Kick It Out is football's equality and inclusion campaign. The brand name of the campaign - Let's Kick Racism Out of Football - was established in 1993 and Kick It Out established as a body in 1997. Kick It Out works throughout the football, educational and community sectors to challenge discrimination, encourage inclusive practices and work for positive change.

The campaign is supported and funded by the game's governing bodies, including founding body the Professional Footballers Association (PFA), the Premier League and The Football Association and 2004 marked ten years of campaigning.

Internationally Kick It Out plays a leading role in the Football Against Racism in Europe (FARE) network and has been cited as an example of good practice by the European governing body UEFA, the world governing body FIFA, the Council of Europe, the European Commission, European parliamentarians and the British Council.

The 2010 One Game One Community weeks of action takes place from 14th-26th October and Peterborough United are pleased to be playing a part. This year's campaign promises to be the biggest to date, and will feature activities from park

pitches to the Premier League.

With over 1,000 activities nationwide taking place between two weekends, the weeks of action is widely considered sport's largest equality and community engagement initiative. Synonymous with many supporters for the iconic Kick It Out t-shirts worn by high profile players, the weeks of action mean much more.

As well as continued support from some of the biggest names in football, the weeks will also have a major impact on local communities, grassroots football and in schools and education. The scope and scale of Kick It Out's work has shifted with the footballing landscape, and matters concerning gender, sexual orientation, religion and disability are now as much a part of the campaign's remit as race and skin colour were back in 1993. This is reflected in the Equality Standard, a framework devised for clubs to help with their equality and diversity practices.

The players will be wearing the Kick it Out shirts today, the stewards will have the badges displaying the key message and tannoy announcements will be made throughout the pre-match build-up. Members of the Centre of Excellence will also lead out the two teams with the Kick It Out flag.

I would like to take this opportunity to welcome Swindon Town manager Danny Wilson and his staff to London Road. Due to any success that a team enjoys, the expectation level will inevitably rise and Swindon had a very good campaign last term and were unlucky not to achieve promotion via the play-offs.

Naturally, the supporters will be expecting a similar season and on the evidence of the game against Bristol Rovers on Monday night, there is no doubt that they are a decent side and it will be a difficult game this afternoon.

Unfortunately, our boys put in a poor performance at Hartlepool United. It was a bad display on the day and we were caught by the sucker punch on two occasions in the game. Needless to say, it was great to see a large number of supporters at the Victoria Ground and I am sorry they went home disappointed on this occasion.

After seeing a very good away league performance at Carlisle United, it was obviously disappointing to lose at Hartlepool, but the lads have worked hard in training this week ahead of today's game. Our away form is a bit Jekyll and Hyde, but today we get a chance to enhance our home form and we will worry about the away form when it comes around again.

It was great to see some of our lads going into the Community this week, even after three or four heavy days of training. Aaron Mclean came up with a wonderful idea to raise money for three charities including the Adam Stansfield Family Fund by working for the afternoon and despite the disappointment of the weekend, the lads were keen to fulfil the working schedule, which is a credit to them.

It is still very early in the season, we have had a couple of chances to go top again recently, but not quite made it. There is another chance if other results go our way. We were happy with the first 10 games of the season, the second 10 has

not started as well as we had hoped, but there is still time to get ourselves into the automatic promotion places.

Enjoy today's game.

Gary Johnson
Manager

KICK IT OUT

We are pleased to be lending our support once again to Kick It Out's One Game, One Community weeks of action and today's match marks Peterborough United's own contribution.

This 12-day dedicated period of activity will witness a range of exciting events and activities taking place across the country. Professional clubs will be leading the way with a host of activities both on and off the pitch and all players and match officials will lend their support by warming up in One Game, One Community t-shirts.

It is estimated that over 1,000 events in total will take place, amongst schools, libraries and community and grassroots football, making the weeks of action the single largest campaign dedicated to anti-discrimination in sport worldwide.

While football has made significant strides in recent years in promoting diversity, its crucial players, managers, administrators and fans remain vigilant against any forms of discrimination that threatens to blight the game, or which prevents certain groups or individuals participating. Whether as a player or a spectator. Let's give people from all backgrounds and communities an equal chance to contribute to football, and help celebrate the diversity of the game in Britain and the One Game One Community message.

Win Yourself £50 or More

and we will then select one photograph to appear in the next match day programme.

If a player or someone from the management staff is available at that time, we will try and get them to present the prize to you and take a photograph for you to keep.

You must be there before 6pm today to claim your prize though, so you better be quick or the prize money will be rolled over to the next match against Brighton & Hove Albion on Saturday 30th October!

We will print all winners in the match day programme and there will be a story online at www.theposh.com where you can find out more information.

If you are reading this and sitting or standing in the stadium prior to kick-off, then you are eligible to win £50 or more in our brand new match day programme competition.

That is because we are encouraging supporters to wave their programmes (at the designated time) and if you recognise yourself in the next match day programme (on this page) then you win the money.

The competition, which we hope will encourage supporters to purchase match day programmes, has a £50 prize for each npower League One match. If it is not claimed, the prize will roll on to £100 next week and so on until it is finally claimed. So what do you have to do?

We have selected a picture from the Notts County home league game and coloured in the winner – so is this you in the Moy's End Enclosure?

If it is, come to the desk in the Main Reception before 6pm today and you can claim the money! Just ask for Steve Brewer (Programme Editor) or someone from the media department and they will come and present you with the £50 or more prize.

Remember, our roving photographers will be taking pictures of you all around the stadium

The expectations have certainly been raised at the County Ground after a successful campaign last term, which resulted in a play-off final defeat to Millwall, who are playing their football in the npower Championship this season.

Swindon, managed by Danny Wilson, have lost the services of striker Billy Paynter, who bagged over 15 league goals last term, to Leeds United, but have retained the goal-scoring prowess of youngster Charlie Austin, despite obvious interest from teams from a higher level.

Boss Wilson is a firm fans favourite at the County Ground. As a player, he won the League Cup with both Luton Town in 1988 and Sheffield Wednesday in 1991.

His equaliser for Luton against Arsenal with seven minutes remaining in the 1988 final is arguably the most famous match-saving goal in the club's history. He was also a runner-up in both domestic cup finals with Sheffield Wednesday in 1993. He also won 24 caps for Northern Ireland, scoring one goal.

In 1993 he joined Barnsley on a free transfer. Just over 12 months later his management career began, becoming player-manager of Barnsley, whose previous manager Viv Anderson had been appointed assistant manager to Bryan Robson at Middlesbrough. Anderson had brought Wilson to Barnsley.

In 1994–1995, Barnsley finished sixth in Division One. In an ordinary season this would have meant occupying a playoff place, but due to the Premier League reducing from 22 to 20 clubs, only two teams would be promoted (with the fifth placed club occupying the final playoff place) and Barnsley missed out.

The following season was a disappointment as the club finished mid-table, but in 1996–1997 Wilson guided Barnsley to the Premier League as Division One runners-up. It was the first time that the 110-year-old Barnsley Football Club had won promotion to the top division of English football. Although their stay lasted only a single season before relegation, Wilson's side reached the FA Cup quarter final and in the fifth round knocked out favourites Manchester United.

