GLENN HODDLE

Good afternoon and welcome back to the County Ground for what must be a six pointer game if ever there was one.

At the present time we do not seem to be getting the rub of the green at both ends of the pitch. Since we took over some of the football we have played has been superb as has been the attitude and character of the players considering the fact that in all five games we have gone one down. In most games we have managed to get ourselves back which is a credit to the players.

However, the problem is we *need* results at this stage considering the position we are in. I'm sure that if we keep playing the way we have and continue creating the chances the tide will turn.

One thing I must say is that on Tuesday evening against Notts County after being 2-0 down, the supporters showed tremendous patience and marvellous support in rousing the team up and almost retrieving the match. This was noted by all the players and staff and even the County Manager Neil Warnock mentioned the fact after the game.

I hope that you can continue this wonderful positive help today.

I was happy to play my first full game in Swindon colours on Wednesday afternoon in our 6-1 victory over Millwall Reserves and how encouraged I am in some of the youngsters at the club which will stand us possibly in good stead for the future. I am also pleased to report that the knee held up!

We are back at home again next Saturday for the visit of Barnsley - see you then.

COMMERCIAL COMMENT

This afternoon we have not one, not two but three mascots!

10 year old Tim Gibson from Grange Park in West Swindon and eleven year old Shane Gleed from Blunsdon lead out Swindon Town for this important game, while Gavin Cunliffe aged 10 from Highbridge in Somerset, leads out his favourite team – our visitors Leicester City.

Tim won a competition run last year by Dewhurst The Butchers, The Link Magazine and the West Swindon Centre. Entrants were asked to draw or paint a picture celebrating our success in the play-offs and Colin Calderwood was given the difficult task of choosing the winning entry.

Our other mascot is Shane Gleed who attends the Ruskin Junior School and plays for the school team, Stratton Red Eagles and the Blunsdon Colts. His favourite player is Micky Hazard.

Leicester City's mascot, Gavin Cunliffe, comes all the way from Somerset, having previously lived in Fleckney where he was trained by Leicester captain Ali Mauchlen. Gavin's ambition is to play for Liverpool (via Leicester!)

To all three boys we bid a warm welcome and trust that you will enjoy your day out at the County Ground.

WELCOME

For our penultimate home fixture of the season we are pleased to welcome to the County Ground the players, officials and supporters of Leicester City Football Club for this Barclays League Division Two clash.

BARCLAYS LEAGUE

Next Saturday we see the season out as far as our home fixtures are concerned with the visit of Mel Machin's Barnsley side who themselves are in with a promotion play-off chance. Kick-off is at 3.00 p.m. The curtain comes down on the 1990/91 season for us on Saturday 11 May when we travel to the Potteries to take on Port Vale at Vale Park, again with a 3.00 p.m. kick-off.

WITH THE RESERVES...

The Reserve Team have two away fixtures next week in the Ovenden Papers Football Combination. On Tuesday evening they are due to meet Wimbledon at Plough Lane before travelling to play Charlton Athletic on Thursday 2 May at Welling United's ground. Both games have 7.30 p.m. kick-offs. The final game for the Reserves this season is on Bank Holiday Monday, 6 May, with the rearranged home game against Fulham. This game has a 3.00 p.m. kick-off.

AND THE YOUTHS...

This morning the Youth Team were in action for the final time at Southbrook Park in the South East Counties League with the visit of Brighton & Hove Albion. From next season the lads will be playing their League games at the Allied Dunbar Training Centre at Wanborough. To finish their South East Counties League season they have two away fixtures. Next

Saturday they travel to play Bristol Rovers at Keynsham before their visit to South East Counties newcomers Maidstone United on Saturday 11 May.

F.A. CUP FINALS

As well as the F.A. Challenge Cup Final when Nottingham Forest meet Tottenham at Wembley on Saturday 18 May, the Football Association is also seeing its other competitions reach their climax. This afternoon sees the final of the County Youth Cup when Lancashire meet Surrey at Bolton Wanderers Football Club. Next Saturday it is the turn of the Challenge Vase Final which takes centre stage at Wembley when Gresley Rovers of the West Midlands League plays Guiseley of the Northern Counties East Premier Division. Wigan Athletic stage the Final of the F.A. Sunday Cup between Nicosia and Ouzavich. On Saturday 11 May at Wembley Stadium Ray Clemence is Chief Guest for the final of the Challenge Trophy between Kidderminster Harriers and Wycombe Wanderers, both of the GM Vauxhall Conference. Having pipped Manchester United in the final of the Rumbelows Cup at Wembley recently, Sheffield Wednesday booked their place in the final of the F.A. Youth Cup beating United at Old Trafford with a last second goal in the semi final. Wednesday now face Millwall, who knocked us out of the competition in a two legged final.

