NEWS ON one

Swindon Town manager Glenn Hoddle managed a star studded Barclays League team last Wednesday evening at Bristol City Football Club, taking on a representative side from the Italian Serie B. Hoddle's team ran out 3-1 winners on the night gaining revenge for the Italians 2-1 victory in the first game in Caserta last March. Swindon hot-shot Craig Maskell continued his impressive form with two early goals in the first half and West Ham United's Martin Allen showed some brilliant skill in the 64th minute to give the Barclays League team a 3-0 lead reduced only by a consolation goal just over ten minutes later. Said Glenn, "Many of the things we admire about the Italians we actually showed them. Some of the football played was tremendous, especially considering that we had only been together for three days."

Dennis Rofe admitted that he will be under pressure to sell players at Bristol Rovers if his transfer targets are realised. The Rovers' manager is edging closer to sign up to three new faces and will have to

trim the wage bill if he is to join the dog-fight to get off the bottom of the table. Rofe has stressed that he is not looking to sell his best players like defender Steve Yates and goal-scoring Marcus Stewart but would listen to worthwhile offers for any other members of his squad at Twerton Park. Rofe was hopeful of signing at least one player in time for last Saturday's trip to meet Birmingham City at St Andrew's.

Birmingham themselves have secured the services of Southampton striker David Speedie on loan. The controversial former Scottish International had been threatened with becoming a football out-cast after being transfer-listed by the Saints and was turned down by Sunderland when he refused to uproot his family from the Midlands. Blues boss Terry Cooper said, "It should be a good move all round. We need someone like him to lift us and I think that he needs a lift himself. "Speedie added, "I had no hesitation in signing. I have not played for three weeks and I'm desperate to get going again."

Record breaking Newcastle United are facing a phenomenal demand for

terrace season tickets after selling all 10,700 of their seating capacity. The Club say that they are selling over 400 tickets per day and have been forced to make all of their remaining home fixtures all ticket.

John Beck who last week was linked with the vacant manager's job at Preston North End, despite assurances from Deepdale that he had neither applied for nor was offered the job was axed himself by Cambridge United on Thursday. Both Beck and assistant Gary Peters were dismissed after a Board meeting at The Abbey Stadium unanimously agreed that it was in the best interests of the Club following the uncertainty of Beck's future with Cambridge following the Preston story. Youth Team Coach Gary Johnson takes charge at The Abbey Stadium until a replacement is announced.

Oldham Athletic

Oldham Athletic are enjoying their second season back in the top flight after an absence of 68 years during which they plummeted to Division Four on a couple of occasions.

It was not the most comfortable of seasons last year, although they eventually finished 17th - nine points clear of the relegation zone. But it was a start.

Joe Royle, a passionate advocate of attacking football, had produced a highly exciting side but they conceded 67 goals in the old First Division - a figure only surpassed by relegated Luton who leaked 71.

Not surprising then that Joe Royle's hectic pre-season transfer negotiations should be aimed at stiffening the back line. Manchester City defenders **Steve Redmond** and **Neil Pointon** were drafted in with forward Rick Holden going to Maine Road as part of the deal.

Redmond was in the starting line on the opening day of the campaign at Chelsea in a back line that included 26 year old **Andy Barlow** - the only Oldham born player in the squad - who has been capped by England at 'B' level, **Ian Marshall** and **Richard Jobson**.

Pointon's chance came when Barlow was injured in mid-August - his debut being made in a pulsating 5-3 win over Nottingham Forest that emphasised that life at boundary Park is never dull.

Oldham stormed into a five-goal lead, with **Gunnar Halle** revelling

in his first spell for the Club in midfield alongside the industrious Nick Henry - the Norwegian netting his first goal for Oldham whom he joined three years earlier.

Paul Bernard made it 5-0 and still not an hour played. But then Oldham conceded three goals - two of them in the last four minutes!

At Highbury Oldham were beaten by two first half goals from Winterburn and Wright yet, in the second half, had exposed Arsenal's defensive frailties enough to have earned at least a point.

An injury which forced Nick Henry to limp off on the hour, allowed former Aston Villa striker **Ian Olney** to make his debut following his £700,000 signing in the summer. He's been a regular alongside **Graeme Sharp** ever since.

No matter what the score, Oldham have maintained their desire to attack and at Maine Road they demonstrated great character to overcome a 2-0 deficit suffered inside eight minutes. Twice they overhauled City's two goal advantage to earn a point from a 3-3 draw.