Management positions followed at Sheffield Wednesday, Bristol City and MK Dons before he took the reins at Hartlepool United. He was appointed as manager of Swindon Town on 26 December 2008. While being at Swindon he has brought in many new signings including Gordon Greer, Alan O'Brien, Jonathan Douglas, David Lucas and Charlie Austin, who is arguably the most exciting prospect in League One.

Ten Post War Favourites

Football historian **LEIGH EDWARDS** profiles ten post-war Swindon Town goal-scoring favourites.

MAURICE OWEN

Long-serving centre-forward Maurice Owen topped Swindon Town's goalscoring charts on six occasions. Initially with hometown Abingdon, he turned professional at the County Ground in December 1946 and grabbed a hat-trick on his League debut in the following month's 5-0 victory at home to Watford. He was ever-present in 1948-49 and helped Swindon twice reach the FA Cup fifth round, also finish fourth in the Third Division (South) three times. Scoring 150 goals in 555 League outings for the Robins, he retired in May 1963 and joined the club's coaching staff. He then settled back in Abingdon and died in July 2000.

MIKE SUMMERBEE

Brilliant winger Mike Summerbee was capped eight times by England after leaving Swindon Town. Signing professional at the County Ground in March 1960, he starred in Swindon's 1962-63 promotion success and was leading marksman in 1964-65. He netted 39 goals in 218 League games prior to joining Manchester City in August 1965, amassing a vast collection of domestic and European honours under the Joe Mercer/Malcolm Allison partnership at Maine Road. Subsequently with Burnley, Blackpool and Stockport County, he is a successful businessman and his son Nicky also starred for Swindon Town.

ERNIE HUNT

England U-23 international striker Ernie Hunt was Swindon Town's leading marksman in

four successive seasons including their 1962-63 promotion triumph. Born locally, he turned professional at the County Ground in March 1960 and netted 82 goals in 214 League games for Swindon prior to joining Wolverhampton Wanderers in September 1965. He was top scorer as they regained top-flight status in 1966-67 and subsequently played for Everton, Coventry City, Doncaster Rovers and Bristol City, featuring in their 1973-74 FA Cup run. He ran the Full Pitcher pub in Ledbury and then became a window cleaner.

DON ROGERS

England U-23 international winger Don Rogers scored twice in Swindon Town's 1969 League Cup final success. Signing professional at the County Ground in October 1962, he featured in Swindon's 1962-63 promotion campaign and was ever-present in four successive seasons. He starred as Swindon won promotion again in 1968-69 and the Anglo-Italian Cup in 1970, reuniting with Bert Head at Crystal Palace in November 1972. Moving to QPR in September 1974, he rejoined Swindon in March 1976 and netted 148 goals in 412 League games overall for the Robins. He has since run his own sports shop in Swindon.

ALAN MAYES

Fast striker Alan Mayes was leading marksman as Swindon Town reached the League Cup semi-finals in 1979-80. Initially with QPR, he joined Watford in November 1974 and helped win the Fourth Division title in 1977-78. He moved to Swindon in February 1979 and formed an exciting partnership with Andy Rowland. Sold to Chelsea for £175,000 in December 1980, he rejoined Swindon in July 1983 and was

top scorer in 1983-84, netting 65 goals in 151 League games overall before joining Carlisle United in July 1985. He later played for Blackpool, Wycombe Wanderers and had a spell as Harrow Borough manager.

PAUL RIDEOUT

England U-21 international striker Paul Rideout was Swindon Town's leading goalscorer in two consecutive seasons. He was Swindon's youngest League player at 16 years 107 days against Hull City in November 1980 and netted 38 goals in 95 League games while at the County Ground before joining Aston Villa in June 1983. Moving via Italian club Bari to Southampton in July 1988, he rejoined Swindon on loan in March 1991. He had spells with Notts County and Glasgow Rangers prior to joining Everton in August 1992 and was an FA Cup winner in 1995, then played for several clubs in China and Tranmere Rovers.

STEVE WHITE

Ex-England Schoolboy striker Steve White was top scorer in Swindon Town's 1986-87 promotion success. Initially with Mangotsfield United, he joined Bristol Rovers in July 1977 and moved to Luton Town in December 1979. He helped win the Second Division title in 1981-82, joining Charlton Athletic as part of the Paul Walsh deal in July 1982. Returning to Bristol Rovers in August 1983, he joined Swindon in July 1986 and starred alongside Duncan Shearer. He was a promotion winner again in 1992-93 and netted 83 goals in 244 League games before moving to Hereford United in August 1994, then played for Cardiff City.

Moving to Blackburn Rovers in August 1984, he rejoined Swindon in December 1986 and helped clinch promotion that season. He netted 40 goals in 113 League games overall before joining Leicester City for £210,000 in June 1988, then Bradford City, West Ham, Bournemouth, Reading and Peterborough United. Rejoining Swindon as player-boss, he has since managed Northwich Victoria, Shrewsbury, Cambridge United and AFC Bournemouth.

DUNCAN SHEARER

Striker Duncan Shearer was capped seven times by Scotland after leaving Swindon Town. He impressed with Inverness Clachnacuddin prior to joining Chelsea in November 1983 and moved to Huddersfield Town in March 1986. Joining Swindon for £250,000 in June 1988 and twice helped them qualify for the Second Division play-offs. He was leading marksman in four successive seasons, netting 78 goals in 159 League outings before being sold to Blackburn Rovers for £750,000 in March 1992. Moving to Aberdeen in July 1992, he later played for Inverness Caledonian Thistle and was Buckie Thistle's player-manager.

SAM PARKIN

Ex-England Schoolboy striker Sam Parkin was Swindon Town's leading marksman in three successive seasons. He turned professional with Chelsea in August 1998 and was loaned to several clubs. Moving to the County Ground in August 2002, he starred alongside Tommy Mooney as Swindon qualified for the Second Division play-offs in 2003-04. BACK TO WORK

The Peterborough United players were taken out of their comfort zone on Tuesday 12th October as several members of the squad found out just what it was like to do an afternoon of hard work, all in the name of charity. The afternoon of work was the brainchild of striker Aaron Mclean, who wanted to raise money for Sue Ryder Care, The Soup Kitchen and Adam Stansfield, a former forward of Exeter City, who sadly died due to bowel cancer aged just 31-years-old.

'We wanted to show support and appreciation for the people who watch us week in, week out. I knew Adam from playing against him and him passing away made me think I wanted to do something for him, and then also for the other charities too. He was a great professional and although I can't claim to have been good friends with him, when a fellow footballer loses his life in such a tragic way, we want to do all we can.'

'We seem to have a lot of free time as footballers, with our afternoons free. It's just something different. Our fans spend their hard earned money watching us, so it was a good chance for us to give something back by doing what they do. We are extremely grateful to the businesses who came forward and look forward to more doing so in the coming weeks,' Mclean said.

Mclean was joined by striker Craig Mackail-Smith at News International in Hampton, Peterborough for over three hours of work and they took along youth team player Lewis Bishop to accompany them. News International were one of the first companies to come forward and donate to the cause and the trio arrived for work, the two strikers in suits with Posh ties for the occasion.

