# Board Report...

**At** times our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us.

**GOOD** afternoon from The County Ground, a venue where there is seldom a dull moment!

As I prepare to craft the Boardroom notes for today's fixture with Scunthorpe, I once more find myself, along with everyone else, sitting at the door of change. I am certain that many reading this column will be well acquainted with the fact that in football, the future tends to come one day at a time.

Today presents an appropriate opportunity to officially welcome Sir William Patey KCMG as the new Swindon Town FC Chairman, a role he assumed last Monday. I have been fortunate enough to have spent some time with Sir William in the weeks leading up to his appointment and not surprisingly, I find a man of intelligence, integrity, ambition, determination and sagacity, together in possession of all of the other qualities that you would expect of a man who has served as the British Ambassador in some of the world's most complex and testing environments. I also found a man who is immensely interesting but more importantly, keenly interested in others. I have little doubt that he will quickly establish himself as a 'tour de force' in the role of Chairman and continue the excellent work that was begun by Jeremy Wray in May 2011.

Jeremy Wray's departure from the Board is extremely sad for all those associated with the club and who got to know him over the years. Jeremy was very popular amongst the fans but he fully appreciated the fact that to be popular you must first learn to like other people and he was the master of this particular art. Jeremy may have left the Board but he has not left the club and his

part in the club's history will be kindly recorded and recounted in the years ahead. He rekindled a dying flame in May 2011, at the time of our relegation to League Two and that flame burns brightly today now that we are back in League One, and hopefully the candle power will be increased when we ascend to the Championship, which remains the club's overriding ambition.

But now we must move on and plan for the future that includes wrestling with the issue of the Transfer Embargo.

We have an important game today when we pitch our skills against what has the appearance of a Swindon Town FC guest XI, with the likes of Messrs. Clarke, Grella, Kennedy and Prutton in the Scunthorpe squad. We then go on the road for two league fixtures before returning to SN1 for the Capital One Cup tie against Aston Villa. I am delighted to report that we are on track to be totally sold-out for this fixture and The County Ground will rock once more.

Let's hope we can win today but above all else enjoy the game and keep the faith.

**Farewell:** Jeremy Wray at The CG

# Alan McCormack...

**Town** skipper Alan McCormack could be back in action this afternoon after missing the last two games with a hamstring injury. The Irishman looks back on a hard week of work at the training ground as he targets a return...

**THE** defeats at home this year are something that I don't think anyone would have seen coming. We showed on Saturday in the last half an hour that when we do go at teams and put pressure on them high up the pitch, just how good we are. Coventry couldn't handle us for the latter stages of the game and looking on from the sidelines; everyone wanted the game to keep going from a Swindon Town point of view.

I have missed the past few games with injury but have had a great week with Claudio Donatelli and I have been working hard towards a full recovery. I was back running on Tuesday and took part in full training on Wednesday and Thursday so hopefully I'll be okay. A lot of work has been done including stretching, cycling and strength work. Nowadays you have to be very careful with hamstring injuries because you don't want to return to action too early and then 'bang' you are injured again with the potential for being out for even longer than before. I am very happy with it and will be battling as best I can to get my place in the team back.

There are a number of former Town players in the Scunthorpe squad but to be honest that's not something that concerns us too much. We haven't spent any time at the training ground talking about that specific fact because it's just another game. People move on and that's football. We won't be going out this afternoon and treating players any differently because they have played for Swindon earlier in

their careers. We will go out and treat this game like any other. We want to win the game and I am confident that we can do that this afternoon.

We know coming into today's game that we have to press all over the pitch, be angry and fight for the ball. We know we need to get our passing game going which is something that has perhaps been lacking in previous weeks. Training has been very good this week and hopefully all that hard work pays off. Our last few home games have been against teams at the lower end of the division and the results haven't been what we would have wanted.

Today we have to go out and believe we can win the game, try our absolute hardest and keep creating opportunities. Your support has been fantastic all season and please keep the noise going as we look for three points at The County Ground.

**Captain:** Alan McCormack

# In The News...

**On** Monday of this week, the Directors of STFC announced the appointment of Sir William Patey as non-executive Chairman\*.

**SIR** William is a lifelong football fan and, having served as British Ambassador to, amongst others, Afghanistan, Iraq and Saudi Arabia brings a wealth of experience to the Swindon board.

Sir William commented: "I am delighted to become Chairman of Swindon Town at such an exciting time. I look forward to working with Paolo, the Board and the whole Club so that success on the pitch can continue and take the Club back to the npower Championship.

"In addition, my task will be to secure new investment to support the programme of ground redevelopment and to co-ordinate the execution of the Club's longer term strategic plans. I look forward to working with those who share the same ambitions for the Club both on and off the field and relish the opportunity to take on this challenge. The Club has achieved much under the Chairmanship of Jeremy Wray and on behalf of the Board and investor base would like to thank him for his efforts over the course of the last 18 months."