The season has been like this with victories such as those over Ipswich Town and Everton tempered by defeats at Blackburn and Hillsborough. Indeed, the Latics are still awaiting their first away win in the Premier League.

Even in the Coca-Cola Cup, Oldham were far from impressive at St James' Park where Exeter City, of the Second Division, held them for 85 minutes before **Nick Henry** popped up with the only goal of a close encounter.

It proved to be the winner for, in a

surprising second-leg at Boundary Park, neither side could muster a goal - Oldham winning through 1-0 on aggregate.

The team seems fairly settled, however, with **John Keeley**, a £240,000 buy from Brighton in August 1990, unable to oust Hallworth from the number one jersey he has worn but once - in the final game of last season.

Assistant manager, **Willie Donachie**, has been included on the bench this term and other contenders for midfield roles include **Roger Palmer** and **Neil McDonald**.

McDonald, recruited from Everton last season for £500,000, is equally comfortable at rightback or midfield. A former England Schoolboy, Youth and Under-21 cap, Neil started his career with Newcastle United.

Roger Palmer goes down in the history books as one of Oldham's all-time greats. He's long since smashed the Latics scoring record with 156 goals so far in all competitions. Previously with Manchester City with whom he scored 9 League goals, his opening strike in a 2-2 draw with Everton last December was his 150th in the Football League.

Then there's **Andy Ritchie**, who has scored 142 goals in 408 League appearances for Manchester United, Brighton, Leeds and Oldham. He was a bargain catch at £50,000 but has yet to play this season following protracted injury problems that limited him to just 16 appearances last season - although he still contributed seven goals.

Back row (Left to Right): Paul Moulden, Gunner Halle, Ian Olney, John Keeley, Neil Tolson, Jon Hallworth, Andy Holden (player/coach), Rick Holden, Willie Donachie (player/coach).
Middle Row (Left to Right): Billy Urmson (coach), Jim Cassell (chief scout), Graeme Sharp, Neil McDonald, Craig Fleming, Paul Bernard, Andy Barlow, Neil Adams, Ronnie Evans (Kit Manager), Ian Liversedge (physiotherapist).
Front Row (Left to Right): Roger Palmer, Ian Marshall, Richard Jobson, Joe Royle (Manager), Andy Ritchie, Nick Henry, Mike Milligan.

NEIL ADAMS - *Winger.* Cost £100,000 to sign from Everton in August 1989. Played one full season for Stoke City - he made his League debut with them at Charlton (21-9-85) - before joining Everton in 1986 for £150,000. Gained England Under-21 honours while at Goodison Park. Scored 4 goals in 26 League appearances last season. Born: 23-11-65.

PAUL BERNARD - *Midfield.* Still only 19 and a really exciting prospect. Made his bow against Middlesbrough at the end of the 1990-1991 season and scored the vital equalising goal against Sheffield Wednesday in the game that clinched the championship. Drafted into Scotland's Under-21 side last season, he netted 5 goals in 20 League outings and this season is establishing himself in the side. Born: Edinburgh 30-12-72.

CRAIG FLEMING - *Defender.* Was a regular in the fullback berth

at the end of last season having made the transition from 4th Division football quite smoothly following a £150,000 transfer from Halifax Town. This season, however, he has occupied the substitutes bench. Formerly a midfielder, he made his League debut four seasons ago. Born: Halifax 6-10-71.

GUNNAR HALLE - *Rightback.* Signed from Norwegian club, Lillestrom, for £280,000, Gunnar had not scored in three years with Oldham until he hit the target against Nottingham Forest in August and a week later at Maine Road. Collected his 33rd cap for Norway in the 1-1 draw with England at Wembley a fortnight ago - having netted a hat-trick against San Marino the month before. Has played in midfield this season. Born: Oslo 11-8-65.

JON HALLWORTH - *Goalkeeper.* Was a junior with Ipswich Town but, before getting a

chance in their first team, he played League soccer on loan with Bristol Rovers, making two appearances - the first at Reading 26-1-85. Had spent a spell here at Swindon and at Fulham earlier that season but was not called upon to play first team football by either club. Moved to Boundary Park in February 1989 for £125,000 and was an ever-present in the Second Division Championship campaign. Born: Stockport 26-10-65.

NICK HENRY - *Midfield.* Joined the Club as a trainee and was introduced to Second Division football at Hull City (19-9-87). Had a spell on loan with Swedish side Halmstad in season 1987-88 but soon forced his way into the Latics side - his tigerish tackling and non-stop industry, making him a key figure in the successes of the past two seasons. Born: Liverpool 21-2-69.