Michael Gill, Group Financial Controller for the company commented: 'We wanted to make sure that the players were busy throughout the afternoon, we didn't want them to just come into the office and sit there, we wanted

them to integrate with the rest of the staff and also get their hands dirty so to speak.'

'Aaron Mclean worked on reception and then went around the office ensuring the photocopier was fully stocked, Craig Mackail-Smith was in accounts and learned how our spreadsheets were put together and Lewis was shown some of the work that we undertake on a daily basis. It was great to have the players at News International and hopefully they enjoyed themselves. I have to say they were a credit to the Football Club and the staff really enjoyed working with the players.'

Mclean said: 'I really enjoyed it, it was an enjoyable afternoon and it really was an insight into how businesses like this work. I would like to say a big thank you to News International for supporting the cause and all of the staff at the company for making us feel very welcome and looking after us so well.'

Craig Mackail-Smith added: 'It has been an eye opener. We train for a couple of hours a week and play on a Saturday, whereas in the 'real world' individuals train for this form of employment for so many years and put a lot into their work. I worked on a spreadsheet for about five minutes and my head was hurting! I did manage to do a graph though on how many more goals I have scored than Aaron since I joined.'

Meanwhile goalkeeper Joe Lewis and George

Boyd were on the road to Bourne and Deeping respectively to work in a Branch Bros store. The merchant timber company worked hard to advertise the duo's appearances and were rewarded by a good turnout at the stores.

It wasn't just signing autographs for the pair and their youth team apprentices Dan Evans and Ryan Cotton, they worked behind the till serving customers and behind the front of house where the real work was undertaken.

Lewis said: 'I enjoyed it, it was something a bit different and interesting to see how that type of business is run. Branch Bros worked really hard in raising extra money through signed footballs and we have to thank them for their generosity and for making the afternoon enjoyable. When Aaron suggested the idea of working for the afternoon, we were slightly apprehensive, but as soon as we knew it was for charity, we were all keen to get involved.'

Meanwhile, Lee Frecklington and Mark Little, alongside youth team player Jordan Roberts swapped training for a stint working in busy Queensgate store 'Oasis'. The trio dressed mannequins and welcomed customers into the store and also worked on the tills.

Defender Mark Little said: 'What I have learned today is that you tell women they look beautiful and that they would look great in the clothing! It was certainly something a bit different for us, but it was enjoyable seeing how that kind of business operates.'

Throughout the afternoon, the six first team players were joined by members of the media including PUTV, www.theposh.com, the Peterborough Evening Telegraph, freelance photographers, Sky Sports News and Sky Sports programme 'Big League Weekend'.

Sky Sports News interviewed Mclean at News International before joining Little and Frecklington at Oasis. The piece ran from Wednesday morning throughout the day, while Big League Weekend spoke with Craig Mackail-Smith at length at News International before following him around the office to see what he was up to. That feature aired on Friday evening, but was repeated earlier today.

Mclean and the football club are keeping this opportunity to have the players available for work open until the end of the season to encourage more businesses to take part. For a donation, the players will happily give up their time where available to work within companies across the region.

How the charity drive will work:

Posh are calling on any local business to sign up two players plus a youth team player for two and a half hours. Any business looking to take part should call Posh boss Gary Johnson's PA Joan Hill, who is also the players' welfare officer, on **01733 865661** or email **joan@theposh.com**. Joan will then arrange a meeting with the firm to discuss the finer details.

John Reardon RIP

Sadly, on the 24th August, former player with Peterborough United John Reardon passed away at the young age of 68. John is survived by his sister Bridie, brother Paddy, brother in law Patrick, nephews, nieces, grandnephews, and grandnieces. A wave of shock filtered through the world of football in the Welsh town of Wrexham which John had called home for more than 40 years.

At the tender age of 16, John travelled from the idyllic island of Valentia off the Kerry coast to the bright lights of London. Having a background in Gaelic Games, it was no surprise to family and friends that John started a career as a goalkeeper for Queens Park Rangers in 1958. He flourished and his love of the game was ignited. From there John moved to Peterborough United, after a short stint at Loftus Road. John was named in goal as part of the greatest Peterborough United team. His experience and time at Peterborough United stood with him as he ended his professional career playing part time with Wycombe Wanderers. His relationship with the world's greatest game did not end there, but instead flourished.

John's job took him from England to Scotland, where he met the great Jock Stein, football legend and former Celtic and Scotland manager. From this meeting he began to scout full time, and his relationship with football was reignited. He often referred to Stein as 'the master' and it was clearly evident the impact Stein's philosophy had on him. John has been described as an unsung hero at the grass roots of the game.

No matter where or when a game was on John would be there regardless of the weather, distance or time, and always the last to leave, noting names and faces. Players such as Ched Evans, Neil Taylor, Matty Regan, Ryan Crump, Jordan Williams, Tom Williams and Aaron Broadhead have all been accredited to John

during his scouting time. He was recruited into the Manchester City set up to coach in the academy by Mark Hughes, who has a great respect for John's opinion and eye for talent.

His 'boys' were an extension to his family, and none were ever forgotten! John's love of the game is instilled in every one of them. He was very proud of each and everyone of his boy's right through the ranks. His sad passing has left a void in so many hearts, family, friends, colleagues and clubs. To so many John Reardon was so much; friend, colleague, neighbour, former player and hero. To us he was just John; brother and Uncle. Rest in Peace Uncle John, you will always be remembered.

Go dtí go gcasfar le chéile sinn arís, beidh tú fós aleays inár gcroí.

(Until we meet again, you will always remain in our hearts.)

By Derarca O'Shea.

Ivan Henson RIP

Ivan Henson, aged 68, season ticket holder in the main stand along with his wife Marjorie. He was a football fanatic and followed Peterborough from before their election to the Football League to present day. In his youth he represented his County and once played against Terry Venables at Stamford Bridge.

He has stood and sat in all areas of the ground over the years and attended most, if not all, of the famous FA Cup games against the likes of Arsenal, Leeds and Man City over the years. More recently he always enjoyed a pre-match drink with foreverposh members at the ground with his family and friends.

He will be greatly missed and leaves a wife, son, daughter and three grandchildren.

By Stuart Henson (Son).

Posh 2

Mackail-Smith 36min, Mclean 48min.

Peterborough United were made to battle, but Gary Johnson's men claimed a hard fought 2-1 victory over rivals Milton Keynes Dons at London Road in front of a crowd of just shy of 8,000.

Jermaine Easter toe-poked wide on six minutes as the Dons registered the first opportunity of the afternoon. On 20 minutes, a mistake by Gary Mackenzie allowed Craig Mackail-Smith to race clear, but he decided on playing in strike partner Mclean, whose first touch gave the Dons the chance to clear. Posh opened the scoring with their first effort on target and it was the in-form Craig Mackail-Smith who found the back of the net, running onto a Mclean flick and coolly slotting the ball past David Martin.

A long throw from Peter Leven moments later provided a quick equaliser for the Dons as Posh struggled to clear allowing left-back Dean Lewington to finish in style from eight-yards. On 48 minutes, Posh re-established their lead as a driven corner by Grant McCann picked out the onrushing Mclean at the back post and he powered a header into the corner past Martin.