Jeremy Wray, after careful consideration, has taken the

## Kitted out

**TOWN** programme seller Chris Kirkland recently received an email from the Principal of Willies Primary School in Antigua, thanking STFC for numerous donations of surplus football kit. Kirkland has visited Antigua for the past five years and has taken a donation of football kit to the Caribbean island. An extract from the email reads: "During the second term of the last school year January to April two basketball teams were formed and entered the island Under-14 Basketball Championship Competition. They wore the kit you brought them. Do you know the boys became the island's Under 14 Champions? We are so grateful to you for all those uniforms."

decision to resign from the STFC Board with immediate effect. Regretting this decision, the Board would like to place on record its thanks for Jeremy's invaluable contribution to the club since his initial involvement in January 2008 and justly proud of his achievements since assuming the role of Chairman in May 2011.

Two exclusive video interviews with new Chairman Sir William Patey are now available on STFC Player, the club's official online TV service, which can be accessed

## FA Cup First Round Draw...

**THE** draw for the first round of the FA Cup with Budweiser will take place on Sunday 21st October. It will be broadcasted live on ITV1 in a 30 minute programme which will start at 1.30pm. Swindon had a season to remember in the competition last term, which began with an emphatic first round 4-1 win over Huddersfield Town. A 1-0 victory at Colchester United followed in November with Matt Ritchie's second half strike seeing the Robins through to round three. A third round tie at home to Premier League side Wigan Athletic resulted in a memorable 2-1 victory thanks to goals from Alan Connell and Paul Benson. Town were drawn away at Leicester City at the fourth round stage and lost 2-0 at The King Power Stadium at the end of January. This season's first round tie will take place on Saturday 3rd November 2012 and ticket details will follow next week after the draw is made.

### Welcome back Steve...

**TODAY** we have great delight in welcoming STFC fan Steve Hooper (pictured in white) into the Legends Lounge. Steve turned 50-years old in August and due to illness has not made it to a Town game for some time.

This afternoon will also be a special day for him as he celebrates his belated birthday with family members. Prior to his illness, Steve used to be an avid football player as well as an avid fan, and says one of his fondest memories was seeing the Town win at Wembley back in 1993. We hope you have a great day out at The County Ground and we have a few surprises lined up for you. Enjoy!

## Gary Roberts

**THE** winger returned to the line-up for the home clash with Coventry City and impressed with some trickery and quality delivery from the left hand side of midfield. He moved inside in the second half and the switch paid dividends soon after as he scored Town's first goal of the game. The 28-year old has now made six appearances for the club this term.

# Scunthorpe United

It has been a difficult start to the 2012/13 campaign for Alan Knill and his Scunthorpe side, who come to The CG looking for what would be a valuable three points...

## Last five...

## Formation...

4-4-2

## The gaffer...

THE appointment of Alan Knill saw him returning as a boss to the third club he represented as a professional player. During a playing career spanning four years with The Iron, the commanding centre-half played 130 games under managers Richard Money, Dave Moore, Mick Buxton and latterly Brian Laws. He joined Scunthorpe as manager in March 2011 and has won 16 of 75 games in charge of the Glanford Park club.

## Jimmy Ryan

THE midfielder signed on a free transfer from side Accrington Stanley in June 2011. He scored 22 goals in 129 league outings during his time with the League Two club.

## Robbie Gibb

## Tom Newey

21

THE 29-year old has now made over 300 league starts during a career that has seen him serve the likes of Leyton Orient, Grimsby Town and Rotherham United. He signed for The Iron in August 2012.

## Niall Canavan

CANAVAN signed professional terms with the Iron during the summer of 2009. Featuring regularly in pre-season, the centre-back, who used to be youth team captain, is tipped to have a big future in the game.

## Paul Reid

## Sam Slocombe

1

FORMER Bottesford Town goalkeeper Slocombe joined the club for an undisclosed fee in August 2008. The 24-year old has now established himself as United's number one after a patient three season wait.

## Form guide...

THE league season began with a 3-0 defeat at Crawley Town. Successive defeats followed at Glanford Park with a 2-1 loss to Crewe Alexandra followed by a 4-0 thumping by in-form Yeovil Town. Then came a 2-0 defeat at Hartlepool United before Alan Knill saw his side gain their first point of the season from home draw with Sheffield United in early September. Wins have followed against Shrewsbury Town and Colchester United.

## Off the bench...

**THE** Iron arrive without defender David Mirfin who was sent off during last weekend's home draw with Brentford. Mirfin, who was dismissed on his last visit to SN1, is likely to be replaced by Paul Reid who could make his outing of the campaign should he feature this afternoon. Manager Alan Knill introduced Callum Kennedy and Connor Jennings off the bench last weekend and both could feature today.

## On the match...

**IF** the last two meetings with Scunthorpe United are anything to go by, then there could be plenty of goals on the agenda this afternoon. The last home meeting saw Town register a 4-2 win in February 2009 with former Iron loanee Michael Timlin amongst the scorers. The reverse fixture at Glanford Park saw a six-goal thriller which included a hat-trick from Simon Cox, who finished the season with 32 goals.

