester on Saturday 3rd March. Everyone knows that you can't win them all, but I expected a better result than the one we got!! However, at the time of going to press, I sincerely hope that we can pull something out of the bag at Hereford so as to strengthen our position in the League placings. I can assure you that I will use every means at my disposal to keep my lads on their toes and as keen as mustard till we drag ourselves away from the dreaded bottom four.

On behalf of the Directors and Staff of Hartlepool United we welcome our visitors from Swindon and hope they spend a pleasant day in Hartlepool.

Bill Horner.

As the old saying goes, "As one door opens,  
another one is slammed in your face"!!.

I pass this remark with tongue in cheek, but  
that is how I, and many others feel after  
Pools United lost 4 - 1 to Chester. It just  
goes to prove that nothing is certain in this  
game. In spite of what happened last week  
at Chester, all is not lost, Pools can still win  
the necessary amount of points to keep out  
of the relegation, or should I say, elimination  
zone??

I'm rather surprised that there has been no  
response from Hartlepool United supporters  
regarding my open invitation to write in and  
air their views in this programme, if you have  
any comments, constructive ideas, or criticism,  
or better still, ways of money making schemes  
to help Hartlepool United, now is your opportunity.

We still need more outlets for our Lottery  
Tickets, especially in works canteens. It just  
requires one man, or woman to offer them  
for sale during their dinner break, a fine  
example of this is the employees of M&M Oil,  
and Albert Kelleher who works in the stores,  
if we had twenty more like them we would be  
absolutely delighted.

Syd Lavelle.