Goalkeeper Martin then made a superb stop to deny the in-form Tomlin, whose left-foot shot was heading for the corner until the shot-stopper flung himself full-length to his right. A mistake from Mathew Gill allowed the Dons to create a wonderful chance for Mackenzie, but he finished like a defender, slicing the ball over the bar from 10-yards.

What They Said

'It was another exciting game, but not for us in the first half. Milton Keynes came out and put us under some pressure and we couldn't get our game going. Although we went 1-0 up it was against the run of play. We were playing too deep and we had to change our tactics at half-time, we started to get into them in the second-half and winning our man to man battles and in the end we were looking like the Peterborough team we all recognise.'

Gary Johnson

MK Dons 1

Lewington 37min.

'The players have given it there all like they do in every game and there isn't a game where they don't give 100% to the clubs fans. It is disappointing to lose to silly mistakes. We made a very good footballing team look distinctively average at times due to the fact that we moved the ball around really well. We missed the best chance of the game but there is plenty of positives to take out of the game.'

League Tables At The Quarter Season Stage. Do They Matter?

As much as we are enjoying Posh being at the top end of League One at this early stage of the season does it really mean anything? Does our position at the moment have any reflection as to where we will finish when it matters in May?

I have always personally viewed league tables with suspicion until at least Christmas time. As amusing as most of us would currently find to have Blackpool above Liverpool in the Premiership you have to be honest and say that this is not likely to last (well providing what seems to be the ghost of Fernando Torres starts scoring at some point again) and the status quo will be resumed. Momentum always plays a big part in promoted teams' early season form, which was what made Posh's start to last season all the more frustrating.

Some chairman clearly see early season form as important given the high profile departures of Alan Pardew and Paulo Sousa. But looking at these two departures in more detail, are these all to do with what, in respect, were less than positive starts to the season or for more deeper reasons? Rightly or wrongly, despite a 10-point reduction last season, the Southampton board had expected the play-offs and their slow start to this season seemed to seal Pardew's fate. And Sven Goran Eriksson's speedy appointment at Leicester would suggest that Sousa may have been in trouble whether Leicester had been bottom or not.

In the Football League also, a late push for the play-offs always seems to be more beneficial than a side that has been up there slogging it away throughout the

season. The likes of Crystal Palace have found in the past this late surge can carry a team through, even if it does generally mean that promotion has arrived a season early.

A far greater judge than I, in Sir Alex Ferguson, has always stressed that the most important time to come good is the March/April time, but do the stats in League One back this? Taking a snap shot of last season at the quarter stage of the season, the top six consisted of Charlton, Leeds, MK Dons, Colchester, Bristol Rovers and Norwich. To put the current league positions in perspective, Charlton were top and finished fourth and then failed in the play-offs with Millwall going up who were 9th at the same time. If you look at the percentages, only 50% of the teams involved in the promotion places at the quarter stage of the season finished still involved in the race. MK Dons, Colchester and Bristol Rovers lost their places to Millwall, Swindon and Huddersfield. The

points difference between the teams in the top six all the way down to 12 was only three (which is the same at the moment) so it can all change in a one game swing.

When Posh came up in 2008-2009, the stats were very similar. Scunthorpe, Leicester, Millwall, Oldham, Leeds and Southend made up the top six with Posh in 9th. Scunthorpe went from top to 6th, but still went up in play-offs, with Leicester staying in the automatic places for all of the season, but again 50% of the teams in the play-off places missed out. Like the previous season, being in the top two at this stage seems to be a safer bet with one of the two teams finishing in the automatic places come the end.

I guess the most important point of this is to keep everything in perspective. All fans like to win every game, but, in a league this tight, everyone really can beat everyone. It's a long season, and I for one just plan on enjoying the ride.

Posh players celebrate winning promotion to the Championship in May 2009, when the table really matters

by robert bates

Posh 2

Zakuani 36min, Mackail-Smith 59min.

Peterborough United manager Gary Johnson had his birthday celebrations ruined as Notts County ended the 100% home record, but it was the incident at the final whistle that overshadowed an entertaining evening.

The visitors took the lead as a cross into the box was not dealt with by Chris Whelpdale and Ben Davies took a touch and then squeezed a shot through the legs of goalkeeper Joe Lewis. It was 2-0 on 34 minutes and this time it was a stunning finish from midfielder Davies who slotted home a cool right-foot effort after good work from Neal Bishop on the right hand side.

Posh reduced the arrears on 36 minutes and it was centre back Gabriel Zakuani who rose highest to power a header past Burch following a deep Grant McCann delivery from a corner kick. Notts County made it 3-1 on 43 minutes and it was another horror show for Posh, a back-heel from McCann went nowhere and as the ball was pumped forward, Craig Westcarr slotted the ball into the far corner. Posh got themselves back into the game on the hour mark. McCann took a free-kick, but slipped as he did so and as the Magpies back-line stood watching, Mackail-Smith poked home from an impossible angle at the far post.

On 67 minutes, hopes of a Posh comeback appeared to be ended as McCann launched into a tackle and caught Judge and was subsequently sent-off. A melee ensued with both sets of players involved and County boss Craig Short suddenly thought he was still a player, jumping onto the pitch to get involved. Richard Ravenhill was dismissed for kicking the ball away, his second caution deep into stoppage time. At the final whistle, there was a massive flare up, which both the Club and the FA are investigating what happened.

What They Said

'For me it was an ugly game and not enjoyable for anyone really. It was up to the officials, in my opinion, to get a grip on the whole game. We allowed a team with a particular tactic to come and spoil it, and if that's their

Notts County 3

Davies 31 & 34min, Westcarr 43min.

tactic then that's what's happened and they go home with three points.'

Gary Johnson

'It was a tremendous game of football. No-one shirked a challenge and it was end to end and exciting. But it's an emotional sport and a physical sport and at the end things got carried away. We don't want to see things like that but I was stood in the middle trying to calm things down but it's difficult when you have 22 players on the pitch.'

Good afternoon and welcome to today's game with Swindon Town. It has been a very busy week in the Football in the Community Department on the back of our presentation to the local schools. Several schools showed initial interest on the day and several more have followed this up by booking our services to deliver educational programmes.

They have also signed us up to deliver sporting activities in their schools on a regular basis. The department has worked hard in the last 18 months to ensure that the schools receive the very best service from ourselves with all coaches regularly undertaking continual professional development courses and

gaining qualifications where possible in all areas of sport.

We would like to welcome our guests today who are Yaxley Lynx who have been enjoying behind the scenes access here at London Road, including a tour of the stadium, featuring a look inside the home dressing room.

Hopefully they will enjoy the afternoon and cheer the Posh on to three points, which will hopefully put us back in the automatic promotion positions.

Enjoy the game.

'Poor Posh Sink At 'The Pool'

Following our exit from the League Cup against QPR only four days previously, it was back to Division Four football against our visitors from Lincoln City. After eight games played, former Leeds and England striker Allan Clarke was finding life tough as the new Manager of 'The Imps', after only winning one game. Saturday 13th October 1990 brought no further luck for Clarke as Posh began to dominate the first half, especially with loanee Kevin Russell in blistering form. (Posh had just received permission from his Club - Leicester City - to extend Russell's loan for a further month).