PROGRAMME FAIR

The 13th Annual Programme Fair is being held on Sunday 12 May 1991 from 10.30 a.m. to 2.00 p.m. in the Supporters Club at the County Ground. Admission is just 30p and many local and national dealers will be in attendance.

FROM A NUT!

We reproduce here a letter received from a West Ham United fan following last weekend's game at Upton Park.

Dear all connected with Swindon Town F.C.

As you can guess I'm a West Ham United NUT, after a long miserable ride back from Villa Park last week we had the pleasure of celebrating promotion back to the First Division after a victory over your club.

However, what was really nice about the occasion was that once our announcer had read out that we were promoted the whole of the Swindon Town fans generously gave us a big round of applause, in return we applauded them back. I remember last October onboard our coach making our way back from your ground many Swindon Town supporters gave us a friendly wave goodbye, one of which especially sticks in my mind is a young couple with their baby daughter all kitted out in red and white. May I wish Swindon Town every success in the promotion hunt next season.

**THE WINNING
COMBINATION**

SEASON BY SEASON

We continue our look back
at Swindon Town through the years . . .

1982/83

NEW LAWS

A new rule was brought in at the beginning of this season which forced the goalkeeper to release the ball at four paces. The F.A. also sent out a directive that a player who committed a deliberate foul with the intention of preventing a goal should be sent off.

GOOD START

Swindon's first ever season in Division Four opened with a home game against Port Vale. Swindon looked by far the better side, but squandered chances leaving Rideout's goal the decider in a 1-0 win. Town were less successful in their first away match, going down at Blackpool 2-1 with debutant Ray Baverstock giving away a penalty. After eleven games, Swindon were lying in sixth position with nineteen points.

SOUR END TO MILK CUP

A disputed goal just before half time at Ashton Gate saw Swindon go out in the First Round of the Milk Cup, beaten 3-2 on aggregate by Bristol City after winning the first leg 2-1.

CARTER DISPUTE

Roy Carter had been placed on the transfer list at his own request and was not featuring in the first team. With the club still in a grave financial situation with a £93,749 loss on the previous season and losing £3,000 a week, this was regarded as something of a luxury by the Board. Manager, John Trollope, was unhappy that Carter should be allowed to go on loan to promotion rivals Torquay and, as if to rub the salt in the wound, it was a foul on Carter that led to Swindon's Howard Pritchard being

sent off in the 1-1 draw between the two clubs at Plainmoor. Later in the season Roy Carter, who made 199 League appearances for Swindon, joined the Devon club for a small fee. Happily by this time finances were a little easier as four new directors had joined the club, bringing with them a cash injection of £100,000.

CUP SUCCESS

Goals from Charlie Henry and Paul Rideout account for non-League Wealdstone in the First Round of the Cup. However, in Round Two they made less good use of home advantage, allowing a two goal lead against Brentford to slip away. In the fiercely fought replay, which saw Swindon's Kevin Baddeley and Brentford's Terry Hurlock sent off, extra time goals by Pritchard and Paul Batty, who had an excellent game, gave Swindon victory by 3 goals to 1. Round Three saw Swindon achieve a crushing 7-0 victory over Aldershot. Both Howard Pritchard and Andy Rowlands scored hat tricks in this match. The latter's was a hat trick in the genuine sense of the word, all three goals coming in succession in the space of 16 minutes. Despite giving a fine account of themselves the Robins went down 3-1 at Turf Moor, largely due to defensive errors.

ASHTON GATE AGONY

It is often said those whom the gods wish to destroy they first make mad. The destruction of Swindon's promotion hopes began at Ashton Gate. Bristol City scored a last minute equaliser when the ball appeared to be kicked from the hands of Jimmy Allan. Gary Emanuel protested too fiercely and was sent off by referee Maurice

Robinson. Swindon were still well placed with 42 points from 22 games putting them fourth, high enough to get them up if they maintained that position. Sadly, after this game it all began to fall apart. The team still had its moments, as with a Rideout hat trick in the victory over Rochdale, but more often it was a tale of misfortunes and missed chances. Swindon, denied what seemed a penalty, drew 1-1 at home to Bury. Rideout missed a penalty in the game at Mansfield and Swindon lost 1-0.