## In The Spotlight...

**Former** Town defender Callum Kennedy is one of four former Swindon players who could line-up at The County Ground this afternoon in League One...

### Defender – Callum Kennedy

**FORMER** youth teamer Kennedy left Swindon at the end of last season following his release by Paolo Di Canio. He had come up through the STFC Centre of Excellence and went on to make his first team debut in September 2007 alongside the likes of Simon Cox and Ben Tozer during Paul Sturrock's time in charge at SN1. The Chertsey-born player spent

five years with the Robins, making 33 appearances in the league and scoring once before his exit from the County Ground this summer. He has also enjoyed spells on loan at Gillingham, where he played three times, and Rotherham, where he made 11 appearances. He completed a move to Scunthorpe in June and signed a two-year deal with The Iron.

### Defender – Niall Canavan

15

2012/13 Apps: 12

**THE** defender signed professional terms with the Iron during the summer of 2009. Featuring regularly in pre-season, the centre-back, who used to be youth team captain, is tipped to have a big future in the game. Strong in either box, the player will develop this season and it is hoped that he will establish himself in the team over the coming years. He

signed a new three-year deal in the summer of 2010 after impressing when called upon for the first team. He also went out on loan to League Two side Shrewsbury towards the end of the 2010/11 season, appearing three times. A Republic of Ireland Under-21 international, Canavan will be looking to showcase his undoubted potential in 2012/13.

### Forward – Connor Jennings

12

2012/13 Apps: 11

**THE** Iron signed Stalybridge Celtic striker Jennings for an undisclosed fee in January 2012. The 21-year-old striker penned a two-and-a-half-year deal. Rising through the ranks at the Bower Fold club, he turned down a move to a Championship club to join United. Overall, he's notched 51 goals in 123 appearances for the Blue Square North side. He

suffered a broken metatarsal just after joining United, missing almost three months, but recovered in time to finish the season, and is expected to be a key performer in 2012/13. He opened his account on the opening day of the campaign in the 5-5 draw at Derby County. The striker came off the bench in last weekend's home draw against Brentford.

# Club Connections...

**Tom** Otrebski takes a look at players to have played for both Swindon Town and Scunthorpe United ahead of today's League One encounter...

## Keith O'Halloran...

A Republic of Ireland Under-21 international, O'Halloran spent a short spell on loan with Scunthorpe during the 1995/96 season, making seven appearances on loan from Middlesbrough. He was brought to Wiltshire by Colin Todd in June 2000, making 48 appearances in midfield that season. An horrific leg break at Bournemouth in September 2001 spelled the end of his Town career. After nearly two years of rehabilitation and a number of reserve team games, O'Halloran was released. He later played for Shamrock Rovers in his native Ireland.

## Frank Burrows...

A popular figure at both clubs, Burrows joined Scunthorpe in 1965 from Raith Rovers and made over 100 appearances in three years before joining Swindon for £13,000 in 1968. In his first season at the club, the centre-half was part of the side that won the 1969 League Cup and achieved promotion from Division Three. The Scotsman spent eight years at The County Ground, making over 350 appearances and scoring nine goals before moving onto the coaching staff.

## Bob Smith...

**SIGNED** for the Iron from Manchester United in 1964, Smith made 82 appearances and scored 12 goals in three years at the club before departing for Grimsby Town. At the conclusion of his playing career, Smith moved into coaching and was appointed Town manager in 1978. His Swindon side challenged for promotion from Division Three before a successful League Cup run the following season. Under his stewardship, Town reached the semi-final, famously knocking out Arsenal in the quarter final before losing to Wolverhampton Wanderers.

## Alan Sproates...

**SPROATES** was brought in during the summer of 1963 from Sunderland. In just over two years at The County Ground, the youngster rarely got a look in and made only five appearances before leaving for Darlington in September 1965. Town only won once when Sproates was on the field, a 2-0 win over Bury in December 1964. After a successful spell with Darlington, the midfielder spent the 1974/75 season with Scunthorpe, making 24 appearances before enjoying the twilight of his career in Australia and the USA.

**Pictured top to bottom:** Keith O'Halloran, Frank Burrows, Bob Smith (centre), and Alan Sproates.

## Career so far...

**JOINED** Celtic at the age of 12 and joined Town on loan from Parkhead in 2009. He made 45 appearances during Swindon's run to the play-off final before penning a permanent deal in August 2010. After a frustrating 2010/11 campaign, Ferry was one of Paolo Di Canio's key players during 2011/12.

## Career so far...

**A** product of the Liverpool Youth Academy, Ryan was part of two Youth Cup winning sides at Anfield. Signed for Accrington Stanley in 2008 where he made over 150 appearances in three years, scoring 25 goals and making the PFA Team of the Year. Ryan secured a move to Glanford Park in June 2011.

## 2011/12 Season...

**THE** Scotsman made 54 appearances in all competitions last season as Swindon sealed an automatic return to League One and reached the Johnstone's Paint Trophy Final at Wembley.