Twice Russell was denied goals by former Leicester City veteran goalkeeper Mark Wallington. Then, when Wallington was beaten, Russell's shot unluckily struck the post, then he also saw another shot rebound from the inside of the post. On 22 minutes, Paul Culpin was more fortunate by scoring with a 25 yard volley. This was his sixth goal in his last eight games.

Only five minutes into the second half, the luckless Russell departed from the action with a calf injury. This signalled the return of Kevin Bremner, who himself had been out of

action for three weeks through injury. After 54 minutes, Worrell Sterling scored his first goal of the season, following a loose ball from a rebound. Lincoln offered very little response leaving Posh with a comfortable victory.

Result: Posh 2 - 0 Lincoln City (Culpin 22, Sterling 54)

Posh: Bradshaw, Luke, Crosby, Halsall, Berry, McElhinney, Sterling, Hine, Russell (Bremner 50 mins), Culpin (Riley 72 mins), Butterworth.

Attendance 4,766.

Only five days earlier, Manager Mark Lawrenson appeared for the Reserves in a 5-1 defeat away to Lincoln City in the Midweek Senior League. Our next League fixture was at home to Burnley. I found it strange to think we were meeting in a Division Four game, as it did not seem that long since they were gracing the old 1st Division, but had in fact dropped down into the basement for the first time in their history in 1985! Oh! How quickly times change.

Bremner replaced the injured Russell for the game on 20th October. The largest crowd of

the season so far, 5,102 for a league game, turned up in anticipation of another Posh victory. After only 11 minutes things looked good when Culpin latched onto a long clearance from McElhinney and managed to hook the ball into the net, beating the advancing keeper Chris Pearce. Then only two minutes later, Noel Luke headed home from a Worrell Sterling corner.

Burnley soon bounced back, with veteran striker Ron Futcher causing our defence many problems and managing to head into the net on 29 minutes. Then, with one minute remaining to half-time, he scored the equaliser, again from a header. No sooner after the Burnley fans were still celebrating, Posh were awarded a penalty for a handball. George Berry duly obliged to register his first goal for his Club (*pictured opposite page*). Immediately the Referee blew for half-time.

In the second half it was backs against the wall as Posh desperately tried to hang on to claim the points. Burnley could claim to be unlucky not to score again, but somehow Posh managed to hang on. Afterwards Manager Mark Lawrenson admitted 'we got out of jail'.

Result: Posh 3 – 2 Burnley (Posh: Culpin 11, Luke 13, Berry 45) (Burnley: Futcher 29 & 44)
Posh: Bradshaw, Luke, Crosby, Halsall, Berry, McElhinney, Sterling, Hine, Bremner, Culpin (Riley 80 mins), Butterworth (Sub: not used Osborne).
Attendance: 5,102.

Three days after defeating Burnley, Posh travelled to play Hartlepool United. After only two minutes, Joe Allen put Pool ahead. Then, on 23 minutes, Paul Baker scored goal

number two. Poor Posh could just not get out of first gear. In fact they seemed to be in reverse as nothing improved during the second half and it continued to be an uphill struggle. Only keeper Paul Bradshaw came out of the game with any credit, by keeping the scoreline 'respectable'. His counterpart in 'The Pools' goal, Brian Cox, was virtually a spectator throughout the match. Posh had more possession later, but lacked ideas when approaching the penalty area.

Result: Hartlepool United 2 – 0 Posh
Posh: Bradshaw, Hill (Sub Riley 70 mins), Crosby, Halsall, Berry, McElhinney, Sterling, Hine, Bremner, Culpin (Osborne 50 mins), Butterworth.

Attendance: 2,190.

Up The Posh - Pete

Carlisle United 0

Posh 1

Mackail-Smith 32min.

Craig Mackail-Smith scored the only goal of the game as Peterborough United chalked up an impressive 1-0 victory at Carlisle United in npower League One. Posh, wearing the third strip of light blue, looked good in early possession, with birthday boy George Boyd twisting past two defenders in the box and creating a half-chance for Aaron Mclean, but Frank Simek did well to block.

On 32 minutes, Posh opened the scoring as a clever chipped pass forward from Arron Davies picked out Craig Mackail-Smith, he took a touch, rode a challenge by James Chester and chipped the ball over the advancing Collin. Mackail-Smith nearly added a second on 35 minutes after a terrible back header by Simek, but his left-foot shot was saved by Collin. George Boyd then had a fine chance to make it 2-0 after another excellent pass from Tomlin, but his powerful drive found the side-netting.

It was Gary Madine who missed the first clear-cut chance of the second-half for the home side, getting in behind Nana at the far post, but he guided his weak effort wide of the target after a glorious deep cross from substitute Oliver Norwood. Collin made a stunning stop to deny Tomlin's fierce 20-yard strike on 67 minutes and the disbelief on the former Rushden and Diamonds man was evident, he couldn't quite believe how the goalkeeper had managed to get a hand to the effort. The home side were piling on the pressure with Craig Curran and Peter Murphy both heading over while Nana made a fine block to deny Madine as Posh hung on to claim all three points.

What They Said

'Everyone feels sore at the moment. We are not used to losing, so when it happens, it is hard work. We want to be up there with the big clubs at the top end of the table, but this rocks us a little bit. The disappointment is tempered by the fact we weren't good enough in the first-half, but we certainly were in the second. We created enough chances and we caused

Peterborough some problems. I'd say that a draw was a fair result, but we couldn't get the goal and that's what counts in the end.'

Greg Abbott (Carlisle United Manager)

'It wasn't only a good response, it was a good performance. I thought the boys put in a fantastic work rate, we tweaked it a little bit to give them something else to think about. I thought that little tweak worked well for us in the first half and we are delighted to get all three points.'

Wow, it's October already. How quick has the season gone? Since I last wrote these notes there have been many ups and downs, starting with the eventful night that was Notts County at home. Not only did we lose our unbeaten home record, we were also involved in a much publicised incident at the end of the game.

This has been followed however by two good away wins putting us back on track. Sadly we have been knocked out of the Johnstons Paint Trophy, but honestly who cares about that? Now we can concentrate on the league. You never know, if things carry on the way they are, this time next season we could be in the same league as Liverpool!

Today the Robins from Swindon will be making the trip to London Road, looking to improve on their shaky start to the season. Since their stint in the Premier League in 1993, where they let in a record 100 goals, Swindon have slipped rapidly down the football league ladder. After narrowly missing out on promotion to The Championship last season, Danny Wilson and his men will be hoping it is second time lucky this time around. Welcome to all the Swindon supporters and management who will be joining us today.

foreverposh will be holding a fans forum with Gary Johnson on Thursday 28th October in The Venue. This event will be open to both members and non-members. Doors open at 7.30pm with the event starting at 8pm. This is a free event, but tickets must be obtained in advance due to number restrictions. foreverposh members had up until 5pm yesterday to claim a ticket, so now all remaining tickets are open to the public. Tickets can be collected from The Venue today or from the Club Shop during the week or via www.theposhtickets.com.