OLDHAM ATHLETIC

RICHARD JOBSON - *Centre Back*. Started his career as a midfield player with Burton Albion and made his League debut in that role for Watford v Ipswich in December 1982. Moved to Hull City in '85 and it was at Boothferry Park that he was switched to a defensive role. So outstanding was he that Joe Royle invested £460,000 for his services in 1990 and last season his form earned him two England 'B' caps. Born: Hull 9-5-63.

IAN MARSHALL - *Central Defender/Striker*. Big powerful and highly effective in defence or attack, he served his apprenticeship with Everton - making his debut v West Bromwich Albion (20-8-85) in defence. Made only 15 League appearances in five years at Goodison Park and joined the Latics, for £100,000, in March 1988. An injury crisis opened the door for Ian to exploit his attacking instincts in 1990-1991 when he was pushed into attack and scored six goals in his opening five League games. Ended the season as top scorer with 18 and last season added another 10 goals. Born: Oxford 20-3-66.

MIKE MILLIGAN - *Midfield*. Returned to Oldham in 1991 for £600,000 after an unhappy year with Everton, whom he joined for £850,000. Mike had turned professional with the Latics in 1985 and, after being introduced to the senior side at Sheffield United in April 1986, he quickly settled. Captained Oldham in the 1990 League Cup Final and after gaining 'B' caps made his full international debut for Eire v USA last April. Born: Manchester 20-2-67.

IAN OLNEY - *Striker*. An England Under-21 forward (10 caps) signed, for £700,000, from Aston Villa in the summer. Ian scored 20 goals in his 70 games for Villa after making the breakthrough in October '88 against Birmingham City. Made his Oldham debut as a sub at Highbury (26-8-92). Born: Luton 17-12-69.

NEIL POINTON - *Leftback*. Started his career with Scunthorpe United against Torquay in February 1982 and made 159 League appearances before joining Everton for £50,000 in 1985. Five years later Manchester City forked out £600,000 for his registration and this summer it cost Oldham the same figure to take him to Boundary Park. Born: Church Warsop 28-11-61.

STEVE REDMOND - *Defender*. Also made the journey from Maine Road in August for another £600,000. Steve emerged as one of the many outstanding players to come out of the Manchester City Youth Team of the mid 80s. Made nearly 250 appearances for City - the first v QPR (8-2-86). Capped by England at Youth and Under-21 (14) levels. Born: Liverpool 2-11-67.

GRAEME SHARP - *Striker*. Top scorer with 15 goals last season following his £500,000 move from Everton. Equalled his personal best when scoring four times against Luton last April. Started his career with Dumbarton, leading their hit list with 16 strikes in 1979-80. Then a £125,000 move began a ten-year association with Everton - on four occasions he was leading scorer. Capped 12 times by Scotland. Born: Glasgow 16-10-60.

THE MAN IN CHARGE

Joe Royle was one of the great centre-forwards. Strong, fearless and highly competitive, he rattled in 152 goals in 467 League games during a colourful career that embraced Everton, Manchester City, Bristol City and then Norwich City.

Big Joe was only 18 when he made his senior debut for Everton, and two years later after signing in 1968, he appeared in their FA Cup Final side that lost 1-0 to WBA. His proudest achievement with the Toffeemen though was winning the League title.

Capped six times by England, to add to his Youth and under-23 honours, Joe's tight control and footwork gave him that extra quality. His career was cut short at Norwich in 1981 by persistent knee problems and he returned to his native North-West.

In 1982 Joe was appointed Oldham's manager. He has since led the Latics to their most exciting era.

Success was not achieved overnight and Oldham have had to ward off tempting offers from Manchester City for their enthusiastic boss but in the late 80's Oldham Athletic established themselves in the national game.

The events of season 1989-90 were incredible. They nearly won three titles but ended with nothing. They just missed out on promotion from Division Two, lost at Wembley to Nottingham Forest in the Final of the Littlewoods Cup, then to Manchester United in the replayed FA Cup semi-final.

Joe eventually led his team into Division One in May 1991 - it was a testament to his ability to get the best out of his players and to his faith in attacking football.

Those were the days...

BY PAUL PLOWMAN

... looks back at previous connections with today's visitors

For Torquay's visit in the last round, we looked back to the early days of the Town's League Cup winning season in 1968/69. Tonight we continue the story, as the next League opponents after Torquay were none other than Oldham!