## 2011/12 Season...

**RYAN** endured an injury-hit first season at Glanford Park, with a knee injury restricting him to 27 appearances for the Iron. He scored two goals last campaign, notching 90th minute equalisers against Walsall and Chesterfield.

## Did you know?

**FERRY** was part of the Scotland side that reached the final of the UEFA Under-19 Championship in 2006, where they lost to a Spain side containing Gerard Pique and Juan Mata.

## Did you know?

**THE** midfielder has represented the Republic of Ireland at Under-21 level. He has made four appearances for Under-21s, scoring once. He has also won the FA Youth Cup twice, in 2006 and 2007.

## 2012/13 Season...

**THE** Scotsman has made 15 appearances so far this season and scored the winner at Shrewsbury Town three weeks ago in a 1-0 win for the Robins.

## 2012/13 Season...

**LIKE** his midfield counterpart, Ryan has also made 15 appearances for Scunthorpe in league and cup this campaign although is yet to open his goalscoring account..

***I am really glad I chose to come to Swindon. I like it down here and I am settled too.***

**TEN** years ago Jay McEveley made his debut for Blackburn Rovers in a League Cup tie against Walsall. At the time the defender was just starting out at Ewood Park after making the switch from Everton and he made a total of 15 appearances during the 2002/03 campaign which included lining up against Manchester United at Old Trafford.

His performance against the Red Devils caught the eye with a robust display against the likes of David Beckham and Ruud Van Nistelrooy. The future looked bright for the youngster who went on to feature against Manchester City and Tottenham Hotspur later in the same season. However, a series of injuries hampered the defender's progress and he was loaned out to Burnley, Gillingham and Ipswich Town before eventually leaving Ewood Park on a permanent basis – signing for Derby County for £600,000 in January 2007. He made over 100 appearances in a two-and-a-half year stay with the Rams and after almost two years

with Barnsley, he arrived at The County Ground on loan in March of this year.

Callum Kennedy, who could line-up against the Robins this afternoon in Scunthorpe colours, and Alessandro Cibocchi both provided competition for the left-back slot last term but were ousted from the side following McEveley's arrival on loan. With both players having now departed SN1, the Liverpoolian has firmly established himself as Paolo Di Canio's first choice.

With 14 appearances to his name this season, the 27-year old is keen to help the Robins secure a second successive promotion for personal and professional reasons. After a testing ten-year career, the defender is now settled in Wiltshire and has his eyes firmly focused on success.

***Let's start by talking about Wembley and your Town debut – which must feel like ages ago now...***

It does seem like a long time ago and a lot has happened since then. I have changed

**ship**  
**tion**

**COYR**

clubs, moved to Swindon permanently and we won the league last season too. I have done another pre-season since then but whilst it seems like a while ago, I have really enjoyed my time here at Swindon so far.

***What do you remember from the final and were you surprised to be thrown straight into the line-up on your debut?***

It was a surprise but it wasn't a bad place to make my debut. I am thankful to the manager for giving me that chance and it was a little weird going straight in, because it was difficult not knowing exactly how the team played. The understanding is there now but as a new player it takes a few weeks at least to get used to how everyone goes about their game.

***If Carlsberg did loan spells, yours was probably up there with the best of them wasn't it?***

You're right. Winning the league and playing in a cup final at Wembley is what most players would dream of from a loan spell but that's how it turned out. I did well enough that the manager wanted to sign me on a permanent deal as well and things have worked out for me.

***How tough was the decision to join permanently?***

You could see the way the club was going and Swindon's ambition was clear. The target is to get to the Championship as soon as possible and I want to help the club get there. The stadium and the lads here is set up for it and the faith the

manager showed in me was a big part of it too. That gave me a lot of confidence and I am really glad I chose to come to Swindon. I like it down here and I am settled too.

***Your fitness has improved a lot since you first arrived and playing regularly has played a big part in that hasn't it?***

We work hard not just in pre-season but also in the weeks when we don't have a Tuesday game or a midweek game. Fitness is a big part of how we play and the manager and his staff always make sure the lads are in good condition. This is probably the fittest I have ever been for a good while to be honest with you and that's down to how the manager wants me to play. He wants me to overlap and get forward a lot. At other clubs that's not always the case – sometimes it's just give the ball to the winger and back them up. To be able to run up and down the wing for 90 minutes once or twice a week you have to be very fit.

***It's fair to say there isn't a lot of down time at Swindon, but that all helps players' focus on and off the pitch...***

You can't be off your game here. If you are not eating or drinking the right things then you're not on top of your game at the weekend. Everyone has to be on top of their game in training let alone in matches and if you do something wrong then you won't be in the team for the Saturday. There is pressure but there's a right way to go about things on and off the pitch and

**Winning the league and playing at Wembley is what most players would dream of**

that plays an important part in results and success for the team.