Johnson has kindly given up his time in order to attend this evening so let's show him our support by packing into The Venue that night. This will be your chance to ask Gary, who may be supported by other top dogs at the club, anything. Anyone who wants to ask a question, but is unavailable

Gary Johnson

to attend the night, can email questions for Gary to media@theposh.com. The fans forum will be filmed and shown on PUTV so look out for that on the website soon.

Congratulations to Aaron Mclean who was recently voted PFA fans 'Player of the Month' for September. Now it is your chance to vote for your player of the month. Perhaps, along with fans up and down the country, you agree that Aaron has been the star man this month or maybe someone else has caught your eye.

To cast your vote, pop into the Venue before the game and simply fill in a slip to be in with chance of winning a £25 club shop voucher and a chance to present the award next month. Voting closes at 2.15pm. Equally, if you can't always make it to the game, you can vote a week prior to the game every month on The Posh forum.

Just to remind you, foreverposh are organising discounted away travel for the Walsall game on 2nd November, allowing all of its members to travel for just £5! Don't forget to visit the foreverposh page on the Posh forum for all the latest news.

I have obviously been away with my country in the last week or so and to be involved for Northern Ireland against the former World Champions Italy was fantastic and to get a draw against them was a good result, we probably could have won the game and in the dressing room, we were a little disappointed not to take all three points and I think that shows just how far we have come.

We created a number of chances in front of goal, David Healy had a couple, but we just couldn't find the back of the net and unfortunately we then went to the Faroe Islands and drew 1-1 against one of the poorer international nations. It was disappointing, but it is better to come away with a point than a defeat and we have to be reasonably happy with five points from our opening three matches.

I was a bit disappointed not to feature in the away game, but I am playing out of position for Northern Ireland on the left so I think the manager wanted to be a bit more attacking and he brought in Niall McGinn of Celtic and to be honest I can't argue with the midfield selection because they all play for top clubs.

I managed to swap shirts with Antonio Cassano, the Italian striker who played for Real Madrid after the Italian game. It wasn't one that I was particularly aiming for, we just had a chat at the end and I will look to get the shirt framed over the next couple of weeks. It is a nice shirt to keep, but now I can concentrate on Peterborough.

The lads are obviously disappointed with the performance and result at Hartlepool United, but to be honest it was a tough week with three difficult away matches. I remember going to Hartlepool with Scunthorpe United in the year that we were promoted and we were comfortably beaten 3-0, it is a difficult place to go.

Huddersfield was a cup game, so it is not the be-all and end-all, but it would have been nice to have a good run in the Football League Trophy. The win at Carlisle was an excellent victory because

not many teams will go there and get a result.

We need to concentrate on today's fixture with Swindon Town and for me personally I am pleased to be back involved. I was a little disappointed with the Notts County game because I was sent-off and I can't apologise enough to the supporters for that. I apologised to the lads after the game as well.

It is not like me, it is not something that is in my game, I have only been sent-off a couple of times in my career. It was a late tackle and looking back on it I thought I might get a yellow card, but the referee sent me off and hopefully that will never happen again. We need to get back to winning ways today and consolidate our position in the promotion places in League One.

Enjoy the game.

Carey 6min, Pilkington 12 & 24 min.

Mclean 51min, Little 87min.

This Johnstone's Paint Trophy second round tie at the Galpharm Stadium kicked off at 7pm and some would argue that the Peterborough United players were not told about this vital piece of information because hosts Huddersfield Town dominated the first half and raced into a 3-0 lead.

However, it wouldn't be Posh without a stirring comeback and goals in the second half from Aaron Mclean and Mark Little set up a grandstand finish, but this cup-tie would not be sent to penalties as the Terriers scrapped for progress into the area quarter-finals.

Town took advantage of an error by goalkeeper Joe Lewis to open the scoring as a low effort from Graham Carey found the back of the net before impressive winger Anthony Pilkington, a man signed from non-league by former Posh boss Jim Gannon, scored twice from long-range.

Posh had chances in the second half with Lee Frecklington, Lee Tomlin and Aaron Mclean all going close and if a second goal had been scored a bit earlier, Gary Johnson's could have forced the tie into penalties.

What They Said

'We've got aspirations to go to Wembley this year, it would be fantastic for the fans, and we're

absolutely delighted to have won the game. Our first half performance was very, very good against a strong team, and I thought the lads that came in did a great job today.'

Terry McDermott

(Huddersfield Town Assistant Manager)

'We performed much better in the second half. We had enough chances not just to get back into the game, but to go on to win it. That said we probably didn't deserve to win it. Even though we still came up short, the positive is that we opened up a good team in Huddersfield in the second half.'

Good afternoon and welcome to today's npower League One fixture with Swindon Town and hopefully the team can get back on track after the defeat to Hartlepool United. We are scoring plenty of goals at London Road, let's hope that continues today.

I would like to welcome our match sponsors for today's game who are Lilford Associates and hope they have a wonderful afternoon with us.

I would like to take this opportunity to inform all supporters about the re-launch of the 50-50 half-time draw. The half-time draw has been run at London Road for many years now and attracts a core support, but we want to make it bigger and better and we need your help to do so.

When we travel away to grounds up and down the country, I am sure many of you will have notice other club's operating a similar draw with a bigger prize on offer

and we want to make ours the most successful in League One.

The 50-50 draw sellers will be around the stadium in high visibility jackets so you don't miss out and for just a pound coin you get two chances to win, there is no reason for you not to have a go! We have also listened to the supporters regarding the draw and understand the problems surrounding claiming the prize should you have the lucky ticket.

So from now on, there will be four poster boards located in each stand of the stadium, which will carry the winning number from the previous game. Not only that, but the winning ticket number will appear in the match day magazine, on the website, **www.theposh.com**, and announced alongside the Man of the Match via the tannoy.

All of the money that is raised through the half-time draw will be spent on supporting the players of the future here at London Road, so there really is no excuse not to put aside a small amount of money for this draw and remember, one lucky winner will be leaving the stadium a much richer person!

Thank you for your continued support and enjoy today's game.

Hartlepool United 2 Posh 0

Hartley 44min, Liddle 90min.

Manager Gary Johnson named the same side that earned a 1-0 victory at Carlisle United, with Ryan Bennett named among the substitutes after recovering from a knee injury. A looping header from Andy Monkhouse struck the outside of the post on eight minutes after a right-wing cross from Neil Austin.

Posh did click into gear on the quarter hour mark and it was route one football, a long kick from Lewis was flicked on by Mclean into the path of Mackail-Smith, the angle was tight, but he still forced a good save from goalkeeper Jake Kean.

A corner, given rather harshly against Posh as the ball appeared to strike Larkin, was swung into the box and an unchallenged Hartley was well placed to head past Lewis and on the stroke of half-time, Posh were behind.

Posh had chances in the second half with George Boyd superbly denied by the goalkeeper, however a sending off changed the course of the game as Lee Tomlin was shown a straight red card for a challenge on Leon McSweeney. With Posh pressing for an equaliser, the home side doubled their lead through Gary Liddle in the final moments.