But prior to their trip to Boundary Park, 24 years ago yesterday, Swindon climbed another rung on the long ladder to Wembley by disposing of Coventry City in a Fourth Round replay, and it all seemed so easy on the night. The Town had cruised to a 3-0 lead by the 23rd minute and the contest was as good as over. Don Rogers, Roger Smart and Willie Penman did the damage.

Swindon and Oldham sat at opposite ends of the Third Division at this time. The Town were going for their sixth successive League victory while the Latics had won only once in fourteen starts. Jim Bowie gave Oldham the lead, but it lasted just three minutes. Don Heath - later to sign for Athletic - equalised before Rogers gave the visitors the lead midway through the second half. Oldham hit back again, through Keith Bebbington, with ten minutes to go, but Smart clinched two more points with an 85th minute header.

Some 7,000 Swindon fans went on the next away trip, for the League Cup quarter-final at the Baseball Ground. Derby had not conceded a goal in their last five games, and they didn't on this occasion either. But neither did the Town, so back they came to the County Ground. Before that, Swindon dispatched Southport -

long since departed from the League scene - with ease, Rogers grabbing four goals in a 5-1 win, and the flying winger hit a November 5 cracker to extinguish Derby's Cup hopes in front of a near 27,000 crowd.

The Town suffered two successive 2-0 reverses in the League in November, at Luton and Mansfield, but recorded two Cup victories in between. Southern League Canterbury City switched their First Round F.A. Cup tie to the County Ground, but still kept Swindon out for 89 minutes. Only then were they denied by a penalty.

Their second conquest was at Turf Moor, home of First Division Burnley, in the first leg of the League Cup Semi-final. A magnificent performance brought the Town a 2-1 win, skipper Stan Harland and Peter Noble scoring. The month ended with a comprehensive 6-2 victory at Northampton. Swindon faltered in the second leg of the Burnley tie, leaving a third game to decide the issue. Meanwhile, the F.A. Cup gave them an awkward tie at Midland League Grantham, but they came through unscathed, 2-0.

Two more Third Division victories, at home to Brighton and away to Torquay, were separated by the Semi-Final replay at The Hawthorns on December 18. In a see-saw contest, the Town took an early lead through John Smith, conceded a late equaliser and then another in the first minute of extra-time, but still roared back to destroy Burnley with two goals in four minutes.

The year should have ended with a visit from Oldham, but a frozen pitch put paid to that and so 1968 closed with an instantly forgettable 1-0 defeat at Orient. 1969 opened with a similar showing, as Swindon went down 2-0 at home to Fourth Division Southend in the Third Round of the F.A. Cup. Two draws, at Southport and at home to Luton followed.

The Town returned to winning ways on January 24, with a 5-3 win at Tranmere and Oldham came to the County Ground four days later. Still at the bottom of the table, but now seven points adrift, the Latics were soon in trouble. Frank Burrows and Chris Jones gave Swindon a 2-0 lead in the first four minutes, to the delight of a 21,316 crowd. Jones, who had scored twice at Prenton Park, went on to notch a hat-trick in a 5-1 victory.

Next on the fixture list that season was Barnsley..

CREWE OUT TO CHOP FOREST

The pulse of the Coca-Cola Cup picks up a beat as it moves into the 3rd Round.

The Davids of this round know that there is much more likelihood of causing a giant killing act against one of the big Clubs in a 'one off game' than in a two legged tie and so the likes of Bury, Scarborough and Crewe Alexandra are preparing to take aim. Dario Gradi's Crewe pulled out a plum tie when they were drawn at

home to Brian Clough's Nottingham Forest who have of late been struggling to find their form in the FA Premier League. Crewe's Gresty Road ground will no doubt be bursting at the seams for another night of passionate involvement.

Bury's Gigg Lane is another ground playing host to a Premier League outfit with the arrival of Gerry Francis' Queens Park Rangers.

One of the smaller Clubs who can not have been too pleased with the draw is Scarborough who having overcome Coventry City in the two legged second round must have been looking forward to a full house at their cramped Seamer Road Ground should they have been offered another top scalp. The draw was not so kind and they now have to face a trip to the lower reaches of the Country when they meet Peter Shilton's Plymouth Argyle at Home Park.

Undoubtably the tie of the round has to be Aston Villa vs Manchester United at Villa Park. Ron Atkinson has been paired up with one of his former Club's in a mouth watering tie. United are current holders of the League Cup. There are six all Premier League ties with Manchester City vs Tottenham Hotspur suggesting another classic. But it is in the other ties that the real gut feeling of Cup football lies. Who can fancy Chelsea's odds against

Kevin Keegan's high flying Newcastle United when they visit Stamford Bridge? Can Norwich City gain revenge for their 7-1 thrashing by Blackburn Rovers at Ewood Park a few weeks back?