*It's around ten years since you started out with Blackburn Rovers. How do you look back on that time of your career?*

There's a little bit of regret really to be honest with you but that's mainly down to the injuries I had back then, which hampered me a lot. They stopped me from becoming a regular in certain places and I had two bad knee injuries during my time with Blackburn.

They stopped me pushing on to where I wanted to be and my career could have taken a different path. I could have been a regular Premier League player but things didn't go that way. I am happy with the way things have turned out though and I just want to get back to a good level and that for me now is the Championship.

***In your opinion who has been the best left-back during the course of your career?***

I am going to have to give you the obvious answer and that's Ashley Cole. He has been playing at the top level for years

**COYR**

**This is  
probably  
the *fittest*  
I have  
ever been.**

and played in the Champions League and Premier League on a regular basis. Another player to mention is Bainesy (Leighton Baines), but he's only now getting the recognition that he deserves. I remember him playing for Wigan Athletic in the Championship and he carried his form on for them into the Premier League. He is doing well and whilst his first season with Everton was a bit stop-start, he hasn't looked back since.

***Do you think the time has come for Leighton Baines to become the regular left-back for England?***

Looking at the San Marino game it looks like it's certainly in Roy Hodgson's mind. I wouldn't have any qualms about putting him in at international level ahead of Ashley Cole. It's all about form and not about names. You can't play players just on reputation, it has to be on form and if lads like Bainesy are doing it week in, week out for their clubs then they should be starting for England. That's how it is.

***You played for England at youth and Under-20 level, so you must have played with a lot of current England players?***

I was in the England Under-21s with a lot of the lads who are now well established in the England side and in the Premier League. The likes of Glenn Johnson, Peter Crouch and Jermaine Defoe were all there at the time. I was in the Under-21 set-up when I was only 17-years old so a lot of people who are playing for England were there. It was a tremendous experience

for me to go away and play with those guys.

***You stated earlier that your target is a return to the Championship with Swindon. What do you make of the start to the season you've made?***

We are only a few points off the top two and that's a great achievement. When you consider we aren't playing at our best at the moment in terms of playing consistently or fluidly, then there is more to come. It's been an odd week really results wise but we have to make sure we pick up extra points along the line. We know that if we can get a run going then there's no reason we can't make a big challenge for this league.

***Scunthorpe United are the opponents this afternoon and they come to The County Ground with a host of former Town players in their squad. It has the makings of a testing afternoon doesn't it?***

This game starts a big week for us. There are three big games with Scunthorpe, Crewe and Stevenage and we know we have to make the most of the opportunity we have. Our season can take a path after these three games and we know that. If we can get six, seven or nine points then we can really make a statement. If we don't get the results then we could be hovering around the play-offs, just hoping or being in mid-table. This squad of players is too good for that and we need to make sure that at the end of these three games we are going on an upward path.

# Match Analysis...

**The** Robins produced a stirring second half comeback to secure a point against Coventry City last weekend in League One...

**TOWN** recovered from being two goals down at half time to draw 2-2 against Coventry City.

As the rain hammered down at The County Ground, the visitors took the lead. David McGoldrick guided a header home past Foderingham.

Benson and Bostock both fired over and Simon Ferry headed tamely at the goalkeeper before the Sky Blues doubled their lead.

Town failed to clear a corner and the ball dropped kindly for McGoldrick who turned the ball home.

Substitute James Collins had the ball in the back of the net

early in the second half but was flagged offside and Gary Roberts saw his curling effort tipped over the bar.

Roberts did find the net with 13 minutes to play, hauling the Robins back into the game. A ball into the box dropped to the winger eight yards out and he acrobatically volleyed home.

Buoyed by their breakthrough, Town went in the hunt of an equaliser, pulling level just three minutes later. Coventry supporter Collins was on hand to thunder home a volley after the ball had been knocked down to send The County Ground into delirium.

**JAMES** Collins showed great technique to net his second goal inside a week with a superb volley against Coventry City...

## Di Canio comment...

"**WE** moved away from the 4-4-2 system and we had to. Ritchie wasn't delivering the balls we needed and Benson didn't have a chance so we moved Roberts inside and put Collins and Rooney on. Roberts received the ball in the pocket and gave the full-backs more room to push on. We had technique and application in those areas and we have to be honest, we hadn't tried that before."

## Collins' comment...

"**THE** change in formation helped us and that was perhaps the changing factor. Roons managed to get a shot in on goal and it fell straight to me but unfortunately that one wasn't to be. I managed to get good contact on the next one and thankfully it went in. I have been a Coventry fan since I was a boy but it was great to get a goal and help secure a point from the game."

I think my best attribute as a player is delivering the ball into the box.

### *Favourite goal you have ever scored...*

THE best one was for Huddersfield Town against Hereford United a few years back, but the most important for Huddersfield against Leeds in the last minute to secure a point.

### *What boots do you wear...*

**ADIDAS** F50s. They are really light, comfortable and mould to your feet really well. They are a good boot for a winger!

### *Career highlight so far...*

**GETTING** promotion with Accrington Stanley because winning the league was massive and it was my first promotion. I will also mention going up with Huddersfield last season as it came after several years of trying. We did it the proper way at Wembley and scoring from the spot was a special moment.