What They Said

'We had the feeling during the week that things were starting to come together for us. I think the changes at the back and moving Gary Liddle in to midfield have paid off and made us a lot stronger. We had to hang on a little in the second half because Peterborough are a very good attacking side. The goalkeeper got us out of trouble a couple of times because he made two fantastic saves.'

Mick Wadsworth

(Hartlepool United First Team Coach)

'We start planning for next time out, we are in Sunday morning to work at it. I won't let them go home and feel defeat is normal. We will

work hard and get a performance to get back into the top two or three. If I leave it and go into that game there may not be a difference, but making them think about it should see a response.'

Youngsters Excel Against the Blues

On Sunday 26th September our under 9s, 10s, 11s, 12s, 13s and 14s travelled to West Hills training ground, home of Birmingham City Football Club, to play the Blues as part of our games programme.

This year will see us be able to pit our wits against some of the best academies across the country and our first outing this year was at Birmingham City.

It was a fantastic day and the most important thing for me was to see our players from Peterborough United perform so well across all of the age groups and compete extremely well and represent the club in a very positive light across the board.

Our technical development officer Lewis Webb, who oversees our under 9s-12s Centre of Excellence teams was also in attendance and was very proud and pleased with the squads performances, in particular with two

great team performances from our under 11s and under 12s. They passed the ball extremely well and were very positive going forward and collectively as groups they represented the football club in a fantastic manner.

Our under 13s led by manager Dave Farrell and the under 14s led by Iain Parr again both competed very well and it is now interesting to see our under 13s and 14s, where we are now working on the tactical and technical elements that are required for our players. They showed good game understanding against a very tough Birmingham City team.

Overall it was a very pleasing day and I would like to thank Birmingham City for what was a fantastic development day and a great opportunity for us to pit our wits against one of the best academies in the country.

Stand-Out Performances

In our under 11s, centre forward Jack Eldridge, who is new to us this year, did very well in the game against Birmingham City. He worked well across the line, he didn't stop working, held the front line and he also tracked back well and even got his name on the score sheet.

Another good performance in the under 11s was from Calum Willingmot, who plays at right-back, again he is new to the system this year. He was solid defensively, nothing got by him and he also pushed on forward with good effect and provided a cross for one of our goals.

The under 12s saw outstanding performances from Tom Snare, who plays as a striker. He is only a small lad, but he held the ball up well and was a handful for the defenders and he also scored a great goal.

Charlie McKay also scored a great goal, cutting in from right midfield before putting the ball into the top corner, he assures me he meant it and it wasn't a cross.

Another player who has started the season well is DJ and again he showed that he can move the ball very well and technically he is very good. All in all it was a great day out for the Centre of Excellence.

The Posh duo were then given the opportunity to have a go and make their own pizza from scratch, starting with making the base, making plenty of mess along the way. *Well almost!

Good afternoon and welcome to today's game with Swindon Town and we need to get back to winning ways after the disappointment of the defeat to Hartlepool. I revealed the winner of the competition to win a signed Gary Johnson Peterborough United shirt was Joshua Lutman and he is here today to receive that prize.

I also set another competition. Up for grabs was a signed programme from the game against MK Dons. It is signed by the entire squad and management. To enter, all you have to do is answer this simple question. Which Posh defender is currently starring in a sketch show with Eddie Large on Soccer AM? If you think you know, email me your answer with your contact details to **juniorposh@theposh.com**.

I have extended the entry date to this Wednesday for this competition, so make sure you do not miss out! We have two Fun Days scheduled at Werrington on Tuesday 26th and Wednesday 27th October.

Now normally the price would be £15 for one day and £25 for two, but as Junior Posh members you will be able to take

part in this course for £10 for one day and £20 for two. The course is for 4-12 year-olds and are fun-based, but will include a visit from a Posh player so it really is well worth taking part!

Remember also that you can email me if you wish to have a face to face, one on one meeting with your favourite player, because I can arrange that for you. Ryan Bennett met Junior Posh member James Bloodworth ahead of a recent game, James had his picture taken with the defender and also got the chance to ask some questions to the former Grimsby Town defender.

Just drop me an email to **juniorposh@theposh.com** and we will make it happen!

Enjoy today's game.

Happy Birthday

GREAT TO SEE GILLY BACK!

When Mathew Gill agreed a one-month loan deal at Peterborough United from Norwich City, he was quick to reminisce about his memories at the football club, from the journey to training along Oundle Road, to the harmless banter of staff members who are still at London Road all these years later.

Of course, Gill's first spell at the football club was a long one. He spent seven years at Posh, making over 150 appearances in all competitions and the majority of those appearances were made alongside one of his closest mates, Gareth Jelleyman.

Jelleyman, who now plays his football with Boston United, was part of the successful side that clinched promotion under Barry Fry in 2000 and played alongside starlets like Simon Davies, Adam Drury and Matthew Etherington.

The Welshman admits that it is great to see his mate back at London Road and is confident that the midfielder can become a regular for Norwich City in the npower Championship. 'Matt is my best friend and I was his best man at his wedding, we get on really well and it is great to see him back at Peterborough. I am sure he will enjoy getting some first team football and I am sure when he returns to Norwich City he will be pushing for a place in their side.

'Being in the Youth Team at Peterborough was probably the best time of my life, we had a really good team and we were playing Premier League clubs every week. We had a great set of lads and like I said it was probably the best time of my life. We had a good laugh, but we worked hard together, we had some very good players like Simon Davies, Matthew Etherington and Gilly and it was a really enjoyable time.

'Of course, there were some down sides as well. We had to clean the first team players' boots and I was given the responsibility of Miguel De Souza's boots and no he didn't pay me! It was all part of growing up though and we all had a bit of a laugh with it,' Jelleyman said.

The story of how Jelleyman's career began is a heart-warming one. The left-sided player used to regularly attend soccer schools in and around the North Wales area and when he was spotted by a Peterborough scout, it meant a lot of travelling and at 12-years-old that was a major upheaval.

'There was a coach in North Wales, where I'm from, Tony Williams was his name and he used to do the soccer schools around the North Wales area and he had a lot to do with Kit Carson. When I turned 12 I came down to Peterborough for a trial and we went to Denmark. I remember that went well and it just went from there.

'Being a professional footballer is something I had always wanted to do and everything I did was geared towards that. I used to travel down from Wales to Peterborough on the train every weekend from the age of 12 and I used to sleep in the dressing rooms at the club on a Saturday night, play in the game on the Sunday and then travel back to Wales Sunday night. I always wanted to do it and I couldn't envisage myself not doing it, but looking back, it does bring a smile to my face how I got through it,' Jelleyman continued.

His first team debut for Posh was in a 1-0 win at Brentford in the Football League Trophy, but his league debut in January 2000 came in a local derby with bitter rivals Northampton Town. With over 9,000 packed into London Road, it

where are they now?

where are they now?

is a fixture that Jelleyman remembers fondly.

'I made my first start in a local derby match against Northampton Town at London Road and I remember I should have got sent off. I was booked for a really late tackle in the first-half and I later made another bad tackle, the referee for the match was David Ellery, who was quite an old referee. I remember Wayne Turner our coach going up to him at half-time and lying about my age, saying that he was making his debut and he was only 16.