One second round tie to be completed this week sees Leeds United returning to domestic Cup competition after their European Cup triumph over VfB Stuttgart in Barcelona. Leeds visit Scunthorpe with a 4-1 1st leg cushion to decide who will visit Watford in the third round in two weeks time.

There will be upsets, there always is. Could this be Crewe Alexandra's year? Can Scarborough overcome The Pilgrims and earn a glamour tie in the next round?

The next twenty four hours will tell!

PLAYER PROFILE

Town's 5-1 defeat of Notts County here at the County Ground was not only our best win of the season but a red letter day for teenager Kevin Horlock.

Horlock, called up as a replacement for the injured Paul Bodin, made a big impact in his first full League game - his contribution capturing the headlines on a day of great joy.

Mind you, suggestions in some papers that Kevin had been signed by us after Glenn had taken him on trial from Reading, illustrates just how unknown Town's latest success story is. For Kevin's only visits to Elm Park have been with West Ham United reserves.

The 19 year old from Plumstead in London was first introduced to professional football on the terraces of Charlton Athletic where his father was a regular supporter. But his heart was always across the Thames at Upton Park - the Club he passionately admired for their quality.

Success then seemed to be his when, in the summer of 1991, the Hammers offered him a contract after a prominent part in a successful youth team in which he had scored 11 goals from leftback. But progress since then has been very limited and when last season the Hammers offered him just a one-year contract Kevin felt he was being short changed.

Says Kevin: "I felt I deserved more. Having worked my way up through the youth teams, I got the impression I was being taken a little for granted. Playing reserve

team football week in week out can become frustrating if you don't see opportunity at the end of the road."

Is he disappointed then that he did not make the grade at Upton Park?

He grinned; "Every young boy dreams of running out with the team they have supported. As it happens, I have made it in a Swindon shirt which is just as good."

"Coming here in the summer was a great move for me. A lot of people suggested it was a big decision I had to make but to be honest I didn't think twice when Glenn offered me the chance to come. I was here in a flash."

He sure was. For Kevin arrived on the doorstep just as the lads were boarding the bus for the pre-season trip to Holland. There was one snag however. West Ham had tied a £75,000 label around Kevin's neck. Glenn did some astute bargaining and came up with a deal that will cost us £25,000 at the most.

On what we have seen so far this could be the buy of the season. For having played for 40 minutes as a sub at Portsmouth and made his full debut in the Coca-Cola Cup tie with Torquay United, Kevin would seem to possess all the attributes of a class player.

The goal he claimed against Notts County was absolutely masterful. Yet this was no shot out of the blue, for Kevin has proved a consistent

marksman at all the levels he has so far performed in.

At an impressive six-foot, I suggested to him that he must get a fair share of his goals with his head: "No," he smiled. "Most tend to be on the floor. I love to get forward into attacking positions. I actually enjoy that better than defending which of course is the main priority for a fullback."

With his scoring flair and love for the forward push, would he not be better off concentrating on a mid-field role, I ventured.

"No need to do that," was the instant retort: "The formula we play here gives defenders ample opportunity to join in the attack."

"I was a left midfield player originally but I moved back when there were some injuries as a schoolboy and have stayed there ever since."

Kevin is revelling in his new found glory, though he stresses he was not so enamoured with his performance against Notts County as some of the critics. He says: "It is looking better and everyone said I played well but I wasn't brilliant."

"I was a little nervous and gave the ball away too much. I get nervous before every game, be it in the reserves or any team. It is good. Keeps me on my toes."

"Paul Bodin is a tough act to follow. He is a great favourite with the fans but he will be out a little while with knee ligament problems and I aim to make the most of my opportunity."

Gorman's GROOVE

WITH
JOHN GORMAN

It's annoying even when we get a home win that we still get negative press reports from some quarters.

The day before the Notts County game last week Peter Day and Vicki Connor left the Club. Obviously with Peter bringing both Glenn and myself to the County Ground we were pretty shocked at the time but we are professionals and have to get on with the job in hand and hopefully, by the way the team responded on the field, we showed just that.

On behalf of everybody here at the Club we wish them both well for the future.