### *Favourite stadium played at...*

I played at Goodison Park for Huddersfield which was a great experience as an Everton fan. We got battered, but running out to 'Z Cars' was a tremendous feeling.

### *Toughest player played against...*

**DANNY** Mills when he was playing for Charlton and I was at Ipswich. He was horrible and I got brought off at half-time! I also played right-wing against Gareth Bale when he was left-back and he was quite tricky.

## Football costs money.

IT costs owners, managers and, most of all, it costs fans.

The BBC's thorough Price of Football survey, released on Thursday, detailed exactly what we can expect to fork out if we were to follow any one of 166 clubs across the United Kingdom.

And my does it make depressing reading.

Once upon a time this sport of ours was all about the people, yet now the cheapest ticket to a game of football in the top four divisions in England appears to be rising, on average, by more than five times the rate of inflation.

How can that be justified?

Well, it comes down to one thing - the pursuit of success. If you want a better product, as Paolo Di Canio intimated in reports by the Adver and the Beeb during the week, you need to be digging a little deeper into your pockets.

But pockets only stretch so far before you're tearing through the lining of your trousers and grasping at thin air. Football needs to recognise that there will come a point where watching our national sport becomes too expensive for many supporters whose love for their local club runs deep in their blood following decades of family association.

To be fair to Swindon Town, prices at The County Ground have stayed where they were since last season - with the exception of a 20p rise in a cup of cha.

But elsewhere there seems to be little advocacy for the soaring costs fans are expected to pay to see their team.

And this is what will damage local football in the very near future. Clubs must understand that for generations to continue to cheer on their community side, to forge a

heart-felt bond with their local team, it involves family encouragement.

That means father taking son, mother taking daughter - or vice versa - to games, actively encouraging the next breed of in our case Swindon fans to abandon the lure of Premiership outfits hundreds of miles away and instead root for the club on their doorstep.

But if mum or dad can't afford to bring their family along, what hope is there that youngsters will choose to follow a team who regularly face Carlisle and Gillingham rather than one who can count Manchester United and Chelsea among their arch-rivals?

We can all accept the expense of the game we love, we don't expect it to be served out for free, but there is a line to be drawn between reaching for the stars and distancing ourselves so far from the heartbeat of the sport - the fans - that the game dies inside.

The BBC's Price of Football survey once again showed that, without some sort of mediation, cost can spiral out of control. We see it in every walk of life, but let's not encourage it within our beautiful game.

The essentials: A pie and a programme!

# Premier Bound...

**KEVIN** Horlock made his league debut for Swindon Town and scored the fourth goal on a day which saw the Robins score five goals against Notts County...

**Words:** Dave Wallis

## Swindon Town 5 Notts County 1

**Date:** Saturday 17th October 1992

**Attendance:** 7,589

**TOWN** moved up to fifth in the table with this emphatic defeat of Notts County, through industrious midfield work by Micky Hazard, Martin Ling and Nicky Summerbee.

Feeling more pleased than most though would have been Kevin Horlock, making his League debut for Town and scorer of the fourth goal.

The game was almost a third of the way through before Ling slid home a Mitchell cross, then it was Mitchell's turn to beat Colin Calderwood to Summerbee's pass to nod home six minutes later.

The strike was Mitchell's eighth of the season.

Shaun Taylor had a header cleared off the line, then just after the break Summerbee increased the margin to three, finishing a Craig Maskell cross at the near post.

Dean Thomas' deflected goal past Nicky Hammond for the visitors on 55 minutes heralded chances for Kevin Bartlett, Phil Turner, Gary Lund and Steve Slawson as County threatened.

But Town were not to be deterred. Weathering the potential come back, Horlock struck a thunderous right-footed drive past Steve Cherry on 79 minutes, before substitute John Moncur concluded the rout with three minutes remaining after further good work down the right by Mitchell.

A day earlier, Hazard had turned down a £130,000 move to his home town club of Sunderland, admitting to feeling unsettled that Town had actually accepted the bid.

### Swindon Town:

Nicky Hammond, David Kerslake, Kevin Horlock, Glenn Hoddle, Colin Calderwood, Shaun Taylor, Micky Hazard, Nicky Summerbee (John Moncur), Craig Maskell (Steve White), Martin Ling, Dave Mitchell.

### Notts County:

Steve Cherry, Charlie Palmer (Steve Slawson), Dean Thomas, Mark Smith, Michael Johnson, Don O'Riordan, Mark Draper, Phil Turner, Gary Lund, Kevin Bartlett (Shaun Murphy), Paul Devlin.