TROLLOPE'S REIGN ENDS

Home defeats against Chester (3-2) and Darlington (2-1) left the crowd baying for blood and they got it when Trollope resigned to take over Youth team duties. Ken Beamish, his assistant, was appointed caretaker/manager and saw the team achieve a goalless draw at York in his first game in charge.

THAMES VALLEY ROYALS

Amidst the gloom, one piece of good news was that Robert Maxwell was not going to include Swindon in his proposed merger of Oxford United and Reading. Chairman Cecil Green dismissed any suggestion of amalgamation, refusing to take lessons from a club just out of the Southern League.

SWINDON BOYS

With cash in short supply, the Town had turned to local talent and no fewer than five members of former Swindon Boys teams featured in matches. They were Kevin Baddeley, Ray Baverstock, Martin Blackler, Charlie Henry and Paul Rideout (top scorer with 23 goals).

MUSICAL SOCCER!

It's that time of year again – the traditional F.A. Cup songs are recorded!

According to reports, the fact that Arsenal went into a studio *before* their semi-final against Tottenham inspired Spurs to victory – now the White Hart Lane club has a song called 'The Arsenal' with Chas & Dave, which hasn't apparently gone down well at Highbury!

Musical soccer memories, I suppose, start in 1970 with the England World Cup squad's 'Back Home' as something for them to hum while they were away in Mexico. It reached number one in the hit parade and was on the charts for sixteen weeks. Twelve years later, 'This Time (We'll Get It Right)/ England We'll Fly The Flag' was a number two tune. The 1986 effort wasn't nearly as popular – 'We've Got The Whole World At Our Feet/ When We Are Far From Home' peaked(!) at 66!

By 1988, the International squad had teamed up with the sound of Stock, Aitken & Waterman for 'All The Way' – no higher than 64 in the top 100.

Last year – 'World in Motion' by New Order was the nation's favourite in June – helped, no doubt, by the Kenneth Woolstenholme commentary – they think it's all over and John Barnes' rapping ability.

Club songs were 'Trendy' two decades ago with 'Blue Is The Colour', the Chelsea anthem and 'Nice One Cyril, Nice One Son, Nice One Cyril, Let's 'Ave Another One' for Tottenham, 'I'm Forever Blowing Bubbles' with the West Ham faithful and 'You'll Never Walk Alone' adopted by the Kop at Anfield.

Who could forget 'Ossie's Dream' on reaching Wembley ten years ago, the fifth most popular song with the record-buying public or

team mates Glenn and Chris from almost exactly four years ago – Hoddle and Waddle were described as a male vocal duo – from the United Kingdom – with 'Diamond Lights' – catalogue number Kick 1 on the Record Shack label. It got to number twelve!

JUNIOR ROBINS

Good afternoon and welcome to what should prove to be a thrilling game against Leicester City.

Our Junior Robins U-13 team recently played a friendly game against Meadowcroft Rangers and were safe winners by nine goals to one. We played some very good football with some fine passing movements. The opening goal was a fine strike from Adam Wainwright, who turned in a good performance from midfield by scoring two more goals to complete his hat trick. Player of the Match awards went to Phillip Trueman and Francis Cullen.

Meadowcroft, to their credit, never gave up and battled hard to the final whistle. Aaron Gleed scored their goal which rounded off a fine performance for him.

The Robins goals came from Adam Wainwright (3), Steve Cowell (2), Craig Ratcliffe, Chris Rees, Phil Trueman and Stuart Wall.

The team need every ounce of support from you this afternoon, so come on all Junior Robins and make yourselves heard.

Front row (left to right): Andy Jeffrey, Gary Fitzpatrick, Ian Baraclough, Jason Peake.

Recent results have, like ourselves, put Leicester City into the relegation zone battling to avoid the drop into the Third Division for the first time in the history of the club.

Former Everton Manager Gordon Lee took over the hot seat at Filbert Street earlier this season following David Pleats departure. Lee was formerly Assistant Manager at the club.

The coaching staff at Filbert Street is completed with the experience of Bobby Roberts, Colin Murphy and Ali Mauchlen who acts as player/coach.