The news of Sunderland wanting to sign Micky Hazard was also translated very badly. We had no intention of selling Micky whatsoever but Sunderland wanted his services and were offering a good price. The player and the Club had to be considered but the decision for Micky to stay here with us has been made and we are naturally delighted as we do not want to lose any of our star players. The performance against

Notts County of young Kevin Horlock was very pleasing, slotting in as he did for the injured Paul Bodin. Kevin came to the Club during the summer and has impressed well in his Reserve team outings and we had no hesitations when it came to putting him into the first team squad. No doubt Kevin relished playing against his old team at Upton Park last Saturday afternoon.

Last week was a bit different for Glenn and myself. We had a complete new squad in training for the representative game against the Italians at Ashton Gate. While we were very pleased at being asked to manage the team, I'm glad that we do not have selection problems for League games similar to the one for that game. We had the choice of almost every player in the Football League which was fine but after the Saturday games there were a number of call-offs and we were ringing round for replacements nearly all Monday!

Tonight's game against Oldham Athletic should really get everybody going. Joe

Royle and Willie Donachie have done a marvellous job at Boundary Park and really are a credit to the game.

Oldham, like ourselves, are such a good attacking team and this game should be one to savour.

We as a Club can learn a lot from Oldham as they are a town similar to ourselves but have earned such a good reputation in the game and thoroughly deserve to be in the elite League. They can show that smaller teams if given the backing can establish themselves with the best.

Micky Hazard -
Staying.

Home & Away

Barnsley provide the opposition for our last game of the month - here next Saturday and it has all the makings of a hard contest.

The Tykes might well be situated at the wrong end of the First Division table, an indication of the fact that they have won only twice in the Barclays League prior to this weekend, but they are a strong resolute side and give little away.

Away from home they have scored just five goals it is true but they have only conceded six - which suggests there will be a defensive edge to their game here on Saturday.

We played them early on in the campaign of last season when Steve White, Martin Ling and Duncan Shearer were on target in a 3-1 win.

That, however, was our first win over Barnsley at the County Ground since March 1988 - when incidentally Steve White netted twice and Quinn added a penalty - in a 3-0 victory.

Barnsley are managed by Mel Machin the former Manchester City boss, a former player and coach at Norwich City, whose principles on the game have

always been progressive.

It looks like a good game in prospect with Town looking to end October with a clean sweep of home victories. So make a date. It is **SWINDON TOWN vs BARNSELY** in the Barclays League Division One next Saturday at 3.00pm.

The following Tuesday there's a big night coming up and a chance of revenge over Brentford in an important Barclays League Division One game.

You may recall it was the Bees who stung us badly with a 2-1 KO in the Anglo Italian Cup.

That defeat here remains the only blemish on an impressive Town home record this season and the lads are anxious to put the record straight.

Brentford of course won promotion from the old Third Division last season.

Steve White-
Has a habit of scoring against
the Tykes.

COLIN'S CORNER

WITH
COLIN
CALDERWOOD

A break from Barclays League action tonight sees the first visit of a Premier League side to the County Ground. Naturally we do not expect a similar scoreline this evening as we did in the second round at Torquay United but one thing I'm sure of is that you can expect to see an entertaining game. Like ourselves, Oldham like to play the game but at the end of the day I hope we play that little bit better than our visitors to see us in tomorrow night's fourth round draw!

Last week I was privileged to play for the Barclays League team who faced the Italian Serie B team at Ashton Gate. It was great to hear the number of lads from other clubs who came to us afterwards saying how much they had enjoyed the few days in Swindon adopting our style of play, even though it may have been for just one game.

We were somewhat surprised at the tactics of the Italians. There were of course the usual nominations for dramatic arts awards with the slightest of challenges but the Italians failed to show some of the skills they are famous for. Both of Craig's goals came from mistakes by the goalkeeper.

Still, to tonight's game. More than ever we need you to get behind us. There was a tremendous support of shouting youngsters at Ashton Gate which really got us going.

Let's give the gaffer a birthday present to remember.

BENNO

Town fans are promised a feast of football tonight

with two of the most fluent sides in English football in opposition.

Neither Town nor Oldham are considered to be glamorous Clubs yet in pure football terms you will have to go a long way to find two more enterprising sides in terms of quality and commitment to the positive aspects of the game.

I for one believe that tonight's game will be a thrilling spectacle worthy of much greater recognition. Too many influential people are blinkered to thinking that unless Liverpool, Manchester United or Arsenal are involved the national interest is limited.

Tonight I'm sure Swindon and Oldham will prove that there is football, and good football at that, outside Anfield and Old Trafford.

This is our first ever pairing with the Latics in the League Cup, yet it is 68 years ago that we first clashed in the

F.A. Cup. But in terms of League football our association is very new.