**Summerbee increased the margin to three, finishing a Craig Maskell cross at the near post.**

## Player Review:

## Nicky Summerbee

### Season Stats:

**Appearances: 48**

**Goals: 4**

SUMMERBEE started the 1992/93 season on the right hand side of defence before being moved up into the right wing position. His first outing as a winger yielded a goal in an Anglo-Italian cup tie at Oxford United and, between September and March, Summerbee kept his position in midfield. In early March, full-back David Kerslake was sold to Leeds which prompted the manager to shift Summerbee back into the right-back position. He stayed in the marauding wing-back role for the remainder of the campaign, adding an extra dimension to Town's attacking brand of football. He played 90 minutes at Wembley and had a hand in two of Swindon's goals.

# STFC Academy...

**STFC** Academy manager Jeremy Newton talks about a busy week for Town's youngsters with Academy reviews and games against Tottenham Hotspur and Oxford United....

## Academy Reviews...

**THIS** week at The County Ground all Academy players aged 13 to 16-years old have been through their six-weekly reviews with their individual coaches. Jamie Pitman, Academy Phase Coach, has also been in attendance as part of his new role with the club.

The new EPPP legislation states that all players in this age group have to have reviews every six weeks and these are written reports on the four-corner module: tactical, technical, psychological and physical. There is also an action plan given to players for them to follow up ahead of their next review. In addition, the coaches and the players have to agree a six-week achievable target, a medium target and a long-term target. These targets will be reviewed as part of each review.

## Spurs to host Swindon...

**STFC** Under-16's side will play Tottenham Hotspur at their new training ground in Enfield this weekend. The training facility is a state of the art arena and will give the Town players an excellent opportunity to line-up against Premier League opposition. STFC have good working relations with Spurs as well as a number of other top-flight clubs and these games offer the players not only a challenge, but great experience.

## Player and coach packs...

**THIS** season all full-time Academy staff (Paul Bodin, Sean Wood, Jamie Pitman, Steve Hale and

Jeremy Newton) have had an input into a new pack for both players and part-time coaches for the new STFC Academy. The players' pack is specific to each player and will include nutrition, hydration, fitness, technical and tactical information. For the coaches, the packs include a wide range of tactical and technical drills in order to work towards a uniformed understanding of the way the Academy wishes to play.

This is the first season that each and every Town Academy player will have received an individual player pack and it is an indication of just how in-depth the coaching programme is for young players at The County Ground. A huge amount of work goes in to developing each player, from part-time and full-time staff, as the Academy players work their way towards a two-year scholarship before a potential professional contract.

## Derby day...

**THIS** weekend the STFC Academy sides from Under-9s to Under-15s will take on Oxford United at the training ground. These games will take place on Sunday and look out for an update on these in a forthcoming programme.

**Academy Manager:** Jeremy Newton

**Youth** team goalkeeper Josh Helm is the latest member of the Academy set-up to talk about his career and how he arrived at The County Ground...

**Date of birth:** 26.09.95

**Place of birth:**

**Winchester**

**Who first spotted your potential as a footballer?**

I was playing Sunday League football for Colden Common which is a side close to Eastleigh. I played for them from around 10 years old until I was 13 when I joined Portsmouth. A scout for Portsmouth, Jim Flood, saw me playing and asked me along for a trial.

**What's your best childhood memory sporting wise?**

**JOINING** Portsmouth as a youngster was great, because they were a Championship side at the time and doing well. Signing scholarship forms here at Swindon was fantastic too.

**Who was your favourite player when you were growing up?**

I was with Portsmouth for a few years so I am going to have to say David James. He was playing for Portsmouth's first team during my time there and I spoke to him a few times and he gave me some good advice.

**When and how did you sign for Swindon?**

I was asked to come to Swindon for a three-game trial and after doing well in those matches I was asked to sign a two-year scholarship. I joined in the summer just gone.

## 2012/13 U18 Squad...

**What are your aims this season?**

**THE** season has started well and I have played in every game. My aims are to continue with good performances and hopefully help the side win the league as well as making progress in the cup competitions.

**Tell us about the best save you have ever made?**

**IN** a Swindon shirt I would say the one against Bristol Rovers in the friendly the week before last. Rovers had a strong side out with experienced players and I managed to get a hand to it and tip it over the bar.

**Who helps you out from the current first team squad?**

**AT** the moment I am in digs with Miles Storey and he always gives me some good advice. He has told me to always work hard in training and to try and train how you'd play in a game, with high intensity.

**Who has been the biggest influence on your career?**

**MY** Mum and Dad, who have always been supportive and have pushed me along to reach my goals. My Nan and Grandad have always been there to encourage me too.

## Supporters Club

**The** STFC Supporters Club would like to pay tribute to Jeremy Wray for all his efforts during his time with STFC.

**FANS** always report that they found him to be a really personable individual who always had time to speak with them when approached. Jeremy was always open in his views and opinion and certainly connected well with supporters. His tenure as Chairman will always be remembered with a high degree of fondness having overseen,

with others, the club rebuilding from a period of decline on the playing front.

It is also, by the same token, appropriate to welcome his successor Sir William Patey to the club. Sir William has had a distinguished career in the diplomatic service and we wish him well in the challenge of building on the recent successes and moving the club forward to an even higher level.