Keeper Martin Hodge, was ever-present last season but has only just returned to the side, having made just three first team appearances earlier this season. Made available for transfer during the summer, Hodge signed in at Leicester City for £1½m in August 1988 from Sheffield Wednesday with whom he made in excess of 250 appearances in his five years at Hillsborough. He has previously been with Plymouth Argyle and Everton and has had loan spells with Oldham Athletic, Gillingham and Preston North End.

Marc North joined Leicester City from Grimsby Town in March 1989 but his early progress was hampered by a

broken leg. Last season he featured regularly on the substitute bench and had the knack of coming on and scoring some vital goals.

Romford born Tony Spearing was another who suffered injury problems last season and has only featured in a handful of games this term. A former apprentice with Norwich City, Spearing made 82 first team appearances while at Carrow Road and has had loan periods at Stoke City and Oxford United. A £100,000 transfer took him to Filbert Street in July 1988.

Captain, Ali Mauchlen, joined City in August 1985 from Motherwell in a joint deal along with Gary McAllister. He has now made well over 200 appearances for the club and is also currently involved on the coaching side of the team.

26 year old Fulwood born Steve Walsh was a Wembley winner with his previous club, Wigan Athletic, in the 1985 Freight Rover Final before joining Leicester in June 1986. He had a reputation for a fiery temperament in his youth but has now matured into a confident central defender.

Tony James established himself as a first team regular towards the end of last season following his signing from Lincoln City on the first day of the season. He has been a

regular in the side this season and is noted for his prodigious throw-ins.

A £300,000 signing from Oldham Athletic in August 1989 is 25 year old Tommy Wright who has also been with Leeds United. He has added balance to City's left side and has Scottish Youth and U-21 caps to his credit.

Leading scorer this season is David Kelly who soon recaptured his goalscoring touch once he had settled in at Filbert Street following his £300,000 move from West Ham United in March 1990. Formerly with Walsall, Kelly regained his Republic of Ireland place in time to be included in their squad for the World Cup in Italy.

Midfielder Ricky Hill joined Leicester City in August last year after a season abroad with French Second Division side Le Havre. Born in Hammersmith he has earned three full England caps during a 13 year career at Luton Town where he appeared in two Littlewoods Cup finals and clocked up over 500 appearances notching over 60 goals.

Gary Mills recovered from a serious early season injury last year to earn a club double at Filbert Street of 'Player of the Season' and 'Goal of the Season'. Signed from Notts

County in March 1989 for £275,000, Gary had previously been a European Cup winner while with neighbours Nottingham Forest. He has two England U-21 caps amongst his collection.

England Youth International Kevin Russell was signed from Wrexham, with whom he spent two seasons, in June 1989 for a fee of £175,000. Another of the unfortunates to be hampered by injury last year Russell has netted four goals since his return to the first team last month.

Although born in Perth in Australia, 20 year old David Oldfield is an England U-21 International who joined Leicester City in January 1990 in the exchange deal which took Wayne Clarke to Maine Road. Oldfield started his League career as an apprentice with Luton Town.

Another of the ex-Kenilworth Road contingent now with Leicester City, Rob Johnson moved to Filbert Street in a part exchange deal for Mick Kennedy on the eve of last season. Born in Bedford, Johnson made his debut for The Hatters as long ago as 1983 and won a Littlewoods Cup winners medal during his time there.

So to this afternoon, and a game when both sides know that three points could well ensure Second Division survival.

ON THIS DAY

APRIL 27th

27th April 1926. Football League teams review the first season in which the offside law was changed (from three defenders to two required in front of an attacker). Three days later Huddersfield Town clinch their third successive Football League First Division Championship, the first club to achieve this feat since professional football was first established in England in 1888. The offside change seemed to work, an extra tally of 23 goals for the Division One champions. Plymouth Argyle, in Division Three (South), go from 77 to 107 goals as they finish second in successive seasons, for Swindon fans only an extra three goals in sixth place.

27th April 1955. Swindon defeat Coventry City 3-0 at the County Ground but finish 21st in Division Three (South). Worse is to follow as they finish bottom and next to bottom in the following seasons.

27th April 1957. Swindon defeat Colchester United 4-1 but this does not stop them from finishing 23rd in Division Three (South). Norwich City finish in bottom spot but their East Anglian neighbours Ipswich Town top the League and gain promotion to Division Two.

27th April 1963. Swindon win 2-1 at the County Ground defeating Bournemouth and Bert Head's 'Babes' take another giant step towards their first promotion in the Football League.