What a hectic start it was, too, back in the Easter week-end of 1966. On the Friday we lost 1-0 to Oldham here at The County Ground before a gate of 12,593. Then 24 hours later we clinched an important Third Division point with a 1-1 draw. East going down in the record books as scoring our first ever League goal against the Latics.

The following season turned up a nine-goal thriller at The County Ground - Town winning 6-3 with Don Rogers leading the spree with a brilliant hat-trick.

The only other Town player to net three goals against the Latics is Chris Jones, who achieved his hat-trick in a 5-1 win here in January 1969 ... Steve White though came close with two goals in January 1990 to help us to a 3-2 victory. Can he go one better tonight?

Talking of Oldham, Fraser Digby almost made his League debut for them during the Christmas fixtures of 1985.. He was a teenager with Manchester United at the time when the Old Trafford Club received a call for help as regular custodian Andy Goram was troubled by injury.

Recalls Fraser: Andy was carrying a damaged ankle and it was felt he might need to rest it. United agreed to transfer me to Oldham on loan for a month as cover.

"Obviously I was excited at the prospect of making my League debut but it never transpired. Andy got through his first game and continued in goal.

"I didn't actually move over to them. I continued to train with United and just went with Oldham on match days. So I didn't really feel like an Oldham player."

Close to making his debut
for Oldham.

INSIGHT

with Colin Benson

You know there's one man in the Swindon team who you are probably not aware of. Mick Richardson is the name and he more than anyone is responsible for getting the team to its destination without any hitches.

Mick has been driving the team bus for ten-years and says "I started driving them about the same time as Lou Macari arrived as manager".

"I have got on well with all three managers; Lou, Ossie Ardiles and Glenn.

"The only difference is that Glenn and Ossie ask me how long I want to get to a particular destination. Lou used to tell me.

"He would base his timings on the journey he had made the week before in his Mercedes. Needless to say he never allowed any difference for driving a coach. But we always managed to get there in time.

"In fact - touch wood - we have never been late to any match.

"Driving the team is great fun particularly if you are keen on football. I come from Lower Stratton and have been watching Town since I was a lad. So it is a great

thrill to be part of the set-up now.

"Having done this job for so long I am now a specialist in three subjects. Hotels, football grounds and chip shops.

"You ask me where you can get good chips, I'll tell you."

One essential for any team coach driver is a good sense of humour and Michael certainly has that. The butt of any jokes and insinuations on route he pushes them aside with a shrug of the shoulders and a warm grin.

He says: "They are always saying I go too slow but we have to observe the speed limits. Coaches these days are governed to 70 miles per hour anyway.

"I have three priorities when I take them out. First to get them to the hotel. Second to get to the game and most importantly to get them there all in one piece."

Now it may surprise many fans that Michael points the finger at skipper Colin Calderwood as his biggest tease. "Colin gives me a lot of stick," claims Michael. "It is all in good fun you understand."

On his travels Mick has experienced many hilarious moments and recalls one trip to Oldham Athletic when an ex-director got taken short.

Says Mick: "On this particular trip he was the only travelling director.

"We were playing at Oldham and stopped in Manchester. As is usual before the game we took the kit to the ground a few hours before the game to hang it up in the dressing room.

"It was while we were doing this that the director slipped away to the toilet. By the time we were ready to return to the hotel he was still missing. When we located him we found he was stuck in there without any toilet paper.

"There was nobody around the ground at all but Lou got him out of trouble with a copy of "Shoot" magazine which was duly passed under the door."

The team coach can be a sombre place at times particularly on a long trip home after defeat. Says Mick: "Going up the lads are always full of spirit but it can be a bit quiet when they have lost. For the first half-hour at least. Once the card schools get going the atmosphere eases.

"You know when Lou was in charge we could be hanging around for ages if the team had played badly. It was not unknown for him to make them do some training on the away pitch after a bad game then at the County Ground as soon as we returned.

"It is a great job. I feel very much part of the team and do my bit by trying to make the journeys as smooth and comfortable as possible."

Much of this has been achieved with the help of the Football Trust. As part of its commitment to Football, The Trust has granted £4M to set up the National Football and Community Development Scheme.

Bringing club and community together, Trust-backed initiatives have provided a variety of local amenities, including:

Travel Club Notes

The Travel Club are currently taking bookings for the Town's three away games in November at Newcastle, Bristol City and Peterborough.

The coaches will be leaving the County Ground at 7.00am and the price is lower than last season at £15.50. So come with the Travel Club and stand amongst 30,000 screaming Geordies! It won't be the same watching it on TV.