### Half-Time Draw...

**LAST** Saturday's game with Coventry City paid out a best prize total of the season of £635. Here are details of the lucky winners.

**1st Ticket 261, WINS £570**  
R. Gough of Devizes

**2nd Ticket 915, WINS £65**

# The Promotion Story...

**COYR** continues the look back at Town's first promotion-winning season of 1962/63. The next month of that campaign saw Bert Head's men keep in touch with the top two in Division Three...

**Words:** Tom Otrebski

TOWN'S second fixture of a busy September schedule was a home tie against Brighton and Hove Albion. Cliff Jackson and Jack Smith both found the back of the net but Ernie Hunt stole the show with a hat-trick, capping a 5-1 rout.

Next up for Town came two trips to sides in the relegation places: Crystal Palace and Carlisle United. Two goal-less draws earned Swindon two away points.

On the 22nd September, Bert Head's side returned to winning ways against Wrexham at The County Ground. A goal from Roger Smart and a brace from Hunt securing a 3-0 win. A week later, Town travelled to Halifax Town, another side in the Division Three relegation spots. Jackson, Hunt and Smith all scored to put Swindon 3-0 up and cruising inside an hour at The Shay. In the last twenty minutes however, the Shaymen rallied and produced a stunning comeback sealing a 4-3 win in the 90th minute with a goal from Brian Redfearn.

In between times, the Robins beat Darlington 4-0 in a League Cup second round tie. Town's first home league fixture of October

threw up a local derby against Bristol Rovers and the team responded well from their setback at Halifax. Cliff Jackson and Bobby Woodruff had the home side 2-0 up at the break before Jack Smith added a third with seven minutes to play, securing a 3-0 win for Town.

Table-topping Watford were the next visitors brushed aside at The County Ground. Arnold Darcy equalised before a late double from Jack Smith earned Town two vital points.

Three days later, Swindon travelled to Bristol Rovers for the return fixture, going down 2-0 at Eastville. Just four days later, Town faced Bristol City at Ashton Gate. Two goals up at the break through Cliff Jackson and Ernie Hunt, second-half goals from the home side pegged Swindon back, stealing a share of the spoils.

Town were sent crashing out of the League Cup, losing 5-0 at Notts County before welcoming Reading to The County Ground on the 20th October. Hunt opened the scoring for the Robins but an equaliser eleven minutes from time sent the visitors home with a point.

To reach the ground from the station, turn left towards the town and take the stairs on the right before the bridge over the dual carriageway and head along the A602, Lytton Way. At the roundabout (which has the police station on the right) take the second exit into Six Hills Way. At the next roundabout take the third exit (South) continuing along the A602, Monkswood Way, passing a large ASDA store on your right. After about 3/4 mile (McDonalds/Burger King etc will be on your right) you will arrive at a roundabout and the ground will be opposite you on the other side of the A602.

## Staying Over...

Stevenage and can be easily accessed from the A1M. The hotel offers real cask ales, an extensive menu in the restaurant, free parking and free Wi-Fi. Guests can sample wines and beers on the hotel patio or in Cromwell's Bar.

### Things to do...

●●●●●

**Knebworth House:** Best known worldwide as Britain's largest music venue, however in the days before rock concerts Knebworth House was known as the home of the Victorian novelist, playwright and politician, Edward Bulwer Lytton. Music, literature and politics have featured throughout Knebworth's history. Entry can be booked with or without access to the house. Knebworth House and Park are accessed directly from Junction 7 roundabout of the A1(M) motorway at Stevenage South, 29 miles north of London.

### The Stadium...

●●●●●

#### The Lamex Stadium:

(Postcode: SG2 8RH) Broadhall Way was renamed The Lamex Stadium in January 2009 after the club agreed a seven-figure sponsorship deal with the Lamex Food Group. As a result of the club securing promotion as league champions during the club's 2009/10 campaign, the stadium hosted League football for the first ever time for the following season. Away fans are housed in the South Stand which is an all-seated covered stand which was built in 2001 with a capacity of 1,400.

### Last away meeting...

**SWINDON** Town head to Crewe Alexandra on Tuesday night in League One and it's all-square in terms of victories between the two sides. Town have won 11 out of 26 games against the Railwaymen with four draws. The Robins were beaten 2-0 at The Alexandra Stadium last season with Nick Powell, now with Manchester United, scoring the second goal of the game after Ashley Westwood

had broken the deadlock with half an hour played. Swindon's last win at Crewe came in April 2003 with Stefani Miglioranza scoring his third goal of the season. Crewe lost out 2-0 at Portsmouth in midweek and go into today's League One fixture at Walsall just above the relegation zone with three wins from 12 games.

# Live the Dream

The npower Football League Kids Cup & Girls Cup competitions for U11 schoolchildren and U13 girls culminate in finals played at Wembley Stadium! There are also great prizes for schools to win along the way such as team kits and footballs.

Show your children the importance of teamwork, the fun of playing football and the rewards of achievement.

Contact your Football League club to find out how your school could get involved.