'In the second-half they had a throw-in and I threw the ball away and looking back I should have been booked again, the ref had a little word with me and said I should be sending you off now, but seeing as it's your debut I will let you off this time. We won the match 1-0 and

it was such a great feeling at the end, there was a big attendance of around 9,000 and the ground seemed full and as well as being a local derby and fiercely contested it was just a great feeling to win the game.

'I had been gearing up for that moment ever since I was 12 years-old and so to finally go on and make my league debut for the club was a fantastic feeling and it was another step in the right direction of what I wanted to do in becoming a professional footballer,' Jelleyman added.

Of course, Jelleyman was part of the Posh side that secured promotion via the play-offs at Wembley Stadium in 2000. Andy Clarke scored the only goal of the game on a horrible Friday evening with the rain never subsiding at all throughout the 90 minutes.

'To be fair the day out at Wembley is a bit of a blur to me and I can't really remember too much about the game or the build up to the match. I don't know whether it was nerves or excitement but the day seemed to just fly by. I remember the scenes after the match and it was an unbelievable moment.

'I had just broke into the first team around Christmas time and I played right through until May and we were winning games and it was just great to be a part of it. We had a good team and a good team spirit and everyone was on a real big high. Everyone was confident that when we went out for the game that we would win.

'We had a few jokers in the dressing room around that time, Dean Hooper was quite mad and he would do a few crazy things. We had Richard Scott, who to be fair wasn't very funny, but he was someone you could laugh at.

Everyone got on really well and we had such a good team spirit. I keep in contact with most of my old team-mates like Mark Arber and Chris Plummer and it's important to still keep in contact with your old mates.

'I remember playing Bournemouth a couple of seasons later and we beat them 6-0. I had been out for about a year and I think that was my first game back and to win like that was just incredible. A week later we beat Queens Park Rangers 4-1 at our place and those two games stick in my mind because we played so well in those two games we thought we could really go on and achieve something, but it just seemed to fizzle out towards the end of that season.

'It was great to play under a manager like Barry Fry and I have a lot to thank him for. He was the one who gave me my first opportunity of playing league football. I really enjoyed playing under him and I learnt a lot. I can't thank him enough for what he has done for me,' the Welshman continued.

Nowadays, Jelleyman turns out for Boston United and the season has started well for the Pilgrims, thanks in no small part to Posh shot-stopper James McKeown, who is on-loan at the Jakeman's Stadium. Boston also have Ryan Semple in their ranks and Jelleyman is loving Saturday afternoons.

'I am currently playing for Boston United and we are doing quite well so far this season, we are second in the Blue Square Bet North league and to be honest it is probably the first time I have enjoyed playing football for a fair few years and I think that is due to us winning. For the past five or six years I have been involved in relegation battles and not winning every week and that's not a nice feeling so it makes a change not to be losing week in week out.

'It's part-time at the moment and in my spare time I am training to be an electrician and working for a building company at the minute. If I am honest I really enjoy my work, sometimes I have the tendency of taking football as the be all and end all and I would be really down if I hadn't had

done well because football was my life. Having another interest means that after I play on a Saturday and even if I didn't do too well it's not the be all and end all so I quite enjoy working outside of football, it is something different.

'I always look out for the Posh results, it is probably the first I look out for as well as Everton, which is the club I support, I always like to see how The Posh are getting on. I haven't been to any games this year, but they are doing well and going nicely and hopefully they can get promoted again,' Jelleyman concluded.

Today's Ground Collection

The ground collection today is for the Royal Air Forces Association and they have provided us with some details about the RAF and how the monies raised are used by RAFA to help our war veterans.

'At the end of the World War 1, a number of Squadrons and Unit Associations were formed to allow those who had served together to maintain contact.

In 1930, an organisation known as the 'Comrades of the Royal Air Force' was formed with membership open, irrespective of rank, to those serving or who had served in the Royal Air Force, the Royal Flying Corps, the Royal Naval Air Service and the Dominion Air Forces.

Over time this organisation evolved and in 1943 the Royal Air Force Association, (RAFA) was founded. Today, RAFA is dedicated to supporting serving RAF personnel and former RAF personnel and their families. Whether it's an injured airman fighting to get back on his feet, a young daughter missing her parent on overseas operations or a Second World War veteran needing a shoulder to lean on, RAFA is there to help.

RAFA is currently the driving force behind two programmes to assist deployed personnel and their families. The first is 'Storybook Wings', which is where a deployed parent can record a special message and a story for their child or children onto a CD, which can be played for the child or children at home during their absence.

The second program is 'Miles More Minutes', which provides the deployed person an extra £10 phonecard a month, to allow them to keep in touch whilst serving in Afghanistan and other overseas operational tours.

RAFA also provides respite care at its three dedicated respite homes. Sheltered accommodation is provided at a further 3 homes and the specially adapted houses for short welfare breaks.

The Peterborough branch of RAFA was formed on 21st November 1933 and is one of the oldest of the RAFA branches. This year the branch has raised over £2,300 during the Battle of Britain Wings Appeal Week (13-19 September 2010) and today we would invite you to make a contribution to RAFA to assist in our efforts to support those who have served and those who continue to serve this country.'

Away fans are housed in the Brook Road Stand at one end of the ground. This covered two tiered stand has 600 seats in its upper tier and room for around 1,000 fans below in the terrace.

The upper tier has good unhindered views of the playing area, whilst below in the lower terraced area there are a couple of prominent supporting pillars, which may effect your view. There is a good selection of refreshments on offer.

Travel Guide:

By Car:

Leave the M4 at junction 2 and take the A4, going around the Chiswick Roundabout so that you end up coming back on yourself. Continue along the A4 and at the first roundabout take a left onto the B455 (Ealing Road).

The ground is located about half a mile down this road on your right. There is no parking at the ground for supporters, so apart from a small pay and display car park in Butts Road, it is street parking.

By Train:

The nearest train station is Brentford, which is around five minutes walk away from the ground. This station is on the London Waterloo to Reading line, which normally run every 15 minutes on Saturday afternoons.

To get from the station to the ground,

exit onto Station Road. Take the first right into Orchard Road, right again into Windmill Road and then first left into Hamilton Road which leads into New Road and the ground.

Official Supporters Coach:

The official supporter's club foreverposh have coach travel available for the game. The coach will depart London Road at 10am and costs £15.50 for members and £18.50 for non-members.

Where To Drink:

Brentford is famous for being the only ground in England that has a pub at every corner of the ground. The surrounding land was formerly owned by the Griffin Brewery, hence Griffin Park.

If you are feeling thirsty, get there early and have a pint in all four. They are the Royal Oak (a small locals pub), The Griffin (serves Fullers real ale), The Princess Royal & The New Inn. The New Inn is the favoured pub for away supporters.

Hotel Accommodation:

If you require hotel accommodation in the area then first try a hotel booking service provided by Football Hotels who are powered by Activehotels, who specialise in locating accommodation near or within a short travelling distance of the football ground. They also have the added advantage over some other hotel booking services that you pay on departure. For more information visit their website **www.activehotels.co.uk**.