On Saturday 21st November the Town travel to Bristol City. Travel Club Coaches will be leaving at 12.45pm and the cost is £5.00. The following Sunday week the coaches will be leaving at 10.30am for Peterborough and the price is £7.00.

SSILA, APFSCIL AND OASIS!

Swindon Supporters In London Association have been members of APFSCIL (Association of Provincial Football Supporters Clubs in London), for almost five years. This organisation was founded in the mid '70's and, and is open to London based supporters organisations of clubs outside the capital.

There are currently 46 member clubs from all parts of Britain and Ireland from all divisions.

APFSCIL organises its own football, darts and pool leagues, and there are two regular annual social functions that clubs attend. Recent guest speakers have included Gordon Taylor of the PFA and Frank Worthington. Meetings between representatives of all clubs are held monthly.

The concessionary fares obtained from British Rail for group travel, are very important in enabling many clubs, such as SSILA, in travelling to games. You'll often find supporters groups travelling together to games.

Many clubs such as ourselves

have formed, and consequently joined APFSCIL, initially to enable supporters to travel together to games, but have since expanded sporting and social activities, and have developed an exchange of information and news for supporters via a newsletter.

SSILA may have one of the smallest memberships in APFSCIL (34 members at the end of 1991/92), but the majority of us do become involved in most of the activities and we play a full part within APFSCIL. Our membership of APFSCIL was particularly valuable just over two years ago, by way of the support we received from member clubs and individuals after demotion from the 1st Division.

We will have fellow members of APFSCIL at the game tonight in the form of OASIS (Oldham Athletic Supporters in the South). They formed seven years ago, again to organise travel together to games, and Oldham's recent success on the football field has expanded their membership in the London area to around the 100 mark.

OASIS are also involved in kit sponsorship within their club, and have managed to maintain a good relationship with those at Boundary Park. I am sure, like us, they are always on the lookout for new members, so for further information contact Dave Ogden on 0634-409145.

Rowland's RESERVES

Although our home Neville Ovenden Football Combination game with Millwall ended in defeat for us, the scoreline in no way reflected events on the field.

At the moment Millwall are the strongest side in the League and we more than matched them and for long periods dominated the game.

Unfortunately it was a couple of basic errors which cost us the game and one thing that you cannot compensate for is individual mistakes. They are all part of the game and you just have to get on with things although at the moment they are costing us dearly.

We took the lead ten minutes into the first half with Marcus Phillips shooting home after good work by Olisa Morah and Shaun Close.

At this point we were playing well and looking good. Millwall equalised twenty minutes later when Alex Rae headed in unmarked to put both teams level at half time.

The first minute of the second half and the last minute of the game saw us give away the vital goals and the young players involved will hopefully learn from their mistakes.

The forty three minutes in between these goals saw us playing really well and having ago.

ANDY ROWLAND

Unfortunately we could not turn our territorial advantage into goals and were bitterly disappointed at the end to lose 3-1 when we were a lot better than the scoreline suggests.

Result:

Swindon Town 1 Millwall 3

Scorer: Phillips M

Team: Digby, O'Sullivan, Elsey, Viveash, Thomson, Murray, Phillips M, Middleton, White, Close, Morah.

FOCUS on youth

The latest home game in the Allied Counties League turned out to be a one sided affair, ending in a 11-0 victory against Kintbury Rangers. Well on top from the start we soon gained a three nil lead, always looking capable of increasing this scoreline.

Michael Short (4), James Phillips (4), Andy Kearns, Scott Medcroft and James Fraser scored the goals with most of the team playing a part in the build ups.

The performance was far too good for Kintbury but we still allowed silly mistakes to creep into our game. As there was little threat to our defence I felt we should have eliminated these, getting into good habits for future games.

The South East Counties League game against Southampton was very pleasing, showing a better application, more determined and communicating with each other more. Challenges were stronger and we were first to the ball more often than of late. Mixing our game up sometimes playing our usual passing game but also using the longer ball, at times not being so predictable as usual. All over the pitch we were keener to win the ball, the three central defenders doing especially well.

We took the lead midway through the second half from a

JOHN TROLLOPE

rehearsed free kick with Robert French's kick finding Danny Jordan to head in at the far post. Looking to go on and win comfortably, unfortunately Southampton scored when a half clearance was fired home giving Shane Cook in goal no chance.

A much better performance, working harder, challenging stronger but still trying to play our usual passing game. If we keep this approach the same and improve our end product around the opponents area, we can then look to more success.