27th April 1985. Only 6,172 at Molineux and even a sit down protest attracts only one spectator as Wolves await the drop to Division Three, on their way to Division Four for the first time.

27th April 1987. Swindon Town prepare for their Third Division promotion game with Notts County the next day. Swindon win 3-2, the first team to win at Meadow Lane in 18 games.

27th April 1988. Gary Pallister makes a good international debut in England's 0-0 draw in Hungary.

Ovenden Papers Football Combination vs Brighton & Hove Albion and vs Portsmouth

After achieving three successive home wins we travelled to Brighton & Hove Albion and Portsmouth looking to continue our good form.

On reflection these two games are ones we should have won, after getting ourselves into the lead on both occasions.

In the midweek game at Brighton we played some good controlled football, attacking whenever possible and only rarely being threatened at the back. With the score at 0-0 at half time we went on the attack from the re-start and our pressure paid off in the 55th minute when Nicky Summerbee scored from a direct free kick. At this stage of the game we were in so much control that we looked as if we would run out comfortable winners when, totally against the run of play, the home side scored from a cross. A total lack of concentration by our back four and within minutes Gary Nelson had put them 2-1 up, again by eluding his defensive marker when it seemed no danger threatened. After this blow

we lost our pattern completely and didn't look anything like the team of the previous hour. It was no surprise when Nelson scored his second to make the score 3-1 and it was left to Paul Hunt to score a last minute consolation to round off the scoring.

The story is much the same for the game at Portsmouth last Saturday. We started the game playing some marvellous football and took an early lead through Shaun Close. From this bright start we went on to dominate the whole of the first half with Nicky Hammond's goal hardly being threatened and us always looking to add to our total. However, after the start of the second half it was a totally different story, almost a carbon copy of our previous game.

Two goals in the space of five minutes, which could have been easily averted had we been more aware of danger and not so naive in our defensive approach which cost us the game. The sooner we learn to keep our minds on the job and stick to our defensive duties then the better all-round as our open play deserves better rewards. Our young defenders must realise quickly that they can win games for us by keeping clean sheets.

Saturday 13 April 1991 South East Counties League Swindon Town 1 Brentford 2

As in many games this season we came up against a side who played the strength and power game using the long ball, wherever possible closing down quickly when not in possession.

This disrupted our passing game, especially in the first half when Brentford's style of play ran the game. Little football followed by either team, with our problems stemming from poor

awareness of the passing option and movement off the ball.

A bad decision by Barry Williams, who charged off his line needlessly, gave Brentford an easy opening goal and we did not look like equalising in the first half. In the first minute of the second half good running by Wayne O'Sullivan gave us the lift we needed. Towards the end Brentford took the points with a simple goal which left us one place off the bottom of the table.

Saturday 20 April 1991 South East Counties League Swindon Town 0 Bristol City 1

Just managing to field a side due to Reserve Team calls and injuries to players, we included five schoolboys in our side and gave an excellent performance. Although not creating too many chances or openings we had our fair share of the game, trying to be constructive in possession and working hard to win the ball back when not.

Bristol City scored the only goal of the game right on half time. This was one of the few we did not keep pressure on when defending. Reasonable openings were created but a moment's hesitation gave them the space to get their shot in.

FOCUS ON YOUTH No. 10 ANDREW JOHN THOMSON

The youngest Trainee at the club is Andy Thomson who has just reached his seventeenth birthday.

Swindon born, not only is Andy the youngest at the County Ground he must also rank as one of the tallest, at almost 6'3" - and still growing!

Andy attended the Kingsdown School, who also boasts Paul Rideout as an ex-pupil.

A former associate schoolboy and member of the Swindon Town Centre of Excellence, Andy admits that he has an awful lot to learn about the game and is appreciative of the amount of time that not only the coaching staff but also the senior professionals spend with the younger players. While he is a regular in the South East Counties side, Andy has also made two appearances in the Football Combination this year; one of which was the recent home game against Crystal Palace which Reserve Team Manager Andy Rowland rates as being the best performance this season.

Despite being born in Swindon, Andy is eligible to play for Scotland and Wales as well as England and he says that his dearest wish is to play for England at Wembley.

A lover of the Italian style of football, he enjoys watching his favourite defender Franco Baresi, the Italian centre back who featured in last years World Cup finals.

Away from the game Andy likes to spend time with girlfriend Karen in Stratton where he lives with his parents and two brothers. A keen sportsman, Andy likes to participate not only in football but also in golf, snooker and tennis.
